Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in San Jose

Our trip begins in San Jose, Costa Rica's capital, in the country's Central Valley

For those arriving on time our Leader plans to meet you in the hotel reception at 6pm and for those that wish, there is the chance to go out for dinner. Due to the number of evening flights into San Jose, your Leader plans to do the welcome meeting on the morning of day two, and will leave a message in reception with details on timings and everything else that you'll need for the day. There are no activities planned today, so you are free to arrive in San Jose at any time. If you would like to receive a complimentary airport transfer today, you'll need to arrive into San Jose's Juan Santamaria International Airport (airport code SJO), which is a 30 minute drive from our hotel.

If your flight arrives earlier in the day, you could choose to head out to explore the city which is easy to navigate with a grid pattern of avenues and streets. The National museum (Museo Nacional De Costa Rica) is also worth a visit. The city is more cosmopolitan than other Central American capitals and is famed for its vibrant nightlife, which you may choose to sample this evening.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow US\$ 60 for group tipping

For all non-included services and meals on your trip please tip independently at your discretion.

International Departure Taxes

Please allow US\$20 for border taxes.
