Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join tour Negombo

Our tour begins this afternoon in the coastal town of Negombo, famous for its fishing industry and golden sands. Our hotel is just a 15 minute drive north of the airport. From its beach location, we are likely to see fishing boats bring in the day's catch. We may also be treated to a stunning sunset over the ocean.

DAY 2 - Jeep safari in Wilpatu National Park; Drive to Anuradhapura

A three-hour drive north takes us to Wilpatu National Park. En route, we will visit a nearby fishing village which uses traditional-style outrigger canoes, known as 'oruvas'. Along the way we hope to spot the toddy tappers climbing tall coconut trees to collect sap from the flowers. This is used to make Arak - a local whisky-type spirit. Despite Wilpatu National Park's location in Sri Lanka's dry

zone, it boasts nearly 60 lakes and is renowned for leopard, elephant and sambar deer spottings. We will go on a jeep safari in the hope of spotting the elusive leopard. We choose to visit this park, rather than the more touristy Yala National Park further south because we believe it offers our customers a better experience. The same animals can be seen here as in Yala, however it is less crowded, making our visit more enjoyable and responsible. Leaving the park, we drive to nearby Anuradapura, where we will spend the next two nights.

DAY 3 - In Anuradhapura; visit Mihintale

This morning, we explore the ancient capital of Anuradhapura - a UNESCO World Heritage Site famous for its well-preserved ancient ruins. One of the oldest continually inhabited cities in the world, it was founded around 500 BC. Its golden age began around 260BC, when the King and his people converted to Buddhism. The city became vast, spreading over many miles. There were hospitals for the sick, hostels for travellers and artificial reservoirs to ensure a good water supply. Of great interest are the 2,200 year-old Sacred Bo-Tree; the Brazen Palace, once a nine storey residence for monks; the 4th century Smadhi Buddha masterpiece and the Ruvanvalisaya Dagoba - a 90 metre-high dome-shaped shrine towering over the surrounding countryside. In the afternoon, we travel eight miles to the mountain peak of Mihintale. It is believed that this was the site of a momentous meeting between the monk Mahinda and King Devanampiyatissa, introducing Buddhism to the country. Exploring Mihintale involves climbing a flight of 1,840 shallow stone steps leading to the summit of the Missaka Mountain. There are excellent views from the top looking back to Anuradhapura.

DAY 4 - Visit Aukana en route to Giritale

Travelling towards Giritale, we pause to view the magnificent Standing Buddha of Aukana, which stands 12 metres high. Sculptured in the 5th century by a master craftsman, it is still relatively isolated in its jungle setting. Our next stop is Dambulla, where a great series of caves have been turned into temples dating from the 1st century BC. This World Heritage Site still attracts scores of worshippers. We will visit five separate caves, which contain a large number of Buddha images and a few sculptures of Hindu Gods. After a lunch stop, we reach the small town of Giritale - our base from which to explore Polonnaruwa. Our hotel for the night looks out over a large and picturesque 7th century man-made lake.

DAY 5 - Visit Polonnaruwa; drive to Sigiriya

This morning we explore the ancient city of Polonnaruwa, which reached its height of glory in the 12th century, when it was a thriving commercial and religious centre. The city still maintains many of its spectacular buildings and monuments, with arguably the most impressive being the Quadrangle. This sacred precinct originally housed the tooth relic. It contains a superbly decorated circular shrine which is one of the most ornate buildings in the country. The neighbouring audience hall and bathing pool are also worth a visit. Close by, the curious round structure of the Circular Relic House has a beautifully preserved moonstone carved at the foot of a flight of steps. Another famous feature of this deserted city is the group of carved images of the Buddha, known as Galvihara. These four colossal figures are all hewn out of solid granite and the Reclining Buddha alone is no less than 14 metres long. In the early afternoon, we drive to either Minneriya or Kadaula National Park (depending on the season), where we enjoy a jeep safari to look for herds of wild elephant. These parks are also home to a large array of birdlife, including painted storks.

