Why book this trip?

Falkland Islands, the magnificent South Georgia and into Antarctica... Experience the outstanding birdlife of the Falkland Islands. Marvel at the vast King penguin rookeries of South Georgia, before experiencing one of the most spectacular wilderness areas on earth. Antarctica has a remarkable collection of wildlife; snow-capped mountains and blue icebergs; penguins, whales and a rich diversity of birdlife - all of which await you on an exploratory journey of the Great White Continent. September and October are the months when the elephant seals give birth on the beaches in South Georgia. You will not only have the chance to witness such incredible moments, but will also have the opportunity to observe their nurturing

habits, vocalizing with, and caressing their new pups for the first time. Big elephant seal bulls will be most active at this time of year as they defend their harems with their bull-fighting antics. Breath-taking moments are almost certainly guaranteed on this early season voyage to South Georgia and Antarctica.

Budgeting and packing

Clothing

Dress on board is informal. Pack comfortable, casual clothing for all activities. Wind and waterproof outer layers are essential, and the most important piece of clothing you will bring is a parka. Beware of tight clothing that leaves no room for trapped air, which is an excellent insulator. Wool, silk and some of the new synthetic fibres, like polar fleece, retain heat better than cotton.

Parkas

You should look for a lightweight, roomy, wind and water-resistant parka with some insulation. Bright colours are more visible - and thus safer - in polar environments.

Gloves

Keeping your hands warm and dry can be a challenge. Thin polypropylene gloves can be worn underneath warm outer gloves. This allows you some protection from the cold when removing your gloves to operate your camera etc. We strongly recommend that you bring more than one pair of gloves, in case one gets wet (or lost).

Hat/Cap

Warm, woollen hat/cap to protect your ears, as well as a scarf, neck gaiter or other face protection, such as a balaclava.

Trousers

Water-resistant trousers of coated nylon or, even better, Gore-Tex® are essential for your comfort. They can be worn over your regular clothes to keep you warm and dry. We suggest that you purchase trousers a few sizes larger than you normally wear as you will be wearing them over other clothing. Gore-Tex® or similar fabrics are excellent for keeping out wind and water without trapping excess heat. Rain gear and Gore-Tex® products can be found in any outdoor sport clothing store. In addition to your waterproof trousers, warm ski pants are suggested if you have them. Warm trousers such as jeans, corduroys etc. are also good.

Socks

Warm wool socks worn over a thin pair of silk, polypropylene socks should provide enough warmth and insulation for your feet. Bring several pairs of socks, since you will inevitably get your feet wet.

Outer Clothing

Woollen, knit or cotton sweaters/tops, polar fleece tops (medium weight), several cotton turtlenecks and T-shirts for layering on and off the ship.

Underclothing

Thermal underwear is highly recommended as it will keep you warm without adding bulk.

Footwear

Complimentary waterproof boots will be supplied on-board. However, if you have extra small or large feet, you are advised to bring your own.

Also ensure you take good walking boots and trainers for relaxing.

Luggage

15Kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Please note that a 15kgs luggage weight limit is sporadically enforced on the internal flight to Ushuaia, occasionally charges may be levied against passengers taking luggage in excess of 15kgs.

Equipment

Sunglasses and sun cream

Personal toiletries

A refillable water bottle

Books/reading material

Camera and memory cards (and something to protect the camera when out in the elements)

Seasickness remedy

Walking poles

Personal First Aid

Some cabins are equipped with a hairdryer. Hairdryers can also be borrowed from the Hotel Manager on the ship.

The electrical supply on board the Ushuaia is 110 volts, 60 hertz. Cabins are fitted with multi-type sockets suitable for several international plugs (not British). It's advisable to take a multi-way international adaptor.

Tipping

Local crew

Tipping is collected at the end of the voyage and is divided among the crew. You will receive detailed guidelines aboard. Tipping is a very personal matter and the amount you wish to give is at your discretion, but as a general guideline, we suggest US\$15 per person per day.

International Departure Taxes

Airport Departure Tax - USD \$5.00 from Ushuaia, USD \$18.00 from Buenos Aires

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Recommended Currency For Exchange

A combination of US dollars cash and cards is best. It is advisable to take a minimum of US\$200-500 of your total spending money in cash, in mixed denominations (notes should be in good condition).
