Burma (Myanmar) - Trip code BUIB

Burma in Depth + Ngapali Beach extension

This adventurous trip around Burma (Myanmar) takes us to fascinating sights beyond the classic highlights. We travel deep into the Mon State to Ogre Island and join local pilgrims as they admire the sunset from the sacred Golden Rock at Mount Kyaikhtiyo. We marvel at the grandeur of Bagan, discover authentic rural life in and around Hsipaw and witness the fascinating world of Inle Lake. We also cross the dramatic Gokteik Viaduct by train and explore the cities of Mandalay and Rangoon. Sadly, recent events surrounding the Rohingya minority have seen Burma thrust into the international spotlight again. The areas of unrest are concentrated within the north of Rakhine state, far away from any location our itineraries visit. We actively monitor the situation on the ground and closely follow the advice of the Foreign and Commonwealth Office (FCO). We also remain acutely aware of our ethical responsibility; and in order to ensure that the local communities benefit the most from our trips, we use a privately-owned Burmese local ground agent for all of our local services. Our itineraries have been carefully planned to limit the use of services owned by, or affiliated with, the government. This ensures that the Burmese people benefit as much as possible from our tours. We strongly believe that we contribute positively to the local economy, whilst providing our customers with the privilege of direct and genuine interaction with the local people, as well as an insight into the country's unique culture and heritage.

DAY 2 - Sightseeing in Rangoon

Today we take a walking tour of Rangoon. Starting with a stroll along the banks of Kandawgyi Lake in the centre of the city we continue on to Botataung Pagoda. This pagoda is unique in that it is hollow - as we walk through we can see many ancient relics and artefacts displayed in glass cases. Later on we walk along Pansodan Street through downtown Rangoon, taking in the rich colonial architecture and bustling street markets. In the afternoon we make our way to the Chaukhtatgyi Paya, home to a giant 70 metre long reclining Buddha. The highlight of the day, though, is a visit to the magnificent Shwedagon Pagoda, the most revered Buddhist temple in Burma, whose golden stupa dominates the city skyline making it the ideal spot from which to watch the sunset. A new layer of gold leaf will be applied to the main pagoda between September 2014 and February 2015. This tradition takes place once every five years, and during this time the main pagoda will be covered in bamboo scaffolding and enshrouded in canvas with parts of it possibly visible depending on the timing of your visit. While views of the main pagoda will be limited, the Shwedagon complex is large with a number of smaller pagodas, shrines and places of worship which locals will still visit and contribute to the special ambience of this holiest of Buddhist shrines.

In the afternoon we continue our drive to the foot of Mount Kyaikhtiyo, or Kin Pun 'base camp'. Upon arrival we continue in an open truck up a steep 11 kilometre track to Yathetaung. From here we walk for approximately 45 minutes to the mystical and highly revered Mount Kyaikhtiyo Pagoda in time for sunset. Also known as Golden Rock, this pagoda is a large boulder precariously balanced on the edge of a cliff near the top of the mountain, supposedly held in place by a hair of the Buddha.

Foreign Exchange

Local currency

Kyat.

Recommended Currency For Exchange

Carry all your funds in U.S. Dollars cash, larger denominations tend to get better exchange rate. NB - PLEASE ONLY BRING NEW U.S. DOLLAR BILLS (BIG HEADS INSTEAD OF SMALL) AND THEY SHOULD BE NEW AND IN A PRISTINE STATE. ANY OLD, TORN OR MARKED NOTES WILL NOT BE ACCEPTED. U.S. Dollar bills with the series CB will not be accepted for exchange.

Where To Exchange

The official rate is far different from the market rate, we recommend you consult your tour leader for advice regarding the best place to exchange. The exchange booth at airport offers a very poor rate so we recommend you wait until getting into town (taxis accept dollars if agreed beforehand).

ATM Availability

ATMs are becoming more widely available and some hotels may have them, including the Panda Hotel in Yangon. You are more likely to find them in the larger cities, but they are now starting to appear in some of the smaller towns and villages. Please be aware that they are prone to occasional breakdowns so you would be wise to top up your cash before it runs out completely.

Credit Card Acceptance

Credit cards are becoming more widely accepted but you should not rely on them. The places where you are most likely to be able to use them are in the cities of Yangon and Mandalay and there may be a charge.
