Realm of the Polar Bear In Depth - M/V Polar Pioneer

This Spitsbergen odyssey reveals the diversity of this island archipelago and takes us into the kingdom of the polar bear. You'll explore the coastline, with no open sea crossings, against a backdrop of spectacular glacier-covered peaks and discover deep fjords in the west, mysterious, fossil-rich desert plains in the east and best of all, seals and whales in the Arctic pack ice. This voyage offers the best chance for seeing reindeer and polar bears, and features wildflower walks across sweeping tundra, trapper camps and historical remains of whaling stations.

Trip highlights

- ★ See the mighty polar bear - the King of the Arctic
- ★ Visit the bird cliffs of Alkfejellet - where thousands of Brunnich's guillemots swirl around
- ★ See walruses - lounging around on ice floes
- ★ Get up close to the wildlife - as you cruise by Zodiac
- ★ Travel in the company of like minded passengers - on board a friendly expedition ship

DAY 3 - Ice Cliffs and Wildlife

Thanks to the nutrient-rich Gulf Stream, temperatures on the rugged west coast are relatively mild, ideal for the many Atlantic

puffins and thick-billed murrets that fill the cliffs. Towards Kingsfjorden, we may visit Ny Ålesund, a mining town turned polar research centre and at Amsterdamoya, we will have the opportunity to walk the tundra, looking out for reindeer and Arctic fox. We explore the remains of a 350-year-old Dutch whaling settlement and learn about the ill-fated ballooning attempt over the North Pole.

DAY 5 - Spitsbergen

We search for ringed, bearded and harp seals and ashore, trappers's huts, reindeer and Arctic fox. Offshore, walrus feed on clams or haul out on beaches, especially on Mofen Island which is a walrus sanctuary.

DAY 6 - Spitsbergen

With 24-hour daylight, there's plenty of time to admire many of the tundra's 164 species of flowering plants, including purple saxifrage, exquisite yellow spider plants and Svalbard poppies. If ice conditions allow, we will attempt to cross latitude 80° North - certainly a cause for celebration!

Accommodation: M/V Polar Pioneer (or similar)

Premium Boat

Single room available

Meals Provided: Breakfast, Lunch & Dinner

DAY 7 - Hinlopen Strait and Alkefjellt

Welcome to the wild side! Cold Arctic currents sweep around Spitsbergen's northeast corner, lowering air and sea temperatures, and creating a landscape eroded by severe frost. Even in summer, pack ice could bar our way. We attempt to pass through narrow Hinlopen Strait, between Spitsbergen and the austere, ice-capped, Nordaustlandet. The expertise of our Russian crew and expedition staff really comes into it's own, as they attempt to reach the region's highlights.

DAY 8 - Hinlopen Strait and Alkefjellt

We cruise by Zodiac beneath Alkefjellt - sheer basalt cliffs rising more than 250 metres and literally buzzing with some 200,000 nests of Brunnich's guillemots, possibly with Arctic fox scavenging below. On Torrellneset, we might stumble across dozens of sleeping walrus. A true polar desert, the east coast offers walks among stunted glaciers, exposed fossil fields and tundra. Here we watch for Arctic fox, eider ducks and the elusive Svalbard ptarmigan. Sailing between Barentsoya and Edgeoya, we cross polar bear migration routes and may visit Sundeneset, a fertile plain covered in green mosses and delicate flowers, including the yellow marsh saxifrage.

Accommodation: M/V Polar Pioneer (or similar)

Premium Boat

Single room available

Meals Provided: Breakfast, Lunch & Dinner

DAY 9 - South Cape

This is true expedition cruising, where plans are dictated by ice conditions and our desire to explore. If pack ice allows, we round South Cape, returning to the world of open water and rugged coastal mountains and sail north toward Hornsund and Bellsund, deep fjords with remarkable glaciers and wildlife.

Climate

Seasonal Climate Despite the northern latitudes the climate in Norway is not extreme, due to the affects of the North Atlantic Drift. Between May and September is the best time to visit this region, with summer temperatures reaching the high teens and rain a regular feature year round along the coast. North of the Arctic Circle the sun does not set between the middle of May and the end of July, so you can expect to encounter the midnight sun during this period.

Clothing

Parkas A complimentary parka is provided for you on board the ship and is yours to keep after the voyage. It has a comfortable wind-resistant inner jacket, which is detachable from the waterproof outer shell, and is designed to be worn over your essential base layers. **Gloves** Keeping your hands warm and dry can be a challenge. Thin polypropylene gloves can be worn underneath warm outergloves. This allows you some protection from the cold when removing your gloves to operate your camera etc. We strongly recommend that you bring more than one pair of gloves, in case one gets wet (or lost). **Hat/Cap** Warm, woollen hat/cap to protect your ears, as well as a scarf, neck gaiter or other face protection, such as a balaclava. **Trousers** Water-resistant trousers of coated nylon or, even better, Gore-Tex® are essential for your comfort. They can be worn over your regular clothes to keep you warm and dry. We suggest that you purchase trousers a few sizes larger than you normally wear as you will be wearing them over other clothing. Gore-Tex® or similar fabrics are excellent for keeping out wind and water without trapping excess heat. **Rain gear** and Gore-Tex® products can be found in any outdoor sport clothing store. In addition to your waterproof trousers, warm ski pants are suggested if you have them. **Warm trousers** such as jeans, corduroys etc are also good. **Socks** Warm wool socks worn over a thin pair of silk, polypropylene socks should provide enough warmth and insulation for your feet. Bring several pairs of socks, since you will inevitably get your feet wet. **Outer Clothing** Woollen, knit or cotton sweaters/tops, polar fleece tops (medium weight), several cotton turtlenecks and T-shirts for layering on and off the ship. **Underclothing** Thermal underwear is highly recommended as it will keep you warm without adding bulk. Most polar travellers prefer a lightweight version.

Footwear

Complimentary waterproof boots will be supplied on-board. However, if you have extra small or large feet, you are advised to bring your own. Also ensure you take good walking boots and trainers for relaxing.

Luggage

20kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Equipment

There are no hairdryers aboard the Polar Pioneer. **Sunglasses** and **sun cream** **Insect repellent** **Personal toiletries** **A refillable water bottle** **Books/reading material** **Camera** and **memory cards** **Seasickness remedy** **Walking poles**
