Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join tour in Bogota

Bogota is set at an altitude of over 2600m with the high ranges of the Cordillera Mountains lying to the east. The city's name comes from the Muisca indigenous people who inhabited the region before the arrival of the Spaniards in 1538, and the remnants of not only the Muisca empire but of Colombia's many other indigenous cultures can be found in the city's impressive Gold Museum. Bogota boasts grand colonial churches alongside futuristic architecture and a lively cultural scene. Arriving today we check-in to our hotel.

DAY 2 - In Bogota; city tour. Visit to Paloquemao local market

This morning we spend time exploring the city, first delving into local life by a visit to the flea market at Usaquen. Walking down the charming cobbled streets, this market is set in a traditional residential area of the city and is a beautiful place to wander and witness Bogota's artistic side. We also visit the farmers' market at Paloquemao, with its overwhelming array of smells and colours. Colombia is the world's second biggest producer and exporter of flowers, and as well as being an important source of local produce, the market's selection of flowers is enormous and enchanting. In the afternoon, we head to the colourful colonial streets of La Candelaria for a tour of the city. Walking under the balconied houses from where local residents often observe the comings and goings below, we'll cross the vast Plaza de Bolivar encountering some excellent examples of colonial architecture, such as the Catedral Primada de Colombia and San Bartolome College. The visit continues with the Museo Botero, a colonial house filled with works of art by the Colombian artist and sculptor Fernando Botero, famous for his abstract portrayal of people with large, exaggerated proportions. Finally, we will visit the Gold Museum, which is regarded as housing the finest collection of gold from Pre-Hispanic times.

DAY 3 - Cable car up Monserrate; flight to Popayan

This morning we head out of Bogota and take the cable car up Mount Monserrate for magnificent views of the city. On top of the mountain there is a church, whose statue of Senor Caido, the 'Fallen Christ', has become a pilgrimage location for the locals. If weather conditions allow you should be rewarded with fine views across the city and the countryside beyond. In the afternoon we fly to Popayan, often referred to as the 'White City', due to the prevalence of white-walled homes, buildings and churches in the historic centre. Founded in 1537 by Spanish Conquistador Sebastian de Belalcazar, it played an important role during the colonial period as it was the mid-point of gold in the journey between Lima, Quito and Cartagena on its way to Spain. As result of its colonial importance, Popayan's historic centre is one of the most beautiful and well-preserved in Colombia. There are stunning churches such as the San Francisco, Santo Domingo, San Jose and La Ermita. In 2009 Popayan's Easter celebrations were declared by UNESCO as a Masterpiece of Intangible Cultural Heritage of Humanity. On arrival, our Leader will provide an orientation tour on foot.

DAY 4 - Visit Silvia local market and countryside haciendas

This morning we drive to the weekly Silvia indigenous market, run mainly by the indigenous Guambiano people. This is an opportunity to witness the interactions between the local communities that have largely maintained their traditional way of life. We will see open backed vans and lorries bringing locals from the high mountains down to the town to trade at the market - this is a sight in itself as they are using every inch of space, hanging off the back of the bus, pouring out of the doors or riding on the roof with their wares. The market is not geared towards tourism, and local produce, farming supplies and hand-spun textiles dominate the stalls. We leave with the impression of having been transported back in time. After returning to Popayan we have a free afternoon, where we may visit some of the town's art and history museums or alternatively take a trip to visit two of the old 18th century haciendas in the countryside surrounding the city. These historic buildings housed some of the country's most important figures, being built and inhabited by the Mosquera family, one of the most traditional and revered families in Colombia and a producer of two respected ex-presidents. The remarkable architecture of the haciendas is unchanged since colonial times.

DAY 5 - Drive from Popayan to Armenia via sugar cane mill

Setting off early from Popayan we head towards Armenia, the capital of the Quindio department and an important coffee growing centre, where we will spend the next three nights. During our 7 hour drive, we will visit an old sugar cane mill in Palmira, near Cali. This well- preserved 18th century mill has been converted into a museum and presents a fascinating look at how sugar production contributed to the development of the region. After our visit we continue to the countryside around Armenia, where we overnight in an old hacienda with views out to the Quindio Valley.

