## Trip information

### Country information

#### Cambodia

##### Climate

Cambodia is a hot and tropical country, being hottest in April and coolest in January (still high 20s). Although rainfall is at its maximum in October, Phnom Penh and Siem Reap receive very little rain compared to the coastal areas, and when it does rain it tends to be in the form of sporadic mid afternoon downpours. There is normally very little rain between December and March.

#### Thailand

## Climate

Generally hot with high humidity. There is some rainfall from April to September with most days being hot (around 33 Degrees) and a light breeze on the islands. If it does rain, it will be more of a heavy tropical downpour that lasts a few hours. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>.

## Vietnam

### Climate

As Vietnam is a long, narrow country from north to south climate conditions vary considerably. The climate can be divided into three distinct patterns between the north, central and south regions. The climate in the north is generally humid and subtropical, although the winter months from November to March can be colder with temperatures from 10 - 15 degrees. Summer months, May to September can be quite hot with temperatures from 30 - 35 degrees. Meanwhile south Vietnam enjoys a tropical climate all year round, with little variation throughout the year (around 27 - 32 degrees), however May to November is the rainy season when short, heavy downpours are quite frequent. Central Vietnam lies somewhere in between. The coastal strip is usually dry and hotter from April to October while November to March is wetter and cooler. A light rain jacket and small umbrella are recommended year round.

Pack essentially for hot weather. Bear in mind that the region is tropical (humid) and that days can be very hot. Lightweight rainwear or an umbrella is advisable at any time of the year, but especially between May and October. Casual clothes are the most practical (something with long sleeves, and long trousers for evenings) bear in mind that very short shorts are generally unacceptable and a sunhat is essential. Shorts, vests, revealing or casual clothes and open backed sandals are not permitted in the Grand Palace in Bangkok.

## **Footwear**

Comfortable shoes and sandals/trainers for relaxing.

## **Luggage**

20kg

## **Luggage: On tour**

## **Equipment**

A torch, water bottle, insect repellent and high factor suncream are all essential, as are good quality sunglasses and a lip salve with sun protection. Don't forget your swim wear.

# Tipping

## Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

## Local crew

In this region, tipping is a recognised part of life across the service industry. Local staff will look to members of the group for personal recognition of particular services provided.

To assist with this your Explore Leader may organise a group tips kitty for included activities and meals, they will then account for kitty use throughout the tour.

For this we suggest \$30 per family member.

For all non-included services and meals on your trip please tip independently at your discretion.
