## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Trip starts in Granada

Our journey begins in Granada, a colonial architectural gem, situated at the foot of Mombacho volcano on the north-west shore of Lake Nicaragua. Founded in 1524 by the conquistador Hernandez de Cordoba it was the first colonial city founded in Nicaragua. The baroque and renaissance buildings of the old town help to complement this wonderful setting.

The Tour Leader plans to meet you in the hotel reception at approximately 6pm for the welcome meeting. There are no other activities planned today, so you are free to arrive at any time. If you would like to receive a complimentary airport transfer today, you will need to arrive into Augusto C. Sandino International Airport (MGA) in Managua, which is a 45-minute drive from our hotel. There are many evening flights into Managua, so if you do miss the meeting, your Leader will inform you of any essential information as soon as you catch up.

If you arrive earlier in the day, you may want to explore the picturesque cobbled streets and take a break in one of the inviting cafes or eateries.

After returning to our hotel there will be time to explore Granada on foot and some freetime for lunch. The city's narrow lanes and historic buildings are ideal to discover on foot. In the afternoon you have the option to spend more free time in charming Granada or drive to the tranquil setting of Masaya Volcano National Park on an optional excursion to Nicaragua's first and largest protected reserve. The views from Masaya Volcano provide us with a great panorama of the wider setting and we can explore the crater rim by foot. We return to Granada by bus later this afternoon.

Our total cycling distance today is approximately 11 kilometres (total 80 metres ascent and descent)

High up in Catarina village we can enjoy the best views across the spectacular, blue Apoyo Lagoon in the volcanic crater before getting on our bikes for a 20 km ride through the tropical countryside, getting first impressions of villagers' and farmers' lives.

Once we reach the Panamericana Highway we continue by bus and drive to the small town San Jorge where we make the one hour ferry crossing to the volcanic island of Ometepe, set in the expansive waters of Lake Nicaragua - the largest freshwater lake in Central America. On arrival we get back on the bikes and ride 1 hour/13 km to our hotel in Charco Verde (or 2 hours/ 26 km if our hotel is located on Santo Domingo beach), always with the imposing Concepcion volcano on our left.

You may choose to go off road and cycle a section around Maderas island until reaching Finca Merida where you have the possibility of sea kayaking. There are plenty of birds and insects to be spotted in the area and en route we see rural Nicaragua at its best, with lush tropical vegetation and small hamlets. Later you might want to cycle to Alta Gracia village where you can relax and swim at the fabulous Ojo de Agua lagoon or you may prefer to cycle to Santo Domingo beach for some rest and relaxation.

## DAY 6 - Cycle around Arenal Lake and Volcano

A 45-minute drive this morning brings us to the starting point for our ride around Arenal Lake; a challenging route that takes in the spectacular backdrop of the volcano. Set in an area of national park covering some 9,884 acres, Arenal volcano has been especially active since the massive eruption of 1968.

This, along with the impressive manmade Lake Arenal, has helped the area to regenerate through tourism. Since 2010 Arenal's volcanic activity appears to be decreasing. Our challenging ride ends in the town of La Fortuna where we spend the next two nights. For those interested it is possible to start earlier today and ride a total of 68 km (total 1390 metres accumulated ascent and 1850 metres descent).

Our total cycling distance today is approximately 46 kilometres (total 740 metres ascent and 1080 metres descent) with the option to extend the ride.

Our destination is our accommodation located outside Turrialba, amid the central valleys, lush tropical gardens and volcanic peaks of Turrialba Volcano National Park.

Driving up over the nearby mountain ridges this morning we then descend by bus towards the Caribbean coast. After about 2.5 hours we reach Puerto Viejo where we switch from the bus to our bikes and cycle to the border with Panama through a totally different side of Costa Rica; first along the lush, tropical Caribbean coast and later past enormous banana plantations. We then cross the Panamanian border by way of an old railway bridge across which we push our bikes. Once again the border crossing may be very slow and require patience. We then continue by bus (1 hour) to the port of Almirante, from where we take a boat to the Isla Colon and the small town of Bocas de Toro, our base for exploring the stunning archipelago and the equally spectacular Parque Nacional Marino Isla Bastimentos. The archipelago itself is made up of a number of beautiful forested islands lying in warm Caribbean waters and the laid back beaches and dazzling reefs make this the ideal Caribbean paradise to relax or explore. Today's ride has a

## Budgeting and packing

### Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Granada - Masaya Volcano National Park - USD 10-20 depending on numbers.

Ometepe - Sea kayaking USD 25, San Ramon waterfall USD 5

Arenal - Canopy zip wire - USD 50; Hanging bridges USD 60 ;Hot springs - USD 35

Bocas del Toro - Excursions include kayaking, snorkelling or dolphin watching, all approx. USD 25

Panama Canal - Museum entrance fee Miraflores lock USD 15

### Clothing

Bring your cycling gear including shorts and gloves. Remember weather is changeable in the mountains and it can be cool and wet at higher altitude, and even on some evenings, so bring some warmer clothing too. A raincoat is essential at all times in case of rain. Don't forget your swimming costume.

### Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to trip that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

### Luggage

20kg

### Luggage: On tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike. Please note that there is a weight restriction of 7kg for hand

luggage/daypack for international and internal flights.

## Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. It is a legal requirement in Costa Rica to wear a helmet that meets current safety criteria. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. Panniers are not provided so you may wish to bring a light rucksack to wear whilst cycling. Other items to consider bringing are a sunhat and sun cream, travel plug, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

## Tipping

### Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline

### Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow US\$ 40 for group tipping

For all non-included services and meals on your trip please tip independently at your discretion.

## International Departure Taxes

There are several border crossings on this trip - the total cost of border fees will be approx US\$10
