A selection of optional activities are listed below to help you budget for your Family adventure. ## Clothing

July and August are the hottest months though the islands are freshened by cooling winds. You'll need your swimming gear and an extra towel. Early and late in the season, there may be an occasional shower and you will need a warmer sweater and/or fleece for the odd chilly breeze whilst we travel between the ports.

## **Footwear**

Footwear is not generally worn on board but bring trainers, walking sandals for shore excursions or walking shoes for longer walks on the island.

## **Luggage**

### **Luggage: On tour**

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself. Space is limited on board so only bring what you need. A soft bag is strongly recommended as it is more easily stored than a hard suitcase. A daysac is useful for shore excursions.

## **Equipment**

Water bottle, a torch, sunhat, sunglasses and sunblock. Please note that if you intend to sleep out on deck on some nights, as many travellers choose to do in good weather. Please bring a sleeping bag with you (the sunbathing cushions are available to sleep on the boat but cabin bedding can't be taken on deck).

Limited snorkelling equipment in on board, however we recommend that you bring your own if you wish to snorkel.

## **Tipping**

### **Explore leader**

At your discretion you might also consider tipping your Explore Leader in appreciation of the efficiency and service you receive.

### **Local crew**

In this region, tipping is a recognised part of life across the service industry. Local staff will look to members of the group for personal recognition of particular services provided.

To assist with this your Explore Leader may organise a group tips kitty for included activities and meals, they will then account for kitty use throughout the tour.

For this we suggest £10 per family member.

For all non-included services and meals on your trip please tip independently at your discretion.

## Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.
