Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Budapest, Hungary; orientation walk of the city

Our adventure begins in the Hungary's capital city, Budapest, where we spend the night. Situated on a beautiful stretch of the Danube River, the city consists of two parts: Buda and Pest. Buda is the older, more graceful part, with cobbled streets and Medieval buildings, whilst the latter is the modern business centre. Later this afternoon our Explore Leader will take us on an orientation walking tour of the main sights of this impressive city, utilising local transport. We will see the Basilica of Saint Stephen and the Parliament buildings before crossing the Chain Bridge to the Castle District and Watertown. Here lie Buda's most ancient gems - Castle Hill with the Old Town, Fisherman's Bastion and the Royal Palace.

DAY 2 - Drive to Bratislava, Slovakia with a walking tour on arrival

After the journey from Budapest we will spend a nice leisurely afternoon in historical Bratislava, the capital city of Slovakia. It used to be the capital of the former Hungarian Kingdom and was known as 'Pressburg' and went through tough times at war with the Ottoman Empire. We will walk through the Old Town's maze of pretty Medieval streets and squares surrounded by numerous cafes and trendy bistros. We pass by Michael's Gate which is the only remaining old entrance to the city, the pretty Main Square, Neoclassical Primate's Palace and Cathedral of Saint Martin. After the walk you can continue your discovery by visiting one of the oldest castles in Slovakia or by enjoying a birds eye view from city's most famous landmark, the so-called UFO bridge, which affords views over the 'panelaky' typical communist era blocks of flats and various other fairly radical urban projects.

DAY 3 - Train to Vienna, Austria; chance to travel back by boat

This morning we take a short train ride (about 1 hour) to Austria's capital, Vienna, where we enjoy a walking tour of the Old City with a local guide. This should offer a good initial overview of the history and the structure of the city. Sights during the walk will include the Karlsplatz, Heroes Square, Hofburg (Imperial Palace Complex), Imperial Treasury, National Library, Spanish Riding School, Vienna's ancient housing estates, Saint Stephens Church and the Opera. We won't have time to enter any of these places on our tour but afterwards you will be free to return to visit any that you wish. You can choose to return to Bratislava by train at your leisure (we will provide a return ticket) or you may prefer to book a boat trip back along the Danube River (taking approximately 2 hours).

DAY 4 - Visit to Lednice-Valtice and wine tasting in Mikulov, Czech Republic

We start our day with a train trip (taking around 1 hour), followed by a short bus journey to the beautiful town of Mikulov. Filled with history embodied in architectural monuments, this small town offers something for everyone. Situated in the very heart of the wine region, it has plenty of walking paths with local and family run wine cellars or wine tasting centres along the way. En route to Mikulov we stop at Lednice-Valtice Cultural Landscape, which is a UNESCO World Heritage Site. It's one of the largest artificial landscapes in Europe and here we will take a walk around the castle park of Chateau Lednice. In the afternoon we visit the Jewish Cemetery in Mikulov with centuries old tombs and it is the final resting place of many prominent rabbis. Following our visit we'll enjoy a wine tasting of Mikulov's local produce.

DAY 5 - Train to Prague and explore on foot

A train journey takes us to our final destination of Prague, the capital city of the Czech Republic. Our train travel today will involve a change of trains and take approximately 4.5 hours in total. Twelve centuries have adorned it with a labyrinth of old streets and wonderful palaces and bridges. We enjoy a guided city tour, which will take in some of the main highlights including the Old Town Square and City Hall, set amid antique houses and arcades. Other sites include the Astronomical Clock, Powder Tower and Prague

Ghetto, which includes the Jewish Cemetery and Synagogues. We also see Charles Bridge, the most handsome bridge over the Vltava River and the area of Hradcany which contains the castle of the Bohemian Kings.

DAY 6 - Free day in Prague with the option to visit Konopiste Castle

On our second day in Prague you are free to enjoy the city at your leisure. You may wish to head by local train to the 700 year old Konopiste Castle. The castle was once owned by Archduke Ferdinand, whose assassination in Sarajevo triggered the start of World War I. A boat trip on the Vltava River is another possibility. There are also many classical music concerts to be found. If the timing is right, you may be lucky to see a performance in one of the old atmospheric churches. There the option of visiting the Bunker Museum, where a range of Cold War relics are on display from an age when paranoia and spying was at an all-time high, which is housed in a former communist bunker underneath the city.

Summers can be hot so pack cottons and light weight clothing with warmer layers for the evenings and a rain jacket, just in case. Medium weights in spring and autumn are recommended along with a windproof and waterproof jacket. If you are travelling in winter then wrap up warmly - layers work best including a hat, gloves and scarf.

Tipping

Explore leader

At your discretion you might also consider tipping your Explore Leader in appreciation of the efficiency and service you receive.

Although entirely voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly you should allow approximately £12.00 for tips. In order to make things easier for you, the Explore Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.
