Clothing

Daytime clothing should be lightweight and loose fitting, but warmer clothing is needed at altitude, particularly at night. Long-sleeved lightweight clothes are useful for protection against sunburn. Bring a swimsuit, sunhat, sunglasses and a thick sweater or fleece. Lightweight waterproofs are essential. Remember that altitude can make places much colder, especially at night, so bring something to wrap up in, including a pair of gloves, hat and scarf and a fleece.

Footwear

Comfortable walking boots or shoes and trainers or sandals with a good grip.

Luggage

20kg

Luggage: On tour

One main piece of luggage, plus a daypack. Remember, you are expected to carry your own luggage - don't overload yourself.

Equipment

A torch, water bottle, insect repellent, high factor sunscreen, ear plugs, binoculars, camera memory card and an umbrella during the hot season may be useful.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order

to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow US\$ 80 for group tipping

For all non-included services and meals on your trip please tip independently at your discretion.

Ecuador

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price
£10	£13	£1.7	£1.3

Foreign Exchange

Local currency

US Dollar.

Recommended Currency For Exchange

US Dollars are used in Ecuador. You can choose to either change your money in advance or on arrival at the airport. Here you will find both ATMs and Bureau de Change. The exchange rate with the USD is approximately USD 1.28 to the British Pound. We recommend you take small denominations as 100US\$ bills are very difficult to use. Please check on line for up to date information

Where To Exchange

Your Tour Leader will advise you on arrival.

ATM Availability

ATMs can be found in the major towns and cities for cash withdrawals in USD. Always have some cash back up as they are not always reliable

Credit Card Acceptance

Credit card are widely accepted in many shops and restaurants but some may be subject to a service charge

Ecuador: Visas are not required by UK, Australian, New Zealand, US and Canadian citizens. In order for your visa to be granted on arrival, you will be required to show proof of travel insurance valid for the duration of your trip. Please also ensure your passport is stamped with the T3 permit (for 30 or 90 days) on arrival in Ecuador. Other nationalities should consult the relevant consulate. Your passport should be valid for a minimum period of 6 months from the date of entry; this is a strict legal requirement from the Ecuadorean government. Without this minimum validity entry to the country will be denied.

USA: (including those in transit) Citizens of the UK, New Zealand, Australia, Canada and passport holders from several EU countries can enter the United States without a visa under the Visa Waiver Program (VWP) - where you apply for an ESTA (Electronic System for Travel Authorisation), which applies if you enter the country by sea or by air. This must be done on line - <https://esta.cbp.dhs.gov> no later than 72 hours prior to travel. Travellers who have not registered before their trip are likely be refused boarding.

You must have an electronic passport with a digital chip containing biometric information about the passport owner. UK passports which are biometric feature a small gold symbol (camera) at the bottom of the front cover.

If you have visited Iraq, Syria, Iran or Sudan since 2011 or are dual nationals of these countries, you cannot travel with an ESTA and instead you will need to apply for a visa from the nearest US Embassy or Consulate. If you are unable to provide a valid visa before boarding flights to the US, or entering via another method, you may not be permitted to travel.

Please note for your ESTA application you will be required to supply Point of Contact information. Explore's USA contact information will be listed on your final documentation which you will receive approximately 3-4 weeks before departure. If you are leaving for the USA before this, please call the Explore team to get this information. (Not necessary if in transit)