DAY 6 - Full day exploring surrounding mountains and valleys

After breakfast, we spend time exploring the beautiful rainforest and creeks of the valley with the opportunity to see the multitudes of towering wax palms peppering the mountainsides, along with other flora and fauna. We will also visit the town of Salento, with its colourful colonial architecture that is so characteristic of this coffee growing region, enjoying a typical lunch in the charming town centre. Trout is particular to the area, usually served with plantain and rice, but you may also find yucca and arepas, a type of cornbread eaten by locals throughout the country.

DAY 7 - Visit coffee farm and taste the local brew

This is one of the most attractive parts of the country, and our hotel happens to be situated in the midst of its own coffee farm. Today we'll spend the morning visiting the farm - we will learn about the whole process from the planting of the beans all the way through the picking and roasting process, finishing off with trying the fresh coffee. The coffee in this region tends to be planted in rows extending up the mountainside, and we will be amazed by the physical work undertaken by the pickers in hauling their loads up through the coffee plants. After our visit to the coffee farm we take time to explore Pijao, a local town set atop the mountainside with astounding panoramas around the Andes. This town is integral to the history of coffee in the region, with many plantation owners or coffee vendors having come here to settle and build their homes. Now it is the perfect place to soak up the relaxed atmosphere and taste the product of the region.

DAY 8 - Fly to Medellin; explore on foot and by cable car

This morning we fly to Medellin, and depending on flight time we will arrive in the early afternoon. Medellin has had a colourful history, yet since the death of its most infamous resident, Pablo Escobar, in 1993, the city has gone through comprehensive urban and cultural development. After many years in which the city was considered to be the most dangerous in the world, it now has a reputation for innovation and creativity and is representative of the country's social transformation, with growing industry and projects of social integration. Part of this innovation lies in the building of a cable car system allowing the residents of the poorer neighbourhoods on the steep mountainsides surrounding Medellin to easily commute into the city to work and trade. This has undoubtedly had a huge social impact on the city, and our stay in Medellin is an opportunity to learn more about Colombia's recent, and fascinating, history. This afternoon we'll discover Medellin's past and present during our city tour.

DAY 9 - Full day trip to colourful Guatape town

Today we drive out of the city to the picturesque lakeside town of Guatape, where the houses are painted in glorious pastel shades, and where we will visit the enormous rock of El Penol. This monolith is Guatape's most visited site, and the 650 step climb to the top is well worth it for the astounding views over the town, the lake and the mountains before us. After taking a breather on the top, we descend to the town of Guatape, known as 'Pueblo de Zocalos' for the intricate paintings of animals, musical instruments, flowers and birds found on the lower half of almost every building in the centre. The 'dulce' (sweet) shops and stands are well worth a visit to sample some of the local specialities, with flavours from orange and aguardiente to caramel and yucca. After discovering the cobblestoned streets and lakeside cafes, we return to Medellin.

DAY 10 - Free morning in Medellin, fly to Cartagena and the Caribbean

This morning, we have some free time to explore the city. We have the opportunity to learn about graffiti's artistic, cultural and political context in Medellin and interact with some of the local artists in a street art tour, or visit an organic flower farm in the town of Santa Elena, just outside the city. Alternatively we can remain in the city, perhaps discovering the eccentric Barefoot Park, a zen-inspired public park where children and adults alike are encouraged to wander and play barefoot. Either in the late morning or early afternoon depending on the flight timings we'll fly to Cartagena, hailed as one of the

most fascinating colonial cities in Latin America. Located on the Caribbean coast, Cartagena de Indias was one of the first cities to be founded by the Spanish in South America and today is famed both for its history and beauty. Our hotel is in the heart of the old-town, surrounded by the city walls and the perfect spot from which to wander to one of the city's many fine restaurants and bars. Music and nightlife is at the heart of Cartagena, and our local guide can point us towards one of the many popular salsa bars, where bands are often found playing their lively music to locals showing off their moves on the dancefloor.

