Cycle Southern Spain - Murcia

On this cycling adventure in southern Spain we discover Murcia's whitewashed villages and Moorish towers, endless orchards, ancient irrigation channels and layers of history. Pedal along peaceful via verde cycle paths and quiet roads, enjoying historic towns and a variety of landscapes. Murcia enjoys mild winters, a semi-arid climate and averages more than 320 days of sun per year, making it an ideal escape for an active holiday.

Trip highlights

- ★ **Peaceful cycling** - Ride on scenic and quiet backroads and cycle paths
- ★ **Caravaca de la Cruz** - Visit one of the Catholic world's 5 holy cities
- ★ **White** - washed villages - typical Spanish villages in the Ricote Valley with Moorish roots
- ★ **Tapas y Vino** - Reward yourself with and refuel on delicious Spanish food and wine

ACCOMMODATION GRADE:

Standard

Our standard, mid-range accommodation offers a good level of service, often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en suite facilities.

CYCLING GRADE:

Moderate

Medium length rides suitable for cyclists who are used to undulating routes with occasional energetic climbs. Mainly on trails and quiet roads and you should have a reasonable level of fitness.

GROUP SIZE:

10 - 16

Maximum group size ranges from between 6 to 20 people, depending on the type of trip, the transport and accommodation used and activities included. We rarely have groups that are smaller than five or six people and the average is 12 people plus an Explore leader.

Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Tour starts in Murcia. Optional short ride

For those interested there is an optional self-guided ride today to the Fuensanta Sanctuary. The hotel will be able to instruct but you should make your way to the bike rental shop to meet the Leader, where you will be given and fitted with a bike for the week ahead, as well as route notes to follow for the ride. Please note there is a charge for this and you pay the bike rental office directly. We recommend you start this at 3pm latest from November to February or 4pm in other months. Later this evening you can meet your fellow travellers properly at the first group dinner. Our total cycling distance today is approximately 18 kilometres (Total 100 metres ascent and descent)(optional).

Accommodation: Hotel Arco de San Juan (or similar)

Standard Hotel

Single room available

Meals Provided: None

DAY 2 - Cycle to Caravaca de la Cruz

We drive out from Murcia after breakfast on the only vehicle transfer of the holiday, other than getting to and from the airport. After 45 mins we reach the town of Bullas where we start our ride on the gently graded via verde del noroeste cycle path (a converted railway track). The cycle path leads all the way to Caravaca but we leave it mid-section to ride on quiet country roads up to the hilltop town and interesting old quarter of Cehegin and along the river Argos. We return to the cycle path and on to Caravaca de la Cruz where we spend the next two nights. One of the world's five Holy Cities according to the Vatican (the others are Rome, Jerusalem, Santiago de Compostela and Santo Toribio in the Lebanon), Caravaca de la Cruz becomes busier with Catholic pilgrims during a Holy Year (every seven years). Pilgrims can obtain Eternal Forgiveness in the Holy Year by visiting the church. Our total cycling distance today is approximately 39 kilometres (300 metres total accumulated ascent and descent).

Accommodation: Hospederia del Carmen (or similar)

Standard Hotel

Single room available

Meals Provided: Breakfast

DAY 3 - Circular ride around Caravaca

On today's ride we discover the nature, beauty and history of the area surrounding Caravaca. Cycling past irrigation channels and elm groves, the route takes us from fountain to fountain passing sites with the remains of Paleolithic, Iberian, Roman and Medieval settlements. The day starts with an ascent of 400 metres spread over 16.5 km to reach the Celtiberian village of Archivel. Then we pick up a waymarked route - 'Itinerario Ecoturístico Archivel-La Encarnación' - that leads us past tiny villages downhill to La Encarnación and eventually back to Caravaca. The final section of around 10 km is along an unsurfaced track that takes us to our hotel in Caravaca. This evening you can enjoy a stroll on the Plaza del Arco square along with the locals and there should be the option to take taxis out to a local restaurant that also brews their own beers. Our total cycling distance today is approximately 45 kilometres (450 metres total accumulated ascent and descent).

Accommodation: Hospederia del Carmen (or similar)

Standard Hotel

Single room available

Meals Provided: Breakfast

DAY 4 - Cycle to Calasparra via 15th century Moratalla fortress

We leave Caravaca this morning after breakfast and cycle to Calasparra. As with yesterday, a lot of the ascent is tackled in the morning with two steep ascents of note (150m each), after which the route is mainly downhill to our hotel in Calasparra. A section of the ride is once again on a cycle path. We plan to arrive into Moratalla around lunchtime and allow some free time to explore its steep, narrow lanes and 15th-century Christian fortress featuring the 'Torre del Homenaje' (a reconstruction of a Moorish fortress) and 16th-century church of Santa María de la Asunción. On the next section of the ride after leaving Moratalla the countryside becomes more barren, with huge groves of olive trees, almond trees and farmed fields. Wherever you find a bit of water and a river nearby, the orchards and vegetable gardens reappear, as do the rice paddies as you near Calasparra. Our total cycling distance today is approximately 44 kilometres (450 metres total accumulated ascent and 740 metres descent).

