Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip at Tirana Airport. Drive to Pogradec on Lake Ohrid

Our trip begins at Tirana International Airport (TIA) at 1.30pm. The latest your flight can arrive is therefore 1pm. We will travel together as a group in a private bus to our hotel in Pogradec on the shores of Lake Ohrid. The journey will take approximately three and a half hours including a comfort break.

If your flight arrives earlier in the day, you may have time to wait ahead of our group transfer to Pogradec. You can make the most of this time by taking the public bus to Tirana, which takes approximately 35 minutes and buses leave every hour, however, there are no left luggage facilities at the airport so you would need to take your bags with you. Alternatively, you may wish to change some money at the airport and wait in the restaurant outside the terminal opposite Arrivals.

**ACCOMMODATION:**

Enkelana Hotel (or similar)

Grade: Comfortable Hotel**SINGLE ROOM AVAILABLE****MEALS PROVIDED: NONE**

DAY 2 - Cycle from Lake Ohrid to Korça

Once equipped and fitted with our bikes we start cycling from lake Ohrid, climbing to an elevated plateau with some great views over the blue waters of this splendid lake surrounded by mountains. The road then continues towards Korça pedaling alongside vast fields and past small farms. We check into our hotel upon arrival into Korça.

Our total cycling distance today is approximately 50 kilometres (Total 382 metres ascent and 217 meters descent)

Hotel Grand Palace, Korca (or similar)

DAY 3 - Climb into the heart of the Gramos Mountains to Germenj

This morning when we retake to our bikes we leave behind the agricultural plateau of Korça, climbing steadily into the border mountains through a landscape of barren rock interspersed with wild flowers. Numerous cols and valleys lie ahead, climbing into the heart of the Gramos Mountains and over the Barmash Pass (1159m) to Germenj lying in its own tranquil valley. We spend the night in wooden bungalows with shared bathrooms in Germenj and enjoy a traditional home cooked dinner.

Our total cycling distance today is approximately 72 kilometres (Total 1160 metres ascent and 1041 meters descent)

The Sotira Farm Guesthouse is a collection of two bedroom cabins located in the woods around a central farmhouse and salmon hatchery. Each cabin has a bathroom shared between the two bedrooms, in addition there is a communal washing block cabin. The main farmhouse house building where you have your dinner and breakfast is warm and welcoming with a log fire, and serves delicious local fare.

DAY 4 - Ride through Vjosa Valley; drive onto Gjirokaster

We climb out from Gërmenj on our bikes to a high grassy plateau surrounded by soaring peaks before reaching the source of the River Vjosa and descending through its spectacular gorge to Leskovik. The route continues with a 15km descent to Çarshovë before following the cornice route high above the river to Permet situated on a bluff above the river. A short but dramatic drive of about one and a half hours will bring us to the historic town of Gjirokastër, another UNESCO Heritage site that is home to some truly stunning Ottoman architecture. Gjirokastër is magnificently set between the towering Gjerë Mountains and the Drino River, providing us with a beautifully scenic arrival by vehicle from Permet as we pass through the Drino Valley and the Kelcyra Gorge. After checking in to our hotel, we have a chance to explore its historic heart, taking in its beautiful 18th and 19th century buildings and the dominating presence of its Ottoman citadel, believed to be the second largest in the Balkans. If you are travelling in October, we may visit a traditional house instead of inside the citadel as it operates shorter opening hours at the end of the season. Our total cycling distance today is approximately 58 kilometres (Total 691 metres ascent and 1431 meters descent)

Hotel Cajupi (or similar)

DAY 5 - Cycle to Saranda via Butrint archaeological treasure

A short drive after breakfast will bring us to the beginning of the cycling section that starts with a downhill ride from Muzina Pass to the Blue Eye, source of the river Bistrica. The ride then encircles the lagoon of Butrint National Park where we will visit the archaeological site. A UNESCO World Heritage Site, Butrint is one of the county's most important archaeological treasures, tracing its origins back to the Greeks and the Romans. In the afternoon we continue our ride onto Saranda and spend the evening at the waterfront. The gateway to southern Albania, Saranda lies along the Ionian coast, sandwiched between

the high mountains and the sea and close to the ancient remains of Butrint.

Our total cycling distance today is approximately 67 kilometres (Total 560 metres ascent and 1089 meters descent)

Leaving as the mist is burnt off by the sun, climbing steeply out of Saranda to a rocky plateau. From here we pedal over cols into bays and around headlands, always with the stunning mountain scenery to the right and sea to the left before descending to the long beach and bay of Qeparo where we spend the night in the seaside village of Qeparo on the Albanian Riviera. The afternoon is left free to enjoy the beach and relax.

Our total cycling distance today is approximately 40 kilometres (Total 965 metres ascent and 918 meters descent)

ACCOMMODATION:
Pension Riviera, Qeparo (or similar)

Grade: Comfortable Guesthouse

SINGLE ROOM AVAILABLE

DAY 7 - Cycle to Dhermi then drive to Berat

We continue our route into the valley heading north before climbing two short but steep cols, through woodlands, little gorges, forests and around hairpin bends. Along the way we pass the old fortress of Ali Pasha of Tepelena, Palermo Bay, the Monastery of St. Theodore and Gjipe Bay and the coastal town of Himara. Our cycling adventure ends with a descent to the picturesque village of Dhermi, nestling amongst the rocky slopes of the Ceraunian Mountains. After lunch we drive 120 km (about 2 and a half hours) to Berat, enjoying the great mountain and sea views of Llogora National Park enroute. Home to black pine, Eurasian otter and golden eagles, the park is a scenic expanse of protected woodland that encompasses the forests on the northern side of the Llogora Pass. Berat is perhaps the most beautiful town in Albania. Explore the cobbled alleys between the white walled houses and visit the citadel high above. Staying in a traditional hotel in the historic neighbourhood of Mangalemi, we should have some time to explore this World Heritage site before dinner. Time permitting, there is an optional visit to the Onufri Iconographic Museum, located in the sanctuary of St Mary's Church in the inhabited quarter of Berat Castle. Home to a remarkable collection of religious paintings, the museum is named after a famous 16th century icon painter whose works were characterised by post-Byzantine and Venetian influences.

Budgeting and packing

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Tirana:

On day one depending on your flight arrival time, you might have the opportunity to go into the city centre before the joining time of the trip. A public bus ticket from the airport is approximately 250 LEK per person return.

Onufri Iconographic Museum, Berat - 200 Lek (approx 1.20 GBP)

Clothing

Pack for hot conditions. Bring cycle shorts, gloves and quick drying cycle tops. Weather is changeable in the mountains and it can be

cool, especially at night, so bring a warmer jacket/fleece. A raincoat is essential at all times in case of the odd shower. You should dress with respect in the rural villages so bring some long trousers. Don't forget your swimming costume.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to trips that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage

20kg

Luggage: On tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike. Remember you are expected to carry your own luggage so don't overload yourself. Please bear in mind there are lots of stairs in Albania and no portarage in the hotels.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. A pannier is not provided so you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per person per week as a guideline.

Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £20 of local currency for tipping.

In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.
