Highlights of Cuba by Bicycle + Beach Extension

Cycling on quiet roads we explore Cuba's verdant countryside, colonial towns and revolutionary history. From Havana we cycle past the historic Bay of Pigs and inviting tropical beaches to charming Trinidad where we experience Cuban hospitality in Casas Particulares. Along the way we learn about modern day Cuba and excellent live music is never far away. Finally we visit Che Guevara's Mausoleum in Santa Clara. Now is undoubtedly a fantastic time to visit Cuba to see and experience the island. Visiting Cuba is like stepping back in time as little has changed over the past 50 years. To fully enjoy the Cuban experience you should travel with a willingness to expect the unexpected and, above all, an adventurous spirit. In our opinion go now and experience this unique destination before it changes.

Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join tour in Havana

Our tour begins in Havana. Built around a deep natural harbour, Havana is one of the most impressive colonial cities surviving in the Americas today. Crumbling tenement buildings and 1950s American Cadillacs rub shoulders with white marble grandeur and the still audible echoes of the Cuban Revolution. The largest city in the Caribbean and Cuba's political and cultural heart, it is the perfect place to start this remarkable journey. In Havana we stay in 'casas particulares' - family-run guesthouses. On arrival to the main joining point casa in the old centre of Havana (as detailed in your Joining Instructions) you will be met by your host and shown to your room in one of the local guesthouses in the surrounding area.

DAY 2 - Cycle the Bay of Pigs. Drive to Yaguanabo via Cienfuegos

This morning we depart the city and drive (3 hours) to the Zapata Peninsula and the Bay of Pigs - the infamous site of a failed US-backed invasion by Cuban exiles in 1961. We then enjoy a relatively easy warm-up ride along the flat, following the Caribbean coast from Boca de Guama our route ends at the Cueva de los Peces - a flooded tectonic fault (or cenote) with resident tropical fish which provides a great swimming opportunity. There is time for an optional visit to the museum dedicated to the failed invasion before we resume our journey by road, travelling on to the colonial city of Cienfuegos. We have a chance to take in some of its impressive 19th century architecture on a short walking tour of the centre, before continuing by bus (45 mins) to our hotel at Yaguanabo beach. Our total cycling distance today is approximately 28 kilometres

Accommodation: Villa Yaguanabo (or similar)

DAY 3 - Coastal ride to Trinidad. Afternoon walking tour and cocktail making

Continuing south-east this morning we cycle along the Caribbean coast to the UNESCO World Heritage Site of Trinidad, one of the best preserved colonial towns in the country. Founded in 1514, the town was a haven for pirates and slavers before the arrival of the French in the early years of the 19th century and today remains one of Cuba's cultural gems. This afternoon we enjoy a walking tour around the town, taking in the lovely setting of the central square and the cathedral. For the next two nights we will enjoy local hospitality staying in casas particulares - private houses. Later this afternoon, we will enjoy a cocktail making class where we can learn to make some of Cuba's famous drinks such as mojitos and daiquiris. Our total cycling distance today is approximately 30 kilometres (Total ascent and descent 150 metres)

Accommodation: Casa Particulares - Trinidad (or similar)

DAY 4 - Free day in Trinidad for additional rides or relaxation

We have a chance to enjoy Cuba's beautiful Caribbean coastline today. Options include a day relaxing on the beach, or perhaps a trip on a catamaran out into the azure waters that lie off the coast. For those still wanting to stretch their legs we also have the option to cycle out to the Ancon Peninsula (30 kilometres return). Alternatively, you can simply relax on the white sands of nearby Playa Ancon, or perhaps return to wander through Trinidad's charming colonial streets. Our total cycling distance today is approximately 30 kilometres (optional, unescorted)

DAY 5 - Ride through the 'valley of the sugar mills' to Mayajigua

Leaving Trinidad after breakfast this morning we cycle through the historic landscapes of the Valle de los Ingenios (valley of the sugar mills), with its ruined mills and infamous slave watchtower. By the middle years of the 19th century the valley was responsible for a third of all Cuba's sugar production, before the wars of independence saw the mills destroyed. We cycle to the watchtower of Manaca Iznaga, before continuing through the valley. Re-joining our bus we drive a short distance to the colonial town of Sancti Spiritus where we stop to pay a short visit to the old town, before continuing by bus for about two and a half hours on to our night stop in Mayajigua. Our total cycling distance today is approximately 60 kilometres (Total ascent 150 metres, total descent 250

metres)

Accommodation: Villa San Jose del Lago (or similar)

DAY 6 - Cuban countryside cycle. Visit Cayo Santa Maria. Visit Remedios

We cycle directly from the hotel on a relatively flat route through Cuban countryside. Rejoining our bus, we drive to the islands of Cayo Santa Maria along the interesting causeway road that picks its way across the shallow waters some 50 kilometres before reaching the first island. The superb beaches and turquoise waters have attracted a number of hotels and we spend a couple of hours to have lunch, swim and relax before returning across the causeway and continuing on to the colonial town of Remedios (one hour journey time). Founded in 1524 and considered by many to be one of Cuba's most picturesque towns, Remedios still retains something of the flavour of its 17th century heritage when it served as the regional capital. We have some freetime to explore this town before continuing by bus to our hotel in Santa Clara, a short 40 minute drive away. Our total cycling distance today is approximately 50 kilometres (Total ascent 100 metres, total descent 100 metres)

