## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Join trip in Kolkata (Calcutta)

Our trip begins this evening in Kolkata (Calcutta). Once the capital of British India, Kolkata has had a turbulent past. It was central to the struggle for Indian independence and thousands of Bengali refugees came here at the start of the 1900's. It is a city of striking contrasts and can be overwhelming initially, but the unusual sights, pungent smells and the chaotic sounds of the country's second largest city are an experience unique to India.

Flights to Kolkata often arrive in the middle of the night, so while the trip begins today we will expect some of the group to arrive in the early hours of day two.

## DAY 2 - Explore Kolkata's temples and historic buildings

Today we intend to explore this most interesting of cities, with a tour of some of its major sites. We plan to visit St John's Church and the many historic Raj buildings around Dalhousie Square, the Jain and Kali temples and the magnificent marble dome of the Victoria memorial, where the sumptuous grandeur of European and Mughal influences come together in a blaze of white marble. We also visit the clay modeller's village of Kumartuli where the potters spend all year creating a wealth of images and idols for the annual festivals and, as the time approaches for the models to be prepared for the coming pujas, the streets are filled with an overwhelming display of brightly coloured and richly attired idols.

## DAY 3 - Discover more of Kolkata; visit to Belur Math and Dakshineswar Kali Temple

We will pay an early morning visit to the colourful flower market where tons of brightly coloured marigolds are sold by traders, before driving to Belur Math on the banks of the sacred Ganges. A place of pilgrimage for people all over the world, the site is famous for its tranquil setting and the architecture of its buildings, in particular the Ramakrishna temple which is designed to celebrate the diversity of Indian Religions and resembles a temple, a mosque, a church when viewed from different vantage points. After exploring Belur Math we'll take a short boat ride across the river to the Dakshineswar Kali Temple. Constructed in the 19th century by wealthy widow Rani Rasmani, it is said that the goddess Kali appeared to her in a dream promising to manifest herself at the site if a temple was constructed in her honour.

#### DAY 4 - Search for wildlife in the Sundarbans

After breakfast this morning we leave Kolkata for the unique landscapes of the Sundarbans. Translating as the 'beautiful jungle', this UNESCO World Heritage setting is home to one of the largest mangrove forests on the planet. Set amongst a vast delta that is fed by the waters of the Padma, Brahmaputra and Meghna Rivers, the area is a haven for Bengal tigers, crocodiles and a remarkable diversity of birds. A short cruise takes us to the Sundarban Tiger Camp, our base for the next two nights. We'll have lunch before heading out by boat again to the Sajnekhali Tiger project area. There is a small museum and a watch tower for spotting tigers and other wildlife, and a crocodile enclosure and a turtle hatchery which helps preserve these endangered animals. The nearby heron sanctuary is a beautiful spot, and Egrets are common visitors to this part of the jungle and are likely to be spotted.

Other wildlife we can see includes Fishing cats, Leopard cats, Macaques, Wild boar, Indian grey mongoose, Pangolin, and Chital, as well as an abundance of birdlife. We'll make a stop at Dobanke Watch Tower where we'll enjoy a canopy walk to view the animal and bird life at the tree tops, and visit the spotted deer rehabilitation centre. In the afternoon we pay a visit to some of the local villages where we'll get an insight in to local culture and life, including the challenges of living with Bengal Tigers as neighbours.

### **DAY 7 - Continue to Darjeeling and visit a tea estate**

Our train is scheduled to arrive in to New Jalpaiguri station at 08.00 and we'll stop for breakfast before continuing by road to the hill station of Darjeeling. In the days of the Raj the Bengal government escaped from the Calcutta heat to take up its official summer residence here and today's city dwellers still do likewise with Darjeeling being a popular holiday spot. At 2134m, the town is beautifully situated on a mountain ridge; the near vertical streets are crowded with a colourful mixture of Hindus and hill tribes - Lepchas, Bhutias and Tibetans among them. On a clear day the views over the mountains to the snowy Himalayan peaks are magnificent. There'll be time to relax after the train journey before enjoying an afternoon orientation walk of the town and a visit to a tea estate. ### Budgeting and packing

### Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Some free time has been allowed for you to explore on your own or with your travelling companions.

