## Family information

Our Explore leader, Rupert and his family

**Local living:** Our Active Tuscan Active Adventure was one of the original Family Adventures launched by Explore over 15 years ago and has proved a firm favourite ever since. Rupert, originally from Kent in the UK, moved over to Italy nearly 19 years ago. His love for travelling started when he was 18 years old travelling for over a year in Africa. This love for travelling brought Rupert into tour guiding, which after many seasons of work around the world he found himself sent to work as a guide in Northern Tuscany in the mountains of the Alpi Apuane and the Apennines.

We use a family run hotel in the heart of the Garfagnana valley, the perfect setting to kick back and relax with a glass of wine in hand after a busy day of activities. Enjoy a dip in the pool followed by a freshly prepared home cooked meal in the restaurant, the perfect blend of adventure and relaxation in an idyllic setting.

**Triple rooms:** This trip allows the option for a triple room to be included within the booking. If you would like this option please ask our Sales team for further information.

**Average Age:** As a guide we have identified the actual average age of the children who have travelled on this trip over the the last 5 years, to help you decide whether it's the right one for your family. The average age on this trip is 14 years old.

**Minimum age:** This trip is suitable for active children of all ages from 7 upwards. Three additional departure dates are offered over the summer holidays for teenagers and children aged 11 and above, in 2020 these depart on 12th and 19th July and 2nd August.

---

#### **Additional Information**

## Why book this trip