Accommodation: Hotel Villa Granjita (or similar)

DAY 7 - Visit Che Guevara Mausoleum. Afternoon tour of Havana

With no cycling planned for our final day the first stop this morning in Santa Clara is to visit the Che Guevara Monument - final resting place of one of the world's most iconic figures and one of the country's most emotive shrines to its revolutionary heritage. Continuing on to Havana (three hours), we then spend this afternoon wandering through the heart of the old capital, exploring the neo-classical architecture of the Vieja district and taking in the baroque grandeur of the 18th century Catedral de San Cristobal de la Habana among other fine buildings from another age.

DAY 8 - Transfer to Playa Jibacoa; afternoon on the beach

Around an hours drive brings us to our beach hotel, the 4* Memories Jibacoa, where we will be spending the next two nights relaxing after the week of cycling. Whether you would like to lie in the sun, soaking up some warmth, or take a dip in the beautiful

ocean; your time at Jibacoa can be as active or as relaxing as you feel. If you do want to continue with some more walking the town is backed by a limestone ledge, with excellent cliff top views and some easy paths for you to enjoy.

The area is blessed with a coral reef located just a couple of metres from shore, and the hotel provides snorkelling gear and kayaks for you to explore the turquoise waters and reef. Optional activities

Havana - Museo de la Ciudad 3 CUC, Museo de la Revolucion 8 CUC, Museo de Arte Colonial 8 CUC, Museo Bellas Artes 5 CUC, Rum museum 7 CUC Bay of Pigs invasion museum - 2 CUC Cayo Las Iguanas catamaran excursion near Trinidad - 55 CUC Please note - most museums in Cuba charge for use of Camera's and Camcorders, this can be up to 7 CUC per usage. Jibacoa - Diving US\$45; Spa Treatments (Variable costs)

Clothing

Pack for warm and hot conditions. Bring cycling gear such as padded shorts, cycle gloves and quick drying cycle shirts. Remember weather is changeable in the mountains and it can be cool and wet in the high altitude of the Sierra Escambray or even on some evenings in Havana, so bring some warmer clothing too. Wet weather gear is essential at all times in case of rain. Don't forget your swimming costume.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling. Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage

20kg

Luggage: On tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Tipping

Explore leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour. Accordingly you should allow approx. CUC 25 for gratuities for local staff. 10% is expected in restaurants. Please note tipping is also customary for musicians and for public conveniences so small notes and coins are always handy

Booking a Single Room

All of our group tours are planned and operated on a twin-share basis, meaning that the standard cost is based either on individual

travellers sharing accommodation with another group member of the same sex, or people who book together sharing accommodation. Please refer to the tour notes where the single room option availability is detailed on a night by night basis for this tour, and the price for the available nights is detailed on the dates & prices tab by departure date. For Self-Guided trips the Single Room supplement offers the option of a single room each and is charged per person. The Single Room supplement also applies to the third person in a party of three that will be accommodated in a single room.

Due to the recent increase in tourism in Cuba following the relaxing of US sanctions, we are finding that a number of hotels and guesthouses are cancelling or moving our reservations at short notice. Unfortunately, these changes aren't something we can predict, or prevent, but we'll do our utmost to ensure that any replacements we provide you are of an equivalent standard. On occasions this may be in an alternative location but this should not affect your included itinerary. We'll let you know if we receive notification of changes within a reasonable amount of time, but please do be prepared that you might find out about changes to your accommodation on arrival or during your trip. Accommodation and service levels in Cuba have improved in recent years but there is an ongoing trade embargo and lack of investment in infrastructure. Accommodation can be basic, particularly in some rural areas, occasionally with unreliable water and electricity supply. Service levels in government hotels, shops and restaurants are generally poor as this is not a service-oriented western culture. Of course, this is all part of seeing the 'real Cuba' and while we think you'll be pleasantly surprised by most of the hotels we use, you should be prepared for simply furnished rooms, some out-dated furniture and varying levels of service. Most of the hotels do have air conditioning and en-suite facilities. Casas particulares - This is a Spanish term meaning private accommodation or homestay in Cuba. Staying in a casa offers the visitor a unique opportunity to experience Cuban hospitality in local accommodation adapted for tourism. The number of rooms, quality, facilities and access to other areas of the house such as the living room varies massively but as a general rule the majority of Casas are clean, basic, centrally located and can host only a handful of guests. Casas are generally run by the owner and members of the family that live there and the standard of English spoken will vary from zero to fluent, which is a good opportunity for you to practice your Spanish. Virtually all of the rooms have private facilities but on rare occasions it may be necessary to share. Your Explore Leader will coordinate accommodation arrangements on tour.
