Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join tour in Negombo

Our tour begins this afternoon in the small fishing town of Negombo. Located just 15 minutes drive from Colombo Airport we can check in and recover from the flight.

Accommodation: Jetwing Blue (or similar)

Premium Hotel

Single room available

Meals Provided: None

DAY 2 - Travel to our campsite at Willpaththu National Park

Leaving the capital, our journey takes us northwards along the coast to the fishing port of Negombo. We will pause to visit a nearby fishing village where the catch is made in traditional style large outrigger canoes, known locally as 'oruvas'. We may also see the toddy tappers climbing tall coconut trees and collecting sap from the flowers to make Arrack, a local whisky type spirit. Our destination is a campsite based on the outskirts of Willpaththu National Park. We choose to visit this park, rather than the more touristy Yala National Park further south because we believe it offers our customers a better experience. The same animals can be seen here as in Yala, however it is less crowded, making our visit more enjoyable and responsible. We spend two nights here in fixed tents with beds, all linen and towels provided. The campsite has shared bathroom facilities with flushing toilets.

Accommodation: Mahoora Tented Camp Wilpattu (or similar)

Premium Camping

Single room available

Meals Provided: Breakfast & Dinner

DAY 3 - Take two game drives in search of leopards

Today we take two game drives in to Willpaththu National Park with a trained naturalist. Despite Wilpatu National Park's location in Sri Lanka's dry zone, it boasts nearly 60 lakes and is renowned for leopard, elephant and sambar deer sightings. The group will be split up in to jeeps and explore the park in the hope of spotting a leopard.

Accommodation: Mahoora Tented Camp Wilpattu (or similar)

Premium Camping

DAY 4 - Visit a giant Buddha and the cave temples at Dambulla

Leaving Willpaththu we pause to view the magnificent Standing Buddha of Aukana, which stands 12 meters high. Sculptured in the 5th century by a master craftsman, it is still relatively isolated in its jungle setting. We then drive to Dambulla, where a great series of caves have been turned into temples (dating from the 1st century BC). We will visit five separate caves, which contain a large number of Buddha images and a few sculptures of Hindu Gods. In one of the caves there is an incredible Reclining Buddha measuring 14m long! This World Heritage Site is visited by crowds of worshippers. We reach our resort in Dambulla in the late afternoon.

Accommodation: Jetwing Lake (or similar)

Premium Hotel

Single room available

Meals Provided: Breakfast

DAY 5 - Climb Lion Rock and explore ancient Polonnaruwa

In the morning we drive to Sigiriya where we climb to the Sky Fortress. The ruins of this 5th century fortress are one of Sri Lanka's major attractions, a stupendous sight to behold and a feat of consummate engineering skill. A switchback series of steps and steel stairways (sometimes steep and challenging) ascend to the top. Halfway up, tucked beneath a sheltering overhang of rock, are the famous frescoes - the Sigiriya Damsels, their colours still glowing. Magnificent views can be enjoyed from the summit of the rock palace. After lunch we explore the ancient city of Polonnaruwa, which reached its height of glory in the 12th century. The city still has many interesting and spectacular buildings and monuments. There is the Royal Palace Group with its Audience Hall, Bathing Pool and Quadrangle - a very compact collection of ruins. Close by is the Circular Relic House, a curious round structure with a beautifully preserved moonstone carved at the foot of a flight of steps. Another famous feature of the deserted city is the group of carved images of the Buddha known as Galvihara. Here there are four colossal figures, all of which are hewn out of solid granite. Later in the afternoon we return to Dambulla.

DAY 6 - Drive to Kandy and visit the Temple of the Tooth

Lying in the mountains 112km northeast of Colombo, Kandy is, in climatic terms, a world apart due to its altitude of 500m above sea level. The town was captured by the British as late as 1815, and is known more for its cultural and spiritual importance rather than its history. Buddhists from all over the world come to this delightful old highland town, specifically to visit the Temple of the Tooth, the Dalada Maligawa. The costly jewelled shrine of the Holy Tooth (said to be 3.5cm long by 1cm thick and Buddha's left canine) is kept in the upper floor of the original building. This relic was brought from India 1,500 years ago and every year, at the time of the August full moon, it is paraded round the town with great pomp and circumstance. During this ten-night festival of Perahera, the Tooth (or a model of the original) is borne along on a richly decorated elephant, surrounded by saffron-robed monks and Kandyan dancers. Kandyan dancers can also be seen performing every night at one or two locales around town. This afternoon's sightseeing includes attending the Temple of the Tooth Ceremony and a visit to the Peradeniya Botanical Garden.

