July and August are the hottest months though the islands are freshened by cooling winds. You'll need your swimming gear and an extra towel. Early and late in the season, there may be an occasional shower and you will need a warmer sweater and/or fleece for the odd chilly breeze whilst we travel between the ports.

### Footwear

Footwear is not generally worn on board but bring trainers, walking sandals for shore excursions or walking shoes for longer walks on the island.

### Luggage

### Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself. Space is limited on board so only bring what you need. A soft bag is strongly recommended as it is more easily stored than a hard suitcase. A daysac is useful for shore excursions.

### Equipment

Water bottle, a torch, sunhat, sunglasses and sunblock. Please note that if you intend to sleep out on deck on some nights, as many travellers choose to do in good weather. Please bring a sleeping bag with you (the sunbathing cushions are available to sleep on the boat but cabin bedding can't be taken on deck).

Limited snorkelling equipment in on board, however we recommend that you bring your own if you wish to snorkel.

### Tipping

#### Explore leader

At your discretion you might also consider tipping your Explore Leader in appreciation of the efficiency and service you receive.

### Local crew

In this region, tipping is a recognised part of life across the service industry. Local staff will look to members of the group for personal recognition of particular services provided.

To assist with this your Explore Leader may organise a group tips kitty for included activities and meals, they will then account for kitty use throughout the tour.

For this we suggest £10 per family member.

For all non-included services and meals on your trip please tip independently at your discretion.

**Booking a Single Room**

All of our group tours are planned and operated on a twin-share basis, meaning that the standard cost is based either on individual travellers sharing accommodation with another group member of the same sex, or people who book together sharing accommodation. Please refer to the tour notes where the single room option availability is detailed on a night by night basis for this tour, and the price for the available nights is detailed on the dates & prices tab by departure date. Room supplement offers the option of a single room each and is charged per person. The Single Room supplement also applies to the third person in a party of three that will be accommodated in a single room.

MV Isidoros II - Our traditional wooden caique has a large sundeck and a comfortable galley for meals and indoor relaxing. There is also a boat ladder to make the most of swimming opportunities.

There are two double cabins on the main deck and six twin cabins on the lower deck. Cabins on the lower deck have portholes and cabins on the upper deck have windows. All are en suite. The cabins are cosy and can get warm in summer as there is no air-conditioning but each is equipped with a fan and all have power sockets (European 2 pin round).
