DAY 1 - Join tour Tel Aviv

Join your tour in Tel Aviv and check into hotel. Tel Aviv, often called 'the city that never stops' was the first modern Jewish city built in Israel, and is the country's economic and cultural centre. It is a lively, active city with entertainment, culture and art, festivals, and a rich night life. Situated on a 14km long strip of the Mediterranean coast, Tel Aviv extends beyond the Yarkon River to the north and the Ayalon River to the east. Hundreds of thousands of workers, visitors, tourists, and partygoers move about the city each day.

DAY 2 - Tel Aviv city tour, then explore Old Jaffa, Caesarea, Haifa and Akko

Israel's second largest city, Tel Aviv was founded at the beginning of the 20th century on the outskirts of the old port city of Jaffa. We'll get a chance to take a tour of this impressive 1930s architecture this morning, as we walk through the historic centre to the trendy neighbourhood of Neve Tzedek. From here we will board our bus to ancient port area of Jaffa and continue to the ruins of Caesarea. We travel along Israel's northern coast and journey to the historic city of Haifa, where we take in the panoramic views from the slopes of Mount Carmel and see the Bahá'í Gardens. We visit the crusader-era Knights Halls in Akko, a large stone fortification built to protect the town from marine attacks before making our way to our Kibbutz at Degania Bet, at the Sea of Galilee. A kibbutz is a collective community of people in Israel based mainly on agriculture and shared living. They began in the 1920's and currently there are approximately 270 kibbutzim in Israel.

We will have an opportunity to visit the Church of the Multiplication of the Loaves, the Church of the Primacy of St Peter and the Mount itself, before continuing on to Capernaum, the birthplace of St. Peter and the site where it is believed Jesus first started his ministry. Taking an afternoon boat trip out onto the waters of the Sea of Galilee, we then head for our kibbutz, close to the historic city of Tiberias. This afternoon we will make a tour of Nazareth to visit the Basilica of the Annunciation and St. Joseph's Church. We will then have free time to explore the town and local market before returning to our kibbutz for the night.

DAY 4 - Visit Jericho, the scrolls of Qumran and float in the Dead Sea

This morning we take a tour of our kibbutz, to meet some of the residents and to understand their way of life. Heading off towards the Jordan Valley we travel to the ancient city of Jericho. Lying amidst the hotly contested settlements of the West Bank, Jericho was the first city to fly the flag of the newly formed Palestinian state and its history stretches back some ten millennia. We drive to Qumran, home of the Essenes, a strict and devout Jewish sect who lived in the area until early in the 1st century AD. They are believed to have been the authors of the 2,000 year old manuscripts found amongst the hillside caves in 1947. Following our visit to Qumran, we will drive to the Dead Sea. At 418m below sea level, this salty expanse of mineral rich water is the lowest point on earth and has been revered for centuries for its beneficial properties. After a float in the Dead Sea the afternoon is free to relax back at our Kibbutz.

Back on the bus, we will continue along the western shores of the Dead Sea to the isolated hilltop fortress city of Masada, the last stronghold of the Zealots against the Romans during the First Revolt in AD 70. From the top of the citadel there are some stunning views of the surrounding desert, including the mountains of Moab and the Dead Sea. We then move on to Jerusalem, our base for the next few nights; this evening there is the option of a light and sound show at the Tower of David.

This morning we drive through the new part of Jerusalem, taking in the Hebrew University, the Parliament building and the Supreme Court, before continuing to the Israel Museum and the Shrine of the Book, home of the Dead Sea Scrolls parchments and the largest museum to all things Israeli anywhere on the planet. Passing by Ein Karem we then visit the Church of St John the Baptist, before making our final visit of the day to Bethlehem and the Church of the Nativity. The original building was believed to have been built by the Empress Helena, the mother of Constantine, the emperor who legalised Christianity in 313AD. From here we return to Jerusalem and drive to the Western Wall to witness the Shabbat prayers, where thousands of people gather to welcome the Sabbath. This evening there is the option to experience Shaabat of a life time, spending the evening with an Israeli family as they say friday night prayers to celebrate the Sabbath.

DAY 7 - Walking the biblical trail in Jerusalem

Certainly one of the world's most intriguing cities, Jerusalem can boast a history stretching back some three millennia, and during its long history it has been destroyed twice, besieged 23 times, attacked 52 times and recaptured 44 times. This morning we drive by bus up to the Mount of Olives for a superb view over the Old City, before descending into the Josaphat Valley to visit the Pater Noster Church, Dominus Fleuit, the Garden of Gethsemane and the Church of All Nations. Entering the Old City we then visit the Pool of Bethesda, before taking a walking tour of this most hallowed of settings. Passing through narrow winding streets overflowing with street vendors and shops, we head to the Via Dolorosa, traditionally believed to be the route taken by Christ on the day of his execution. We will follow the Stations of the Cross to the Church of the Holy Sepulchre, the holiest site in Christendom and the reputed place of the crucifixion, burial and eventual resurrection of Jesus Christ. Jerusalem is unique in that it is held sacred by the three great monotheistic religions of the world, Christianity, Islam and Judaism. Finally we head up onto the slopes of Mount Zion, where we visit the tomb of King David, the beautiful Benedictine Abbey of the Dormition and the Cenacle, which since the 4th century has been identified as the site of the Last Supper. After our visit here we return to our hotel. The majority of today will be on foot, however there is the option of using transport for those that are struggling.

Accommodation notes

Booking a Single Room

All of our group tours are planned and operated on a twin-share basis, meaning that the standard cost is based either on individual travellers sharing accommodation with another group member of the same sex, or people who book together sharing accommodation. Please refer to the tour notes where the single room option availability is detailed on a night by night basis for this tour, and the price for the available nights is detailed on the dates & prices tab by departure date. For Self-Guided trips the Single Room supplement offers the option of a single room each and is charged per person. The Single Room supplement also applies to the third person in a party of three that will be accommodated in a single room.

Throughout this trip the accommodation varies in style, standard and size. In Jerusalem, we stay in a centrally located hostel in what was once the post office building. However, to clarify we have graded the accommodation as 'standard hotel' because although the property features dormitory rooms, all Explore customers stay in private twin-share accommodation with en-suite. Whilst the rooms are small and simply furnished, they are clean and all feature private bathroom facilities, making it a great base from which to explore this historic capital city. The main highlight of this accommodation is its central location, with many of Jerusalem's highlights just a walk away and access to the city's modern tram just 100m away.