DAY 7 - Spend a free day exploring the relaxed town of Kandy

DAY 8 - Visit a tea factory en route to Nuwara Eliya

This morning we head off across the highlands, through green rolling hills covered in tea plantations, visiting a working tea factory en route to the hill station of Nuwara Eliya. After checking into our hotel we'll take a tour around this little town, known as Little England, famous for its lake, golf and race course and well manicured gardens.

Accommodation: Grand Hotel (or similar)

DAY 9 - Take a walk on Horton Plains or relax in Nuwara Eliya

We head out this morning to Horton Plains, situated on Sri Lanka's highest plateau between altitudes of 2000m and 2300m. Traditionally named Mahaeliya, the park's main attraction is the thrilling escarpment known as World's End which offers stunning views across the tea plantations. We aim to trek to World's End in the morning when the air is clear and the views are best. Although the area is now devoid of elephants, we may be lucky enough to see other flora and fauna such as sambar deer. Returning to the hotel in the early afternoon, there is time to refresh and relax; maybe even a round of golf on the adjacent golf course!

Accommodation: Grand Hotel (or similar)

Premium Hotel

Single room available

Meals Provided: Breakfast

DAY 10 - Drive to Galle and take a walking tour of the fort

Today we make our way to the coast and the pretty town of Galle. Although there is still evidence of damage from the 2004 tsunami all along this coastline, the international relief effort has put the area on a fast path to recovery; and the brand new infrastructure is allowing local communities to benefit from tourism once again. In the late afternoon we visit the old, walled town of Galle itself. Important as a trading port for the Portuguese since the 16th century when the fortress was constructed, it has undoubtedly been a trading centre since ancient times.

Accommodation: Jetwing Lighthouse Hotel and Spa (or similar)

DAY 11 - A free morning in Galle before driving to Beruwala

Galle has a variety of activities and attractions to occupy your free time. You may choose to hire snorkelling equipment and explore the corals or take a sea trip around the coast. Alternatively travel up river past small largely uninhabited islands. There is plenty to see particularly in the old fort area, which was designated as a World Heritage Site in 1988. Overlooking the sea, the fort ramparts protect the harbour, old houses, churches, warehouses and the Arab quarter. Between December and April there may be the opportunity to go on a whale watching trip from nearby Mirissa. In the late afternoon we drive up the coast to Beruwala.

Accommodation: Eden Resort and Spa (or similar)

Lightweight rainwear is also essential, and warmer clothing for the highland walks and chilly night temperatures in the mountains. When visiting religious sites you will need to dress respectfully by covering your knees and shoulders as well as taking off your shoes and hats. You may like to wear socks for temple visits as the ground can get very hot and burn the soles of your feet. You will need to bring long trousers, or buy a sarong locally.

Footwear

Lightweight shoes and sandals. You may consider taking some walking shoes/boots for the visit to Hortons Plain.

Luggage

20kg

Luggage: On tour

One main piece of baggage and a daypack. Remember, hotel porters are not always available, so don't overload yourself.

Equipment

A water bottle is recommended for walks. There are leeches in the highlands and you may wish to consider bringing leech socks with you.

Tipping

Explore leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

In this area, tipping is a recognised part of life. Although Explore pays most gratuities for the smooth operation of the tour, some local staff will still look to members of the group for personal recognition of particular services provided. Accordingly, you should allow £40 for tipping. Your tour leader will account to you for any organised tipping.

Accommodation notes

Booking a Single Room

All of our group tours are planned and operated on a twin-share basis, meaning that the standard cost is based either on individual travellers sharing accommodation with another group member of the same sex, or people who book together sharing accommodation. Please refer to the tour notes where the single room option availability is detailed on a night by night basis for this tour, and the price for the available nights is detailed on the dates & prices tab by departure date. For Self-Guided trips the Single Room supplement offers the option of a single room each and is charged per person. The Single Room supplement also applies to the third person in a party of three that will be accommodated in a single room.

Traditional Sri Lankan cuisine is excellent, and although it can be very spicy there are many dishes that feature cooling coconut milk or have a spicy sambar on the side to allow you to adjust the meal to your taste. There isn't a culture of eating out in Sri Lanka, most locals will eat at home, and as such there are very few restaurants around, and those that exist tend to be in hotels. As tourism develops a few independent restaurants are beginning to appear, mainly in Colombo but also in Kandy, Galle and in the coastal resorts. During the tour we will endeavour to eat out at local restaurants wherever possible but for many nights, at this point in time, the hotel restaurants are the only option available.
