## Trip information

### Climate and country information

#### Cuba

##### Climate

The dry season is from November to April. Average temperatures are 22-26C. Though the sky is often cloudless during the dry season, cold wet snaps do come in from North America especially in Dec and Jan, when the temperatures can drop to as low as 5C at night. From May to October there are normally fine mornings and clear evenings, afternoon rains tend to be short & heavy. Temperatures are hot and humid.

### Budgeting and packing

#### Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may

depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Havana - Entrance to the Tobacco factory CUC 10, Revolution Museum CUC 8, Museum of Modern Art CUC 5; Optional city tour on bike (no charge)

Soróa - Entrance fee to Orchids garden CUC 3;

Viñales - Excursion to Cayo Levisa approx. CUC 35.

Trinidad - Catamaran trip to nearby islands: CUC 50, Entrance to Town Museum CUC 3.

Please note - most museums in Cuba charge for use of Camera's and Camcorders, this can be up to CUC 7 per usage.

## **Clothing**

Pack for warm and hot conditions. Bring cycling gear such as padded shorts, cycle gloves and quick drying cycle shirts. Remember weather is changeable in the mountains and it can be cool and wet in the high altitude of the Sierra Escambray or even on some evenings in Havana, so bring some warmer clothing too. Wet weather gear is essential at all times in case of rain. Don't forget your swimming costume.

## **Footwear**

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

## **Luggage**

20kg

### **Luggage: On tour**

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike.

## **Equipment**

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

# Tipping

## Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline

## Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow CUC50 for group tipping

For all non-included services and meals on your trip please tip independently at your discretion.

Please note tipping is also customary for musicians and for public conveniences so small notes and coins are always handy.

## Cuba

### Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Dinner price	Beer price	Water price
£12.00-15.00	£2	£1.5

### Foreign Exchange

#### Local currency

Cuban National Peso (CUP)

#### Recommended Currency For Exchange

The CUP is a closed currency so you will not be able to change your money in advance. You will be able to change at the airport on arrival. When changing money, just change a small amount for your first few days and cross-check the amount that you're given with the receipt. The exchange rate with the CUP is approximately CUP 33 to the British Pound. US dollars are not accepted in shops and other businesses, exchanging dollars you will have to pay a 20% commission. We recommend you take clean Euro, Canadian dollars or Sterling cash as these are easier to exchange. Please note that Scottish Pounds are not accepted in Cuba. Please check on line for up to date information The departure lounge Havana airport only accept US\$, Euros or CAN\$. Any spare CUP need to be spent or exchanged before entering the departure lounge.

#### Where To Exchange

Your Tour Leader will advise you on arrival.

#### ATM Availability

Please note ATM are not widely available

### **Credit Card Acceptance**

Please note credit and debit cards associated with American Banks are not accepted. Credit cards are useful and can be used in some places, but may be subject to a service charge

### **Travellers Cheques**

We do not recommend Travellers Cheques.

## **Transport, Accommodation & Meals**

### **Transport Information**

Bus, Bicycle

### **Accommodation notes**

Accommodation and service levels in Cuba have improved in recent years but there is an ongoing trade embargo and lack of investment in infrastructure. Accommodation can be basic, particularly in some rural areas, occasionally with unreliable water and electricity supply. Service levels in government hotels, shops and restaurants are generally poor as this is not a service-oriented western culture. Of course, this is all part of seeing the 'real Cuba' and while we think you'll be pleasantly surprised by most of the hotels we use, you should be prepared for simply furnished rooms, some out-dated furniture and varying levels of service. Most of the hotels do have air conditioning and en-suite facilities.

Casas particulares - This is a Spanish term meaning private accommodation or homestay in Cuba. Staying in a casa offers the visitor a unique opportunity to experience Cuban hospitality in local accommodation adapted for tourism. The number of rooms, quality, facilities and access to other areas of the house such as the living room varies massively but as a general rule the majority of Casas are clean, basic, centrally located and can host only a handful of guests. Casas are generally run by the owner and members of the family that live there and the standard of English spoken will vary from zero to fluent, which is a good opportunity for you to practice your Spanish. Virtually all of the rooms have private facilities but on rare occasions it may be necessary to share. Your Explore Leader will coordinate accommodation arrangements on tour.

## **Cuba**

### **Food and drink**

Food supplies to Cuba are sometimes in short supply as a result of their economic situation as well as the restrictions due to the US embargo. For this reason it is not uncommon for some restaurants and hotels to run short of ingredients. In addition, Cubans tend not to use much spice in their cooking and there can be a lack of variety resulting in the same meals being repeatedly offered. That said, local produce is usually very fresh and often organic.