DAY 6 - In Sigiriya; drive to Kandy

An early start this morning as we plan to climb Sigiriya Rock ahead of the crowds and whilst it is cool. The ruins of this 5th century 'Sky Fortress' are one of Sri Lanka's major attractions, a stupendous sight to behold and a feat of consummate engineering skill. Built in just seven years as a fortified palace to protect the reign of merciless King Kassapa, who had assassinated his father and deposed his brother, it is seen as one of the world's best preserved examples of ancient urban planning. Unfortunately for the king, despite its impregnable reputation, he was defeated here by his brother after a reign of just 18 years. A switchback series of steps and steel stairways ascend to the top. Halfway up, tucked beneath a sheltering overhang of rock, are the famous frescoes - the Sigiriya Damsels, their colours still glowing. Before our final ascent to the summit, we pass between a set of enormous lion paws carved out of the rock - all that remain of an ancient gateway that gave Sigiriya, the 'Lion Rock', its name. Once at the 200 meter summit, magnificent views can be enjoyed of the surrounding jungle and countryside. This afternoon, a two-hour drive takes us to Kandy. En route, we stop to visit the woodcarving centre at Naula and a spice garden.

DAY 7 - In Kandy

Sitting on a plateau 500 metres above sea level and 112km northeast of Colombo, Kandy is, in climatic and cultural terms, a world apart from Colombo. Serving as the capital of the last Sinhalese kingdom until falling to the British in 1815, it is a place of cultural and spiritual importance. Buddhists from all over the world come here specifically to visit the Temple of the Tooth, the Dalada Maligawa. The costly jewelled shrine of the Holy Tooth, said to be Buddha's left canine, is kept in the upper floor of the original building. This relic was brought from India 1,500 years ago and every year, at the time of the August full moon, it is paraded round

the town with great pomp and circumstance. This morning's sight-seeing includes attending the Temple of the Tooth Ceremony and a visit to the serene Peradeniya Botanical garden. Your afternoon is free to continue your exploration of this delightful old highland town. In the evening, we hope to have the opportunity to watch a performance by the famous Kandyan dancers, admiring their impressive costumes and graceful dances, accompanied by a thundering drum beat.

DAY 8 - Drive through the Hill Country

This morning, we set off on a journey into the heart of the Hill Country. This magnificent region of Sri Lanka is an important tea growing area. Plantations stretch over rolling hills for as far as the eye can see, interspersed with the occasional tea-making factory. We plan to visit Glenloch tea plantation to learn about the process of picking the leaves and creating the perfect cuppa, before continuing to Nuwara Eliya. Known as 'Little England', here we will find red telephone boxes, Victorian colonial architecture and pretty rose gardens - legacies from its era as a hill country retreat for homesick Brits and Scots. The cool climate provided a sanctuary in which to immerse themselves in familiar pastimes, such as polo, golf, cricket and fox hunting. We have the afternoon free to explore this colonial treasure.

DAY 9 - Optional walk on Horton Plains

Today we have the option to enjoy a trek on Horton Plains. This unique and beautiful plateau of wild grassland and thick forest is famous for its biodiversity, with many plant and bird species exclusive to this area. On our walk, we will take in the thundering noise of Baker Falls, before trekking on to World's End - an awe-inspiring escarpment dropping a vertical distance of 880 meters. Today's walking will take approximately six hours. It should be noted that, to reach Baker Falls, there is a long section of steps to descend which can be a little tough on the knees. However, the rest of the terrain is mostly flat. Those who would prefer not to take part in the trek can enjoy a free day in Nuwara Eliya.

DAY 10 - Drive and scenic train ride to Bandarawela

This morning, we make our way to Bandarawela by train. Regarded as among the most picturesque train journeys in the world, we wind our way through the mountains on a rail network that was introduced during British Colonial rule and has changed little since. Passing by impressive waterfalls and travelling through lush tea plantation country, we are likely to see colourfully-dressed tea pickers working in groups. Arriving in Bandarawela, we have the opportunity to explore the quaint shops of this small, untouristy town, before settling down in our colonial-style hotel for the night.

DAY 11 - Drive to Unawatuna

This morning, we visit Rawana Ella Falls, one of the widest waterfalls in the country, before continuing south through the hill country until we reach the plains and the small town of Wellawaya. Travelling onwards, we are likely to spot a 51 foot image of the Buddha, known as Colossi of Buduruvagala, rising majestically above us, along with other Mahayana statues. Continuing southwards, we descend through a huge rice growing area before reaching the coast. We will also travel through the small fishing port of Tangalle and may be lucky enough to see the famous stilt fisherman balancing seemingly precariously above the ocean. Tangalle is also home to a lace making project supported by the Travel Foundation, where women learn to make and sell lace, helping them to become more self sufficient. We hope to visit a learn a little of their craft. Our base for the next three nights is the attractive beach resort of Unawatuna, close to the southern tip of Sri Lanka. Once again, our itinerary today involves a long drive, but is broken up with lots of breaks. Varied and spectacular scenery from the hill country, through paddy fields and on to the coast, provides plenty of interest.