DAY 11 - In Cartagena; walking tour; optional trip to Colombia National Aviary

Considered by many as one of the world's most beautiful cities, Cartagena was founded in 1533 by Spanish conquerors as a main port to transport people and their goods into South America, and export gold, silver and all sorts of plants, animals, minerals and handicrafts from all over the continent across the Caribbean and on to Europe. The city quickly became a major trading port, particularly for precious metals, a business which necessitated the construction of defences and massive fortified walls around the old city, now designated as a UNESCO World Heritage Site. Gold and silver from the mines in New Granada and Peru were loaded in Cartagena on galleons bound for Spain via Havana. Today we will take a half day tour with our guide around the old town visiting, among other things, the San Felipe Fort, Convent de la Popa and the Convent de San Pedro Claver. There are plenty of things to do this afternoon, including a canoe trip to the fisherman's village La Boquilla, or a visit to Colombia's National Aviary. Here we have a chance to explore the different ecosystems of Colombia, and discover the varied birdlife in each one, such as the harpy eagle, the Caribbean toucan, the pink flamingo and many other species.

DAY 12 - Free day; optional trip to the Rosario Islands

Today, we have more time to explore this city. Alternatively, we can take an optional boat trip to the Rosario Islands. This archipelago has some great snorkelling, nice beaches and beautiful Caribbean views. This evening there is the chance to take a relaxing horse drawn carriage ride round the beautiful and historical colonial district of Cartagena.

Trip information

Country information

Colombia

Climate

The dry season in Colombia roughly runs from December to March/April and also a slightly 'drier' period from July to September. These are among the best times to travel, although visits outside of these months are very manageable. The Caribbean coast is very hot and humid all year round (always around or above 30°C), although the offshore breeze between December and March makes this a more popular time to visit. Due to the high altitude locations of places like Bogota, Manizales and Armenia temperatures here can be quite cool during 'winter' months (Nov to Mar/ Apr) and the nights are cool to cold at anytime of the year. The coffee harvest seasons are March to May and September to November; it is during these periods that it is possible to see the red coffee beans and watch the whole process of coffee production.

Clothing

For this trip you will need to pack for all weathers, as you travel through several different climatic zones. In the Andes (Bogota and Salento), warm clothing is useful, particularly in the evenings when the temperature can drop sharply at night. Lightweight clothing is necessary for the Caribbean coast with long sleeve shirts and trousers ideal to provide protection from the sun and insect bites. A waterproof is essential as it can rain at any time of year, particularly in Tayrona National Park.

Footwear

Comfortable hiking boots/trekking shoes, shoes and/or sandals.

Luggage

20kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Equipment

A torch, water bottle, good quality sunglasses, sun hat, insect repellent and high factor sunscreen are all essential. Don't forget your swimming things.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow US\$ 40, approx. 134'000 Pesos for group tipping

For all non-included services and meals on your trip please tip independently at your discretion. In restaurants and hotels a 'voluntary' 10% tax for service is included on bills. On top of this, it is common to leave no more than a further 5% for good service

International Departure Taxes

None for UK citizens, Canadian citizens have an entry tax of 68US\$.

Colombia

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Foreign Exchange

Local currency

Colombian Peso (COP).

Recommended Currency For Exchange

You can choose to either change your money in advance or on arrival at the airport. Here you will find both ATMs and Bureau de Change. The exchange rate with the COP is approximately COP 4'200 to the British Pound. We recommend you take some emergency cash in USD as the GBP exchange isn't very good. Notes should be in good condition otherwise they may not be accepted. Please check on line for up to date information

Where To Exchange

Your tour leader can also advise you on arrival.

ATM Availability

ATMs can be found in the major towns and cities for cash withdrawals in COP. Always have some cash back up as they are not always reliable
