DAY 2 - See the wonder of Victoria Falls and optional rafting

Visit one of the natural wonders of the world, Victoria Falls, known locally as The Smoke that Thunders. The Zambezi River plummets over a sheer cliff wall spanning more than 1,600m and drops approximately 100m into the abyss below. Like David Livingstone before us, we become aware of the falls long before

we see it. Plumes of water vapour rise like smoke into the sky creating small clouds, all accompanied by a deafening roar.

This afternoon is left free to take advantage of the many activities that Victoria Falls offers including an optional half day game drive into Mosi-oa-Tunya National Park to search for white rhino, trying out whitewater rafting on the Zambezi, enjoying a scenic helicopter flight over the falls or perhaps experiencing a cultural village trip. Alternatively you may want to take advantage of the more sedate attractions such as the National Museum or the Railway Museum (or to give it its full title, The Zambezi Sawmills Locomotive Sheds National Monument!)

ACCOMMODATION:
Bushfront Lodge (or similar)

Grade: Simple Lodge

SWIMMING POOL AVAILABLE

MEALS PROVIDED: BREAKFAST

DAY 3 - Boat across Zambezi, drive to Kasane in Botswana. Afternoon Game drive

Leaving our lodge this morning, we take a local boat across the Zambezi River and base ourselves just outside the Serondela area of the Chobe National Park. During our stay in Kasane, there will be time to enjoy a late afternoon game drive into Chobe National Park.

DAY 4 - Morning game drive with afternoon boat cruise

On our game drive this morning we hope to watch huge herds in and around the great Chobe River, which also teems with hippo and crocodile as well as a variety of fish including the tiger fish (freshwater barracuda). This afternoon our mode of transport switches to a boat as we take to the water and view the wildlife from a different perspective. The Chobe River is one of the Zambezi's main tributaries, and home to an abundance of wildlife. The area is also famed for its beautiful scenery and magnificent red and gold sunsets.

ACCOMMODATION:
Kwalape Safari Lodge (or similar)

Grade: Simple Lodge

SWIMMING POOL AVAILABLE

DAY 5 - Travel to our houseboat via the Caprivi Strip

Taking advantage of an early start this morning, we head west via the Caprivi Strip in Namibia, to reach our houseboat on the waters of the Okavango River where we arrive in the mid afternoon. The mighty Okavango is the third largest river in Africa and its delta area covers 16,000 square kilometres of crystal clear channels, a myriad of ephemeral lakes and ever changing islands. The river flows south east from the Angolan highlands over 1,000 km away, taking up to 6 months to reach the delta area which floods on an annual cycle.

ACCOMMODATION:
Houseboat (or similar)

Grade: Standard Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 6 - Game safari in the Okavango Delta

During our time on the river, there will be an excellent possibility of seeing game as we cruise past submerging pods of hippos, while crocodiles bask in the shallows and on the riverbanks. Birdlife in the area is prolific and local fishermen are often seen aboard their traditional dugout canoes, known locally as mokoros. We include a boat trip to experience the areas of the Delta that are harder to reach, cruising into channels where hippos and crocodiles are usually sighted. We return to our houseboat in the golden light of the late afternoon where we can enjoy a traditional 'sundowner'. This is a home away from home where you can enjoy the surroundings of this part of Africa.

ACCOMMODATION:
Houseboat (or similar)

Grade: Standard Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 7 - Visit Tsodilo Hills and drive to Maun

Leaving our houseboat this morning, we make our way to the intriguing Tsodilo Hills. The San Bushmen believe that this was the site of the first creation and so it is considered a holy and sacred place. The area has an astonishing 3,500 rock paintings over 350 different sites which all celebrate this event. There are four mountains that jut out of the expanse of the surrounding land and the San Bushmen believe that the bigger rock, the male, has a wife and child, but that he left his wife for a younger wife who now lingers in the background. After our visit here we drive to the town of Maun, located on the southern reaches of the Okavango Delta and the gateway to the Moremi Game Reserve.