DAY 12 - In Unawatuna

This morning is free for you to enjoy the many activities and attractions of Unawatuna and the surrounding area. You may choose to hire snorkelling equipment and explore the beautiful corals, or take a boat trip around the coast or upriver, past small largely uninhabited islands. This afternoon, we plan to visit the neighbouring pretty coastal town of Galle. An important trading centre since ancient times, the fortifications that can be seen today were built by the Portuguese and then the Dutch from the 16th to the 17th centuries. The fort ramparts of this World Heritage Site protect the harbour and a myriad of fascinating old houses, churches and warehouses. Today, the town has a strong arts vibe, with foreign and local artists, writers, photographers, designers and poets drawing inspiration from their surroundings. Boutique shops and cafes around the town showcase their work. There is a lot to explore in the town and enjoyment can be gained simply by wandering around its streets, soaking up its unique atmosphere. If you feel that you haven't spent enough time here on this afternoon's sightseeing tour, you have the opportunity to come back tomorrow.

DAY 14 - Early morning wetlands visit en route to Colombo

An early start this morning to fit in a few stops on our journey back north to Colombo - a total travel time of just a couple of hours. We plan to visit a beautiful wetland reserve where a boat trip provides us with the opportunity to spot kingfishers before spending the afternoon exploring Sri Lanka's capital city. We'll visit Wolfendhal Church, the oldest in Colombo with a name that reminds us of a time when wild beasts roamed the area, and Captain's Garden Hindu Temple which is famous for its constant live music and the beautiful painted images and statues on the ceiling. We'll wander round the 'fort' area, now the business district, whose buildings are like a slice through Colombo's colonial history and visit the Pettah neighborhood, famous for its bustling open air bazaars and markets. Finally, as the sun sets, we'll enjoy afternoon tea at the famous Galleface hotel which overlooks Galleface Green, a popular haunt with locals out for an evening stroll.

DAY 16 - Sail to Vavuu Atoll and explore Kuda Anbaraa Island

This morning we walk to the waterfront to meet our moored dhoni and crew. We take our breakfast on the boat and then begin cruising south for two to three hours, passing through the Vaadhoo Canal to the South Male Atoll - a smaller and quieter neighbour to the more developed North Male Atoll. Here, many of the islands are inhabited simply by vegetation and white sand, surrounded by clear turquoise water and reef. Heading further south we cruise to the Vavuu Atoll, where we spend time exploring the uninhabited and picturesque islands of Kudiboli and Kuda Anbaraa. When exploring this and other islands in the itinerary, it isn't necessary to bring special footwear. Most customers seem to manage well in flip-flops, and these have the obvious advantage of being quick to get on and off - ideal for walking through sand. Our afternoon is spent snorkelling or relaxing on board. Over the course of the week, underwater fauna we are likely to see include green turtles, reef sharks and gigantic manta rays, as well as smaller sting rays and eagle rays. At each stop, we will also swim among a rainbow of small, colourful fish, including the famous Clown Fish. Our knowledgeable Explore representative will be able to help identify many of the underwater species that we come across. Today, and each day, afternoon tea with freshly baked cake will be served by our talented chef. Every meal is included on the dhoni. Menus are likely to include freshly-caught fish each day, as well curries and pasta. Drinking water, tea and coffee are readily available, with alcoholic and soft drinks available for purchase on-board. US Dollars are accepted on the Dhoni and you can pay your bill for drinks at the end of your cruise. Our cabins are compact, but with plenty of room for two people and luggage. However, many customers choose to enjoy the tranquillity of sleeping under the stars on deck for at least some of the nights.

DAY 17 - Snorkel in the clear waters of the Meemu Atoll

Today we sail south for a further two to three hours, crossing to Meemu Atoll - home to one of the longest stretches of reef in the Maldives. On this or other crossings, we may be lucky enough to be chased by spinner dolphins, who like jumping in our wake. We are also likely to see flying fish, sometimes leaping right over the deck of our dhoni. Meemu Atoll is made up of 34 islands, of which 25 are uninhabited. Some of the inhabited ones grow yams, and all of them are largely dependent on fishing. Here more than anywhere, we are likely to experience the true Maldivian way of life. Shortly after entering the atoll, we arrive at Fenboa Finolhu - another beautiful uninhabited island where we aim to base ourselves for the night. We will have plenty of time to enjoy the white-sand beach and to snorkel on the reef. This evening, we can look forward to a barbecue beach banquet in an idyllic spot on the island, laid on by the dhoni crew.

