DAY 1 - Holiday starts in Alberobello

Your holiday starts in the UNESCO World Heritage town of Alberobello, famous for its Trulli (round conical-roofed houses). After checking in to your hotel, you may choose to spend the rest of your day exploring the town's picturesque whitewashed streets. Your bike will be delivered either today or tomorrow morning and you will be required to sign an agreement of care upon receipt of the bike. Details of how to reach the start point of your holiday can be found on our website in the tour specific 'dates and prices' section by clicking on 'Joining Info' and then the 'Show More' button.

DAY 2 - Cycle through the Murgia region to Ostuni

Hopping onto your bike, your cycling route commences through the culturally-rich Murgia region, where you will pass olive groves, vineyards and classic 'Masserie' farmhouses. The Medieval town of Cisternino, with its brilliant DOC wine, is worth stopping off in. Your base for tonight is the picturesque town of Ostuni. Positioned close to the Adriatic Sea and fortified by ancient walls, the town's chic shops, bars and restaurants attract many Italian tourists. However, it is its fifteenth century cathedral which is its real draw card, described by many as 'enchanting.' Your total cycling distance today is approximately 40 kilometres (total ascent 300 metres, total descent 500 metres).

Accommodation: Hotel La Terra (or similar)

DAY 3 - Pedal through the Salento region to Gallipoli

This morning you cycle down to Ostuni train station where you catch the train to Lecce, from where you commence your ride through the Salento region. You take the bike with you on the train but your luggage is transferred separately to the hotel. Please note it is not possible to pre-book this train ticket, so you need to purchase this locally. Once outside Lecce it is just you and nature as you pedal across flat countryside, passing the occasional olive tree, pine tree forest and sand dune. Along the coast, you will pass several good swimming spots and some ancient seaside watch towers as you approach the Medieval fishing town of Gallipoli, which, in contrast to the landscape you have passed through, is bursting with life. Your total cycling distance today is approximately 56 kilometres (total ascent 240 metres, total descent 330 metres).

Accommodation: Hotel 33 Baroni (or similar)

DAY 4 - Bike to Puglia's southernmost tip

From Gallipoli, you will pedal along a coastal road to the southernmost point of Puglia, where the Ionian and Adriatic Sea meet. En route, we recommend a relaxing break and refreshing dip at the paradisiacal Torre del Pizzo Beach, where you will be greeted by pristine white sand and turquoise water. Continuing south to your nightstop in Santa Maria di Leuca, this town is famous for its lighthouse, great beaches and wacky, colourful mansions. Your total cycling distance today is approximately 51 kilometres (total ascent 200 metres, total descent 170 metres).

DAY 5 - Pedal the coastal route to Otranto

Today's cycling journey takes you along the high coastal route, winding your way along gentle, undulating cliff tops, with a cooling sea breeze fanning your face. The phenomenal beauty of this coast is likely to encourage you to make frequent photograph stops. On your route, we recommend stopping off at the spectacular Zinzulusa Cave - one of the most endangered karst ecosystems in the world. Today's destination is Otranto, a Greek-Roman port town with an imposing castle. Your total cycling distance today is approximately 51 kilometres (total ascent 520 metres, total descent 530 metres).

Accommodation: Hotel Albania (or similar)

DAY 6 - Cycle through Greek Salento to Lecce

On your final day of cycling, you will pedal alongside the Alimini Lakes, running parallel to the sea, before heading into the Cesine Coastal Nature Reserve. Managed by the WWF, here you will find dense forest and typical Mediterranean flora and fauna. Cycling through the countryside of Greek Salento, this area is inhabited by the Griko people - an ethnic minority with Greek origins. You will notice that their language is akin to modern-day Greek and their food and architecture also draw many similarities. Later, you will arrive in Lecce - a stunning city in which to spend the last night of your tour. Nicknamed the 'Florence of the South' because of its rich Baroque heritage, the city's palaces, churches and statues are made from the famous local stone and are well worth exploring. Your total cycling distance today is approximately 52 kilometres (total ascent 120 metres, total descent 90 metres).

Optional activities

Day 3 - On arrival in Gallipoli you may wish to visit the ornate Basilica of Saint Agata. Day 5 - Stop off today during your cycling to explore Zinzulusa Cave. Day 6 - There are lots of sites to visit in Lecce, including the Basilica di Santa Croce, the Piazza del Duomo and the Roman amphitheatre.

Clothing

Bring cycling gear such as quick drying cycle tops, padded cycle shorts and cycle gloves. The sun can be very strong in the south of Italy though at the start and end of the season you should bring a warmer jacket/fleece. A waterproof cycle jacket is recommended in case of rain. A light windproof jacket is always useful.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into

the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling. Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage: On tour

Bring one main piece of baggage as per your airline luggage allowance, maximum 20 kg per person. Remember you are expected to carry your own luggage during transfers by public transport so don't overload yourself. Luggage transfers between hotels are normally arranged by the hoteliers. Mark your bags clearly and leave them at the place and time arranged with them. When travelling on public transport you should always take your luggage with you.

Luggage transfer

Included between each hotel.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage. Maps - Along with the destination manual and route notes you will be sent a set of maps that have been created specifically for this trip to help you navigate. The route is marked on each map together with a series of numbered waypoints which correspond with instructions in the route notes. Should you wish to purchase a more detailed commercially produced map we recommend the following:- General maps Puglia 1:200.000 TCI Touring Club Italiano, ISBN: 8836548261
