## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### **DAY 1 - Join trip at Athens Airport and transfer to Evia Island to board our caique**

Our trip begins at Athens International Airport (airport code ATH) at 7pm. The latest your flight can arrive is therefore 6.30pm. We will travel together as a group by bus to the port of Rafina or Marathon where we catch a ferry to the island of Evia. On arrival it is a short taxi or minibus ride to Karystos where our caique is moored. Before settling into our cabins we meet our friendly boat crew and enjoy a welcome drink.

If your flight arrives earlier in the day, you may have time to wait ahead of our group transfer to Evia this evening. You can make the most of this time by taking the opportunity to explore the nearby city of Athens, which is easily accessible from the airport on regular metro trains - the signage is in English and no changes of train are required. There are also luggage storage facilities available at the airport.

The MV Isidoros II is a traditional family-owned wooden caique with just eight guest cabins that Explore exclusively charters. The caique is listed as a historic vessel and there are fewer than 80 of this iconic Greek designed boat left in existence, so being able to stay aboard is a real treat. It was built in 1962 and was originally used as a cargo ferry before being converted in 1974 to the comfortable passenger cruiser it is today.

Our boat has a large sundeck and a comfortable galley for meals. There is a bar where you can purchase a range of local wine and beer, spirits and soft drinks. There is also a boat ladder and snorkelling equipment available on board to make the most of the many swimming opportunities. All of the cosy cabins are en suite with windows and large fans and there is complimentary Wi-Fi on board. Our boat has a real home from home feel and you are free to move around as you please. You can even choose to sleep on deck under the stars if you wish to enjoy the clear night sky and cool night breeze.

Evia is one of the largest Greek islands, but still remains off of the main tourist trail. In summer and on the weekends you'll find the main visitors are the Greek's leaving the city of Athens to enjoy the waterfront tavernas and uncrowded beaches. Visiting Evia is therefore a very authentic local experience. The rugged

coastline is dotted with market towns, fishing villages, secluded coves and wide sandy beaches. The sea is clear and warm, making it a wonderful spot to swim and snorkel. The pine covered hills provide the perfect backdrop and also help to keep the evenings temperatures cooler.

Please note that the order of the itinerary and inclusions may vary due to weather and cruising conditions.

### **DAY 2 - Sail to the bay of Panagia, a small fishing village lying in the shelter of a fjord.**

Each morning a hearty breakfast is prepared for you consisting of fresh bread, cheese, ham, eggs, cereals, Greek yoghurt, honey, marmalades, fresh seasonal fruits and orange juice with coffee or English tea. Our captain also serves tea and coffee with biscuits or cakes at eleven o'clock on deck.

After breakfast we set sail for our first destination, the bay of Panagia, a small fishing village lying in the shelter of a fjord. En route we will stop to swim in the waters off the rugged and undeveloped coastline. Once in Panagia there is the opportunity to see terrapin turtles in the streams behind the picturesque church of St Mary or swim and snorkel in the fjord waters of the bay.

Lunch is generally a hot regional speciality with a vegetarian option served with seasonal salad and a traditional appetiser.

Dinner will be in one of the small characterful seaside waterfront taverns offering barbecue seafood and traditional dishes with local wine, beer and soft drinks.

We travel via Porto Buffalo, a small fishing village port in southern Evia renowned for its fresh fish, the port hosts a beautiful and private lagoon where we spend time at the sandy beach or if you wish, why not practice jumping off the boat from the top deck into the turquoise Aegean Sea.

We continue at a leisurely pace cruising to Eretria, one of the most well known cities of ancient Greece and the birthplace of our alphabet. The town boasts an extensive archaeological site with a superb museum. We enjoy our evening in the long cosmopolitan promenade watching the small ferries coming and going to the mainland.

### Budgeting and packing

## Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

A selection of optional activities are listed below to help you budget for your Family adventure. Whilst the basic tour price you pay before you travel includes a great selection of highlights, we have also built in free time to allow you the flexibility to choose from a carefully selected range of additional excursions and activities or take time to relax, the choice is yours. At certain destinations along the way there may be several options to choose from and it may not be possible to fit all the activities in; your Explore Leader will be able to give advice on which are the most suitable for your family.

Day 4: Visit Styra village, including transport by taxi, €10 per person (afternoon visit)

Day 7: Visit the Red castle ruins at Castello Rosso for spectacular views across the bay (includes transport by taxi) €10 per person

## Clothing

July and August are the hottest months though the islands are freshened by cooling winds. You'll need your swimming gear and an extra towel. Early and late in the season, there may be an occasional shower and you will need a warmer sweater and/or fleece for the odd chilly breeze whilst we travel between the ports.

## Footwear

Footwear is not generally worn on board but bring trainers, walking sandals for shore excursions or walking shoes for longer walks on the island.

## Luggage

20kg

### Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself. Space is limited on board so only bring what you need. A soft bag is strongly recommended as it is more easily stored than a hard suitcase. A daysac is useful for shore excursions.

## Equipment

Water bottle, a torch, sunhat, sunglasses and sunblock. Please note that if you intend to sleep out on deck on some nights, as many travellers choose to do in good weather. Please bring a sleeping bag with you (the sunbathing cushions are available to sleep on the boat but cabin bedding can't be taken on deck).

Limited snorkelling equipment in on board, however we recommend that you bring your own if you wish

to snorkel.

## Tipping

### Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per person per week as a guideline.

### Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £10 of local currency per family member.

In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.

For all non-included services and meals on your trip please tip independently at your discretion.

## Greece

### Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

£12.00 - 16.00	£3.5	£0.9

## **Transport, Accommodation & Meals**

### **Transport Information**

Bus, Boat, Ferry

### **Accommodation notes**

MV Isidoros II - Our traditional wooden caique has a large sundeck and a comfortable galley for meals and indoor relaxing. There is also a boat ladder to make the most of swimming opportunities.

There are two double cabins on the main deck and six twin cabins on the lower deck. Cabins on the lower deck have portholes and cabins on the upper deck have windows. All are en suite. Please note we don't have single cabins on board, if you are a family of two, four or six you will all get twin cabins. If you are a family of three or five you will still get twin cabins and there is a very small chance, if the trip is fully booked and we have a number of families of three and five that one of your party will need to share with someone of the same gender and age group (i.e. adults will only ever share with adults or children with children).

The cabins are cosy and can get warm in summer as there is no air-conditioning but each is equipped with a fan and all have power sockets (European 2 pin round).

Bath and face towels are provided on the caique, so there is no need to bring your own. A safe for your personal valuables is available in the wheelhouse of the caique.

While our intention is to adhere to the day-to-day route printed, a degree of flexibility is built into the itinerary. Overnight stops and even islands visited, may vary due to weather, sea conditions and the availability of mooring space in harbours.

### **Family swimming**

There is a chance to swim every day straight from the boat.