Accommodation: Aboard Dhoni (or similar)

Simple Boat

DAY 18 - Cruise to Dhiggaru Island for a Bodu Beru display

After a relaxed start, we head east to the inhabited island of Dhiggaru. Here, we drop our anchor by a particularly good snorkelling reef. Later in the afternoon, when it has cooled down a bit, we plan to go ashore to meet the island's inhabitants. We may be struck by the traditional, yet relaxed, way of life in the island's lively village. Very few tourist groups visit and we must remember to dress and act respectfully, removing our shoes when visiting a house or a mosque. In the evening, we hope to be invited to a performance of Bodu Beru (Big Drum) - the traditional folk music of the country.

Accommodation: Aboard Dhoni (or similar)

Simple Boat

DAY 19 - Visit the traditional village of Felidhoo

Today, we head back to Felidhoo Atoll and its administrative centre, Felidhoo. With a population of about 400, this is the least populated of all the country's administrative centres. Again, we take time to visit the village and have the opportunity to enjoy another Bodu Beru performance.

Accommodation: Aboard Dhoni (or similar)

Simple Boat

DAY 20 - Discover Hulhidhoo reef before sailing to Fulidhoo

By now, we are likely to be feeling completely relaxed, as our routine of reading, sunbathing and napping between island stops and snorkelling spots has become second nature. With a subtly different name to our previous day's stop-off, we break today's journey with a visit to Fulidhoo Island. Once again, we meet the locals and gain more of an appreciation of their life in this tropical paradise. After a further visit to the island of Hulhidhoo, we anchor by a large reef, where we can spend time snorkelling.

Accommodation: Aboard Dhoni (or similar)

Simple Boat

DAY 21 - Sail to Male stopping to snorkel at Embudhoo Reef

Our last full day on the boat sees us cruising back towards Male. We take the opportunity for some final snorkelling and swimming, before enjoying a farewell meal with our boat crew.

DAY 22 - Tour ends in Male

Clothing

Sri Lanka: Select your clothes carefully, bearing in mind that the climate is tropical and that upland areas are cooler and more temperate. Lightweight rainwear is also essential, and warmer clothing for the highland walks and chilly night temperatures in the mountains. When visiting religious sites you will need to dress respectfully by covering your knees and shoulders, plus taking off your shoes and hats. You may like to wear socks for temple visits as the ground can get very hot and burn the soles of your feet. You will need to bring long trousers, or buy a sarong locally. Maldives: Only lightweight clothing is needed. Local people in Male and in

villages on the islands find western styles of dress extremely offensive. Brief shorts, tight fitting clothing etc. should be avoided by both men and women. A sarong and something to cover the head (for women) is recommended. Don't forget swimming gear and clothes to protect you from the sun including a wide brimmed hat. You may consider wearing a Tshirt whilst snorkelling to avoid bad sunburn on the back and shoulders.

Footwear

Lightweight shoes and sandals. Whilst in the tea areas you may encounter leeches, you may wish to consider taking leech socks with you.

Luggage

20kg

Luggage: On tour

One main piece of baggage and a daypack. A soft holdall or rucksack is better for the Maldives cruise where your luggage will be stored under your bunk in the cabin. Remember, hotel porters are not always available, so don't overload yourself.

Equipment

A water bottle is recommended for walks. Although mosquito nets or screens are provided at most nightstops and in spite of fewer mosquitoes due to higher elevation, you may choose to bring your own (attachable with nails and tape) for use here. Alternatively, please bring mosquito coils.

Tipping

Explore leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Local crew

Local Crew: Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour. Accordingly, you should allow £65 for tipping (£40 in Sri Lanka and £25 in the Maldives). Your tour leader will account to you for any organised tipping.

Booking a Single Room

All of our group tours are planned and operated on a twin-share basis, meaning that the standard cost is based either on individual travellers sharing accommodation with another group member of the same sex, or people who book together sharing accommodation. Please refer to the tour notes where the single room option availability is detailed on a night by night basis for this tour, and the price for the available nights is detailed on the dates & prices tab by departure date. For Self-Guided trips the Single Room supplement offers the option of a single room each and is charged per person. The Single Room supplement also applies to the third person in a party of three that will be accommodated in a single room.