### Clothing

High altitude night temperatures in the Himalaya are cold so make allowance for warmer clothing, including jumpers, warm pyjamas, and socks, and a waterproof accordingly. On the Gangetic plains, only lightweight clothing is needed from March to November. If travelling from December through February you will need at least some warmer clothing for evenings. Local people may be offended by western styles of dress. Brief shorts, tight fitting clothing etc. should be avoided by both men and woman. When visiting the Dzongs in Bhutan you will need to make sure legs and arms are fully covered so wear long-sleeved shirts/ t-shirts, trousers as well as closed shoes.

### Footwear

Comfortable closed shoes suitable for walking and sandals. Good walking shoes are needed to walk to the Tigers Nest monastery.

### Luggage

20kg

### Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

## Equipment

Bring a personal water bottle, sunhat, sunscreen, torch and mosquito repellent. You may also like to bring walking poles for our walk to the Tigers Nest Monastery.

## Tipping

### Explore leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

### Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow for 70USD for tipping. This tip will need to be provided to the tour leader in USD rather than GBP.

### Recommended Currency For Exchange

GBP/US\$ are the best currency to change into local currency.

## **Transport, Accommodation & Meals**

### **Transport Information**

Bus, Boat, Flight

### **Accommodation notes**

Accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties, camp sites and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

### **Food and drink**

Bhutan

Food in Bhutan whilst delicious can be a little on the repetitive side. Most meals consist of fresh vegetables, locally grown red rice and often a meat dish. Vegetarians will eat well as many Bhutanese are totally vegetarian in accordance with their Buddhist faith. Every meal comes with Bhutan's national dish, chilli's with cheese! It might sound a little odd, and perhaps concerning for those not comfortable with spices but it's very tasty and a great accompaniment to a meal. The chillis vary in heat and are smothered in a cheese sauce made from yak cheese. It is usually served as a side dish so you can be as brave as you like!

### **Joining Tour Abroad**

Customers booked on the 'Land Only' arrangements will now receive a Free Transfer, provided you arrive and depart on the tour only itinerary start and end dates. The complimentary transfers will be arranged from the Explore designated airport or train station to your trips joining point, and then back from the ending point to the designated airport or train station. Generally the airport or station that Explore have selected will be the one that is closest to the town or city where the trip starts, or the one nearest to the joining point. It will be either an airport or train station but not both.

The exception to this rule is customers who are booked on a tour where the joining and ending point is at

the designated airport or train station.

Free transfers are not available for Self-Guided, Polar, Tailormade or Tours for Churches customers.

If you are not eligible for the Free Transfer then you will need to make your own way through to the joining and ending point. On a majority of our tours Explore will be able to provide a private transfer at an additional cost. Please ask for a quote at the time of booking.

## **Insurance**

It is a condition of booking with Explore that you have adequate valid travel insurance. It is your responsibility to arrange appropriate travel insurance and ensure you have read and understood the full terms and conditions of your travel insurance policy to ensure that you are covered for all activities you intend to undertake whilst on the tour, including all optional activities. Your Insurance Policy must fully cover you for medical expenses and emergency repatriation to your home country. Please ensure your policy includes medical emergency helicopter evacuation in the event of illness or injury and covers the entire duration of your holiday. If you are trekking at altitude please ensure that there is no upper altitude limit which may limit or exclude cover for your trip. The cost of many of our Polar Voyages will exceed the capped amount covered by standard insurance premiums and you will be required to pay an additional premium to cover the full value of your trip. Please ensure that you are covered for the full amount of your holiday cost, as insufficient cover could invalidate a claim under the policy. Medical and repatriation insurance cover is not mandatory for UK residents who are travelling on trips within the United Kingdom.
