## Trip information

### Country information

#### South Africa

##### Climate

Mild throughout the year and can thus be visited year round. The Western Cape has a Mediterranean-type climate, with warm, dry summers and cold winters with rainfall. Summer runs from November to March, with temperatures averaging 22oC to 34oC. The months of April and October are generally warm and sunny. Winter is also a good time to visit as towns and sites are not so crowded and the countryside is more verdant, but it can be cold. Seasonal weather patterns can be unpredictable.

### Budgeting and packing

#### Clothing

Clothing should generally be lightweight for the day. Also take some fleeces, long trousers, a waterproof and windproof jacket. Take a swimming costume and towel.

## Footwear

Walking boots, trainers or sandals for relaxing/travelling in.

## Luggage

20kg

### Luggage: On tour

Take a tough soft bag or holdall (or rucksack with detachable frame) suitable to be carried by 4WD vehicle. Total allowance: 44lb/ 20kg maximum (due to weight restrictions on our vehicle). Also take a daypack for items needed during any activities and game drives (20-30 litre).

## Equipment

Take a torch, sunhat/sunscreen and insect repellent. Mosquito nets are not required as the accommodation provides screening where necessary.

While tap water in South Africa's urban area is drinkable, some people may take a few days to acclimatise and thus may experience traveller's tummy. Therefore we recommend for you to travel with a reusable filtered water bottle such as the ones featured at Water-to-Go: <http://www.watertogo.eu/>

## Tipping

### Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

### Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow £25.00 per person for group tipping.

## South Africa

### Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price
£6	£12	£1.2	£1

**Local currency**

Rand.

**Accommodation notes**

During this trip we will stay in a variety of accommodation including safari lodges, cabins, homesteads and simple cottages. Accommodation is often small, family run and may feature shared bathroom facilities. More than just B&Bs; individually styled and tastefully furnished and often lovely gardens and a pool. The properties we use give a real taste of traditional South African hospitality and we love supporting these small local businesses.

**South Africa****Food and drink**

Dietary requirements: Most restaurants and hotels in South Africa do not have a wide selection of vegan and vegetarian choices. There is usually a choice of salads and one main vegetarian and/or vegan main dish on the menus, but choice will be limited especially in more remote locations. If you have specific dietary requirements we do recommend for you to bring some food with you.