ACCOMMODATION:
The Sedia Riverside Hotel (or similar)

Grade: Standard Hotel

SWIMMING POOL AVAILABLE

MEALS PROVIDED: BREAKFAST & LUNCH

DAY 8 - Drive into the Moremi Game Reserve

We drive into the Moremi Game Reserve and to our camp. Tucked into the north-eastern sector of the Okavango Delta, Moremi is thought to be the country's most beautiful game area and is rated as one of Africa's greatest wildlife sanctuaries. It covers an enormous wilderness area composed of permanent swamps, islands, forest and dry land. Exceptional though the geography of the Delta may be, it is the amazing wildlife of the waterways that draws many visitors and we plan to do a late game drive this afternoon before our first night's camping experience.

ACCOMMODATION:
DWNP Public Campsite (or similar)

Grade: Simple Camping

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 9 - Game drives in Moremi

With a number of game drives planned for today, we get the chance to experience one of Africa's most natural and unspoiled wonderlands in the park with hippo, crocodile and a great variety of birds all seen in the Delta, as well as the elusive sitatunga antelope. This place is an ornithologist's paradise with fish eagle, kingfisher, heron, stork, egret, weaver and bee-eater all regularly seen.

ACCOMMODATION:
DWNP Public Campsite (or similar)

Grade: Simple Camping

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 10 - View game on the flood plains

We spend our time on game drives in search of the wildlife of the region, with the larger mammals like elephant, giraffe and zebra being spotted on the flood plains as well as predators such as lion, leopard and wild dog.

ACCOMMODATION:
DWNP Public Campsite (or similar)

Grade: Simple Camping

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 11 - Drive back to Maun with evening cultural show

We take a leisurely drive back to Maun with the afternoon free for optional activities or just to relax at our hotel. Tonight allows for a cultural evening where we can sample hand made crafts directly from budding artisans, enjoy folklore stories from a local storyteller around a crackling fire and meet local children as part of a grassroots project that builds life skills.

ACCOMMODATION:
The Sedia Riverside Hotel (or similar)

Grade: Standard Hotel

MEALS PROVIDED: BREAKFAST & DINNER

DAY 12 - Tour ends in Maun

Country information

Botswana

Climate

Botswana's regional characteristics, from fertile areas in the east to waterless desert in the centre and south, and a vast delta in the north-west, make for extremes of temperatures and highly variable rainfall. Seasonal weather patterns can be unpredictable.

Namibia

Climate

With a staggering 300 days of sunshine each year, Namibia is a year-round destination, although some may prefer to avoid the heat of high summer. The cold Benguela current keeps the Atlantic coast of the Namib Desert cool and rain-free for most of the year, with a thick coastal fog that lends a mysterious edge to the area. January and February are the hottest months, when daytime temperatures in the heart of the Namib can exceed 40°C (104°F), but nights are usually cool. Winter nights can be fairly cold, but days are generally warm and pleasant.

| +1 | 3 Pin Round | Christian | English, Afrikaans, German |

Zambia

Climate

The main rainy season is from January to March. Rain is widespread and generally falls in the form of a thunderstorm in the late afternoon; grass tends to be long and there is more water about so game is more dispersed. Otherwise it is dry, with low humidity for most of the year. Temperatures reach around 29°C during the day with quite cold nights throughout the year. Early dry season is the most pleasant time for temperatures and the best for bird watching. For game viewing though the late dry season is better

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per family member per week as a guideline.

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow US\$30.00 per family member for group tipping.

For all non-included services and meals on your trip please tip independently at your discretion.

Accommodation notes

On this tour we have opted for simple, basic and clean accommodation that provides value for money and a warm welcome. We have selected an interesting variety of accommodation options including a mixture of lodges, camping and a houseboat.

The accommodation at Livingstone is at a small, relaxed lodge with cottages dotted about lush gardens. At Chobe we stay in a basic lodge with swimming pool and bar area situated close to the banks of the Chobe River with views of the surrounding bush.

Our exclusive houseboat on the Okavango Panhandle has two decks. The lower deck features en-suite cabins and an upper deck with a bar/dining area and open seating area at the rear. Its remote location is fantastic for bird watching and wildlife observation.

Our campsite in the Moremi Game Reserve offers a perfect camping experience; simple enough to give the feeling of really camping out in the African bush, yet with the modern comforts we all hate to do without, such as 'proper' toilets, bucket showers and even beds for our two man tents. The camp can be visited by wildlife such as elephant that wander through the camp as they pass through the site. The family tents include; camp beds, mattresses, sheet/sleeping bags and pillows which are all provided. Camp assistants take care of camp chores whilst camping.