Accommodation: Hotel Constitucion (or similar)

Standard Hotel

Meals Provided: Breakfast

DAY 5 - Cycle past almond and apricot orchards to Cieza

This morning we ride out to the 'Virgen de la Esperanza Sanctuary' (Our Lady of Hope), the patron saint of Calasparra whose 12th century shrine is a cave carved into the rock face over the banks of the Segura river. From here our cycle ride heads on to Cieza and along the way we will encounter very few villages, riding on peaceful country roads, with views to the surrounding hills and past the Alfonso XIII Reservoir. As we return to the Segura river the landscape turns into a patchwork of almond and apricot orchards, a symphony in shades of pink with springtime blossom. The final 6.5 km follows a quiet road along the river to reach the lively town of Cieza. It is possible to shorten the ride today by 13km if you do not visit the Esperanza Sanctuary. Those interested can cycle (uphill) out of Cieza to visit the Moorish archaeological site of Medina Siyasa, returning the same way. Our total cycling distance today is approximately 46 kilometres (480 metres total accumulated ascent and 630 metres descent).

Accommodation: Hotel San Sebastian (or similar)

Standard Hotel

Single room available

Meals Provided: Breakfast

DAY 6 - Ride through the scenic Ricote Valley back to Murcia

The Segura River and ancient irrigation channels will mark our way from the pleasant town of Cieza to Archena. The scenery changes today as we ride in the Ricote Valley whose arid slopes contrast with the oasis-like orchards studded with palm trees fed by the river. We pass white-washed villages, such as Abarán, Blanca, 'd3jos and Ulea that were Murcia's last Moorish stronghold in the 15th century. From Archena we follow roads through some industrial areas and busy small towns before a peaceful final section of via verde cycle path for 12km along the banks of the Segura river back into Murcia. Around 10% of today's route is on unpaved surfaces. Tonight we can reflect on and celebrate the week with a final supper in Murcia. Our total cycling distance today is approximately 57 kilometres (200 metres total accumulated ascent and 340 metres descent).

Accommodation: Hotel Arco de San Juan (or similar)

Cycling information

General cycling information

On this tour we cycle 218 km over five days (an average of 44 km per day) with a further optional 31 km available. The route mostly follows well-surfaced tarmac lanes and secondary roads with little traffic plus a few dirt tracks. Inevitably, near the larger towns we will encounter more traffic. Apart from on the first optional self-guided ride, the Tour Leader leads the rides while luggage is transferred between hotels. A support vehicle does not accompany the rides. We have graded the route as moderate.

Bike included

27 gear Bergamont Horizon hybrid bikes with front suspension.

Bike information

Your included bike is a 27 gear Bergamont Horizon hybrid with front suspension or similar make and model and will be the correct frame size for your height. Female and male frames are allocated accordingly when booking unless you specifically request otherwise. A pannier and water bottle holder are included as well as the facility to fit your own pedals or saddle if you wish to bring them. We provide spare parts and take care of the day to day maintenance. All you need to bring is your own helmet.

Climate

Overall, spring, early summer and autumn are ideal times for a Spanish trip - though the weather varies enormously from region to region. The high central plains suffer from fierce extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. Spain's Islands the Canaries and Balaerics experience very mild winters and warm summers making them ideal year round destinations.

Budgeting and packing

Optional activities

Murcia - day 1 optional ride bike hire 15 Euros Caravaca de la Cruz - Museum of the Caballos del Vino 3 Euros, Hospedería Molino del Rio dinner and taxi 35 Euros Moratalla - 15th-century Christian fortress, 16th-century church of Santa María de la Asunción Calasparra - Virgen de la Esperanza Sanctuary Cieza - Medina Siyasa 3 Euros

Clothing

When cycling: quick drying cycle tops, padded cycle shorts, lightweight wind and water proof jacket and warmer breathable layers where local conditions require. Cycling gloves are strongly recommended as they will protect you from sunburn and may also help protect your hands if you fall. General: Pack essentially for hot or mild weather depending on the time of the year. A warm sweater or fleece and long trousers are advisable for the evenings especially in early and late season when the weather tends to be cooler. A rain jacket is also recommended.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling so please check the trip notes. Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage

20kg

Luggage: On tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike. Remember you are expected to carry your own luggage so don't overload yourself.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. It is a legal requirement in Spain to wear a helmet that meets current safety criteria. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Tipping

Explore leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour. 10% tip is recommended at meal times.

Booking a Single Room

All of our group tours are planned and operated on a twin-share basis, meaning that the standard cost is based either on individual travellers sharing accommodation with another group member of the same sex, or people who book together sharing accommodation. Please refer to the tour notes where the single room option availability is detailed on a night by night basis for this tour, and the price for the available nights is detailed on the dates & prices tab by departure date. For Self-Guided trips the Single

Room supplement offers the option of a single room each and is charged per person. The Single Room supplement also applies to the third person in a party of three that will be accommodated in a single room.

Standard - Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.
