Cycle Belarus Short Break

Join us on this short break exploration of Belarus by bike. Starting in Minsk we dedicate a full day to explore the capital by bicycle and on foot. Leaving the monumental Stalinist architecture of the city behind, we discover the countryside on a cycle ride between 15th century Mir Castle and Nesvizh Castle, both UNESCO World Heritage sites. Finally we cycle through self-sufficient eco village Rosy, a community project where we can learn about post-soviet transition and life in modern day Belarus.

Trip highlights

- ★ **Minsk** - The Belarussian capital: a superb example of Soviet urban planning
- ★ **Nesvizh and Mir Castles** - Visit these two impressive UNESCO World Heritage Sites
- ★ **Belarus by bike** - cycle across the capital; ride between fortresses
- ★ **Eco village Rosy** - Cycle to self-sufficient farm and try local produce

Budgeting and packing

Clothing

When cycling: quick drying cycle tops, padded cycle shorts, lightweight wind and water proof jacket and warmer breathable layers where local conditions require.

General: Pack essentially for warm or mild weather depending on the time of the year plus some warmer clothes for colder nights.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage

20kg

Luggage: On tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike. Remember that you'll have to carry your own luggage so don't overload yourself.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. Bring an eye mask for sleeping during white nights. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Tipping

Explore leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Local crew

Although entirely voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.
