Budgeting and packing

Clothing

Weather is changeable in the mountains and it can be cold, especially at night, so bring a warmer jacket/fleece.

Bring layers to enable you to be comfortable no matter what the temperature as this could easily fluctuate throughout the day.

A waterproof jacket is essential at all times in case of rain, you may wish to bring waterproof trousers as well.

You should dress with respect in the rural villages so bring some long trousers. Don't forget your swimming costume.

Footwear

We recommend you bring walking boots with ankle support- leather or fabric are both fine. Make sure that your boots are worn-in and comfortable before the start of the trip. Also trainers or sandals for relaxing and general wear.

We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

Tipping

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Although entirely voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approx. €20 for tipping.

In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.

Booking a Single Room

All of our group tours are planned and operated on a twin-share basis, meaning that the standard cost is based either on individual travellers sharing accommodation with another group member of the same sex, or people who book together sharing accommodation. Please refer to the tour notes where the single room option availability is detailed on a night by night basis for this tour, and the price for the available nights is detailed on the dates & prices tab by departure date. For Self-Guided trips the Single Room supplement offers the option of a single room each and is charged per person. The Single Room supplement also applies to the third person in a party of three that will be accommodated in a single room.

Due to the size of the accommodation in the National Park areas a single room is only available on the first and last nights on this trip. On days five and six we stay at Pisha Villa in Thethi, this is a traditional Albanian family house and the rooms are simple but comfortable. There are modern bathroom facilities with showers, but not en-suite, towels will be provided. The number of rooms are limited and they accommodate two to eight people in each so you may be sharing with other members of the group for these two nights. A private room at the Pisha Villa is available on request only, costing £80 please discuss with the sales team.

Please check the latest requirements with your travel clinic or doctor prior to departure. The above is not an exhaustive list.
