Climate

Overall, spring, early summer and autumn are ideal times for a Spanish trip - though the weather varies enormously from region to region. The high central plains suffer from fierce extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. Spain's Islands the Canaries and Balaerics experience very mild winters and warm summers making them ideal year round destinations.

Budgeting and packing

Clothing

Bring some lightweight clothing for pleasant, balmy days (including shorts for walks when warmer), but remember that temperatures drop with altitude and that evenings may be cool so also bring a warm sweater or fleece. As mountain weather is changeable it is important to bring a light waterproof and windproof outer garment.

Footwear

Walking or trail boots with good ankle support are essential, plus comfortable trainers/sandals for relaxing.

Luggage: On tour

Bring one main piece of baggage as per your airline luggage allowance, maximum 20 kg per person. Remember you may need to carry your luggage at times so don't overload yourself. Luggage transfers between hotels are normally arranged by the hoteliers. Mark your bags clearly and leave them at the place and time arranged with them. When travelling on public transport you should always keep your luggage with you.

Luggage transfer

Included between hotels.

Equipment

Bring a water bottle, torch, sunhat, sunscreen and sunglasses. A trekking pole is recommended for the steep descents. Maps - Along with the destination manual and route notes you will be sent a set of maps that have been created specifically for this trip to help you navigate. The route is marked on each map together with a series of numbered waypoints which correspond with instructions in the route notes. Should you wish to purchase a more detailed commercially produced map we recommend the following:- General Maps Mallorca, scale: 1:75000 ; Publisher: Freytag und Berndt Mallorca - Tramuntana, scale: 1:50000 ; Publisher: Freytag und Berndt Topographic Map Tramuntana Central-Mallorca, scale: 1:25000 ; Editorial Alpina