Traditional Sri Lankan cuisine is excellent, and although it can be very spicy there are many dishes that feature cooling coconut milk or have a spicy sambar on the side to allow you to adjust the meal to your taste. There isn't a culture of eating out in Sri Lanka, most locals will eat at home, and as such there are very few restaurants around, and those that exist tend to be in hotels. As tourism develops a few independent restaurants are beginning to appear, mainly in Colombo but also in Kandy, Galle and in the coastal resorts. During the tour we will endeavour to eat out at local restaurants wherever possible but for many nights, at this point in time, the hotel restaurants are the only option available. Maldives We work with a local operator who owns a number of different Dhonis; all of which are different sizes with different layouts. The boats we are most likely to be using are 6-10 berth Dhonis and we will either use one or two boats depending on the group size and make-up. All Dhonis that we use are fitted with diesel engines, which are used most of the time that we are travelling. Some of the boats still have sails but these are used very infrequently. All Dhonis are inspected annually in order to retain their license. They carry enough lifejackets for all clients and crew plus buoyancy aids and a dinghy with small outboard engine. All boats have a CB radio, and for most of the voyage the boat is in mobile phone range of the islands. Full fire fighting equipment is also carried on every boat. There will be a minimum of 4 or 5 crew on board including the captain and cook - depending on the number of people on the boat. Most of the cabins offer couchette accommodation on a twin share basis with all bedding provided. The cabins are small and simple but adequate for sleeping and changing. In most of the cabins there will be bunk beds and so the person on the top will need to be prepared to climb up to their bed. Facilities are shared, and each boat has 3 or 4 toilets and 2 or 3 showers on board. There are plugs available in each cabin with electricity available when the boats generator is running (when the boat is moving or the crew are cooking meals) so it is possible to charge cameras and phones during the tour. Good quality snorkelling equipment including mask, snorkel, flippers and swim noodles are provided (we will ask for your shoe/flipper size before you travel!). You are free to bring your own equipment should you wish. No scuba diving equipment will be carried on board. All meals and a bottle of drinking water each day are provided on board the Dhonis. There is a bar for any additional soft and alcoholic drinks you may wish to buy, a dining area and a sundeck to relax and sunbathe throughout the day. It should be noted that it is not permitted for tourists to bring alcohol in to the country and it will be confiscated at the airport if you attempt to do so. People requiring a gluten free diet may struggle a little in the Maldives. Breakfasts are often mashuni - a tuna and coconut combination which is served with roti style bread or a more western start to the day with eggs and toast. Most lunches and dinners will have a pasta element and during the afternoons the boat crew will often bake a cake. Whilst plenty of fresh veg, meat and fruit is also provided if you do follow a gluten free diet you may wish to take some snacks with you to supplement the diet on board the dhoni.

Joining Tour Abroad

Customers booked on the 'Land Only' arrangements will now receive a Free Transfer, provided you arrive and depart on the tour only itinerary start and end dates. The transfers will be from the Explore designated airport or train station to the joining point of your tour, and then back from the ending point to the designated airport or train station. The exception to this rule is customers who are booked on a tour where the joining and ending point is at the designated airport or train station.

Free transfers are not available for Self-Guided, Tailormade or Tours for Churches customers.

If you are not eligible for the Free Transfer then you will need to make your own way through to the joining and ending point. On a majority of our tours Explore will be able to provide a private transfer at an additional cost. Please ask for a quote at the time of booking.

It is a condition of booking with Explore that you have adequate valid travel insurance. It is your responsibility to arrange appropriate travel insurance and ensure you have read and understood the full terms and conditions of your travel insurance policy to ensure that you are covered for all activities you intend to undertake whilst on the tour, including all optional activities. Your Insurance Policy must fully cover you for medical expenses and emergency repatriation to your home country. Please ensure your policy includes medical emergency helicopter evacuation in the event of illness or injury and covers the entire duration of your holiday. If you are trekking at altitude please ensure that there is no upper altitude limit which may limit or exclude cover for your trip. Vaccinations

Nothing compulsory, but we recommend protection against malaria, tetanus, typhoid, hepatitis A plus Polio and diphtheria. Consult your travel clinic for latest advice on different prophylaxis available against malaria. We strongly recommend the wearing long sleeved shirts and the liberal application of insect repellents containing DEET as a precautionary measure to avoid being bitten by mosquitoes. These precautions should be taken at all times as the mosquitoes are also active during daylight hours. The above is not an exhaustive list. Further information regarding vaccinations and travel health advice can be found by following the NHS and NaTHNaC links at <http://www.explore.co.uk/Travelhealth/> and from your local healthcare provider. Visa and vaccination requirements are subject to change and should be confirmed before departure.
