Why book this trip?

From Motown to the New World, we journey through history from the automobile boom and bust in Detroit to medieval French Canada and onwards to Newfoundland, the mysterious, iceberg-ridden corner of the Atlantic coast where Basque whalers first sailed in the 1500's. Detroit, a city where once-grand ruins rub shoulders with skyscrapers, is like no other place in the USA, where the country's turbulent social history is written in the streets of disused buildings. From here, this journey is one of many contrasts, through the big cities of Toronto, Quebec and Montreal to the totally unvisited and isolated areas of Fundy National Park, Nova Scotia and Newfoundland's East Coast Trail. Even the

languages and social make-up of these places change dramatically, from the Afro-American heritage of Detroit through French Canada, and the Scottish and Irish accents heard in the Maritime Provinces. Our final destination, 'The Rock', has unspoiled mountains, valleys, rivers and lakes, and a coastline marked by grandiose fjords and cliffs. Estuaries of glacial rivers are populated by countless seabirds, including silver seagulls and flocks of terns, while wild Atlantic salmon, cod fish, seals and whales (the largest concentration of Humpback whales in the world) call its chilly waters home.

Climate

May-Sep is the best time to visit, when the weather is usually warm, dry and pleasant. Temperatures can be a little cooler on the coast and in the mountains; rain can be expected at any time. Early in the season, there can be snow in some areas which may limit walking possibilities.

Climate

There are great variations in the altitude and terrain of the areas visited and this is reflected in the temperatures. Desert areas can be extremely hot in the summer months (49°), though temperatures can drop dramatically at night. The mountains are cooler and wetter especially in the north of the Rockies. At the beginning and end of the season there may still be some snow around in the high passes and it can be cold, whereas in mid-summer the day time temperatures can soar.

Tipping

Explore leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Local crew

In North America tipping 15%-20% is a recognised part of life across the service industry, including restaurants, activity suppliers, taxis and guides. Local staff will look to you for personal recognition of particular services provided.

Unlike other Explore trips, during our trips in North America our Explore leaders will not operate a tips kitty. However, they will be more than happy to provide guidance throughout the trip on who to tip when and to suggest appropriate amounts.

There is one night on an overnight train, in which we have two-berth cabins with bunks, and one night on an overnight ferry where we share four-berth cabins, possibly with members of the opposite sex. Visa and Passport Information

USA: On this trip you will enter the USA by land through an authorised border crossing. Entry requirements are as follows -

ESTA - Citizens of the UK, New Zealand, Australia, and passport holders from several EU countries can apply online for an ESTA (Electronic System for Travel Authorisation), here <https://esta.cbp.dhs.gov> no later than 72 hours prior to travel into the USA. Travellers who have not registered before their trip may be refused entry or held up at the border.

You must have an electronic passport with a digital chip containing biometric information about the passport owner. UK passports which are biometric feature a small gold symbol (camera) at the bottom of the front cover.

If you have visited Libya, Iran, Iraq, Somalia, Sudan, Syria or Yemen since 01 March 2011 or are dual nationals of these countries, you cannot travel with an ESTA. If you are a citizen of a country not included in the VWP you cannot apply for an ESTA. In both cases, you will instead need to apply for a visa from the nearest US Embassy or Consulate. If you are unable to provide a valid visa before boarding flights to the US, or entering via another method, you may not be permitted to travel.

Please note for your ESTA application you will be required to supply Point of Contact information. Explore's USA contact information will be listed on your final documentation which you will receive approximately 3-4 weeks before departure. If you are leaving for the USA before this, please call the Explore team to get this information. (This is not necessary if only transitting through the USA)

Canada: Citizens of the UK, New Zealand, Australia and passport holders from several EU countries can enter Canada with an Electronic Travel Authorisation (ETA).

An electronic travel authorisation (ETA) is required when flying into Canada or transiting via Canada. For more information and to apply see the official Canadian government website: <http://www.cic.gc.ca/english/visit/eta.asp>. Other nationalities should consult their local embassy or consular office.

Please note you must also ensure you get an entry stamp when going through immigration on arrival. In most cases the border agents will provide this stamp automatically but if for any reason they do not provide one, please ensure you request one as you are crossing into the USA via land border and stamped entry will be required.

I-94 - The i94 is a history of entries and exits to the US. You can get this online here for \$6: <https://i94.cbp.dhs.gov/i94/#/home>. Each i94 accessed is only valid for border crossing for 7 days.

Entry requirements for the USA can change regularly, therefore, please ensure you have the most up to

date information before you travel by checking the US embassy website. Visa applications - <http://london.usembassy.gov/niv/apply.html>.

If you do require assistance in obtaining a visa then you may consider applying through Explore's recommended visa service in the UK, Travcour. See www.travcour.com to download the relevant visa application for your trip, if applicable (UK citizens only), along with details of how to apply for your visa through Travcour. The Team at Travcour will be happy to answer specific questions relating to visa applications, please call them directly on 0208 5431846.
