Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Palermo

Arrive in Palermo, Sicily's capital with a rich mix of Greek, Roman, Islamic and Byzantine culture all merging into a fascinating mix of architecture and customs.

Due to the number of arrival flights on the first day our Leader plans to meet you in the hotel reception on day two at 8am for the welcome meeting. There are no other activities planned today, so you are free to arrive in Palermo at any time. If you would like to receive a complimentary airport transfer today, you'll need to arrive into Palermo's Falcone-Borsellino International airport (airport code PMO), which is 35km, around 45 minutes from the airport.

Please note that a full dinner is served up until 9pm; if you are arriving later than this we can arrange for a cold platter to be provided.

If your flight arrives earlier in the day, perhaps you might choose to visit the Gothic Cathedral which was founded in 1185 by the Englishman, Walter of the Mill, and its extensive mosaics and beautiful cloisters.

We spend the day exploring some of its treasures today, stopping off at the Piazza Marina to visit Villa Garibaldi - a small garden set amidst some of Palermo's best-known historic buildings.

This afternoon we enjoy a cookery lesson of pasta and gnocchi, putting our culinary skills to the test. We get to eat our dishes at the end of the class, a great opportunity for the whole family to get involved!

You can choose to either brave the assault course through the trees, with zip-lines, rope ladders and 'Tibetan bridges' or try your hand at archery, tree climbing and 'Power fan' (which involves free-falling from high platforms whilst attached to a safety harness).

There are five tree tents within the trees set around 6 meters off the ground surrounded by the forest. The tents can accommodate three people per tent with another five tents on the ground which are positioned on platforms for those wanting to sleep nearer the forest floor! The area is illuminated at night and there are toilets close by.

The Wave Pool, the largest in Europe, comes to life every hour for splashing fun. Take a break from the excitement by enjoying a relaxing float around the Lazy River or at the Blue Lagoon, an oasis of rocks and waterfalls. You can also enjoy a hydro massage at the relaxing Hydro Pool.

DAY 5 - Ascend the slopes of Mount Etna.

One of the highlights of our journey is a visit to the slopes of Mount Etna, the highest volcano in Europe (3330 meters) and one of the largest in the world.

We'll drive up the mountain this morning, passing through citrus groves and beech woods to Linguaglossa Rovittello where we taste a selection of dairy products and salami. We continue to Curva Sparita which is where the lava flow of 2002/2003 engulfed a part of the old road to Mareneve before arriving in Piano Provenzana (1,800m) where there is the opportunity to view photographs of previous eruptions that have been taken by a local well known photographer. We continue by foot along a path that goes up to the crater of the Northeast side of the volcano to an altitude of about 2,300 m, stopping off at an old Bottoniera (numerous craters formed in 1923 including the longest one on the volcano) where we also stop for lunch. We continue the walk for around 1 ½ hours returning to Piano Provenzana where we meet our transport and visit a volcanic cave which is one of more than 200 caves in the area (1,750 m) before returning by bus to our hotel.

DAY 6 - Explore Alcantara Gorge. Afternoon Sea Kayak in Isole Ciclopi marine park.

Spend today exploring the landscapes that lie along the Alcantara River. Carved from basalt rock, the gorge drops down over 50 meters, following the course of the river and providing us with some stunning but short walking trails. We hike up to the Terrace of Venus this morning, before continuing along the Gorge Trail to view the surreal monoliths of lava that lie strewn across the valley floor. Total 2km, one hour walking.

After lunch we then travel to Aci Castello where we will sea kayak along a guided course exploring the protected marine park of Isole Ciclopi for a few hours which includes a circumnavigation of the towering sea rocks of the Faraglioni di Actirezza before returning back to Acicastello - life jackets, tuition and auto draining 2 or 3 seater kayaks are provided.

Hotel Mareneve Resort (or similar)

Grade: Comfortable Hotel

MEALS PROVIDED: BREAKFAST & DINNER

DAY 7 - Visit the ancient theatre at Taormina with fine views of Mt Etna. Rib boat to Isola Bella marine park for snorkeling.

This morning travel the short distance to Taormina, Sicily's most famous resort. Once a favourite haven for the likes of D. H Lawrence and Oscar Wilde, Taormina is still today a popular tourist destination. After a walk around this chic and beautiful town, with its pretty medieval churches and charming streets, it's easy to understand why. With a local guide we'll visit the Greek Theatre. The snow-capped Mount Etna acts as a spectacular backdrop to the remarkably preserved columned stage and it's easy to see why this is possibly the most famous view in all of Sicily and it makes for a superb photograph. After our tour there is free time to walk amidst magnolia, hibiscus and bougainvillea trees. We would recommend taking a stroll down one of Taormina's side streets where you'll find a variety of less-busy bars and restaurants for lunch than in the very centre of town.

This afternoon drive to Naxos to pick up snorkeling gear. Heading out into the Mediterranean on a rib boat, we visit the Isola Bella Marine Park and snorkel in two spots, the Blue Cave Bay and Isola Bella South Side. Snorkelling equipment is provided including; fins, mask, snorkel, wet suit and life jacket.

DAY 8 - Trip ends in Francavilla di Sicilia

The trip ends after breakfast at our hotel in the village of Francavilla di Sicilia.

There are no activities planned today, so you are free to depart from Francavilla di Sicilia at any time. If your flight is departing later in the day luggage storage facilities are available at our hotel. If you would like to receive a complimentary airport transfer today, you need to depart from Catania airport (airport code CTA), which is 70 km, around 1 hour 15 minutes from our hotel.

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

A selection of optional activities are listed below to help you budget for your Family adventure. Whilst the basic tour price you pay before you travel includes a great selection of highlights, we have also built in free time to allow you the flexibility to choose from a carefully selected range of additional excursions and activities or take time to relax, the choice is yours. At certain destinations along the way there may be several options to choose from and it may not be possible to fit all the activities in; your Explore Leader will be able to give advice on which are the most suitable for your family.

Madonia Adventure Park

Day 3: Mountain biking. There are a maximum of 10 bikes to hire, this activity is not guided. No charge.

Clothing

In summer you will need clothing for hot, humid conditions. Sunhat, sunglasses, long trousers and long sleeved shirt recommended for protection from the sun. In May and October half-term the sun should still be strong but temperatures will certainly be lower than in the summer months, particularly at night when you will need some warmer clothing and jackets.

At any time of year you will feel cold at the top of Mount Etna, therefore you should bring warm clothes, which will also be useful for our night in the tree tents at Madonie Adventure Park.

Footwear

We recommend a good pair of sturdy recreational shoes/walking boots for the short walks, Mount Etna, cycling and climbing and activities in Madonie Adventure Park. Trainers and/or sandals for travelling/beach time.

Luggage

20kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Equipment

A water bottle, sunhat and high factor sunscreen are all essential. You will need a swimsuit and swim hat and towel for the gorge, as well as beaches and pools, a swim hat is a requirement for the hotel in Francavilla.

You may also wish to bring cycle gloves for cycling and while undertaking the ariel course, water shoes for both kayaking and Alacantara gorge and of course cycle helmets for the cycling (though one is provided). A torch is useful in case of powercuts/ emergencies and for inside the tents in Madonie.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per family member as a guideline.

Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £20 of local currency per family member. In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.
