Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join tour Johannesburg. Drive to Graskop

This morning, we leave Johannesburg and head for the spectacular mountains overlooking the old Eastern Transvaal. Before we descend, we will have a chance to admire the stunning vistas of the lowveld as it stretches before us into the distant horizons. The lowveld translates literally from Afrikaans into English as the low bush. This area has been inhabited since Stone Age times and with its plentiful water from mountain rivers, multiple waterfalls, beautiful craggy escarpments covered in vegetation and colourful birdlife, we enjoy this beautiful region of the country. We will end our journey today in Graskop, a peaceful location surrounded by forestry plantations.

PLEASE NOTE: The order of the night stops between Days 1 and Days 5 (Graskop, Tshukudu Game Reserve and Kruger NP) may change due to accommodation availability. The total travelling time will remain roughly the same and each of the elements of the itinerary will still be offered although not necessarily in the order of the trip notes.

ACCOMMODATION:
 Mogodi Lodge (or similar)

Grade: Standard Lodge

SWIMMING POOL AVAILABLE

DAY 2 - Scenic drive to Tshukudu Game Reserve stopping at Blyde River Canyon

This morning we will stop at several viewpoints along the way, including the aptly named God's Window and admire the awe-inspiring Blyde River Canyon. We also stop at the strangely surreal Bourke's Luck Potholes, a collection of pebble-eroded formations at the confluence of the Treur and Blyde Rivers, before we arrive at Tshukudu Game Reserve around 2pm.

Tshukudu is the Sotho word for Rhino, the park is renowned for its lion breeding and rehabilitation programmes, nursing sick, orphaned or injured animals of all shapes and sizes back to health for re-introduction to the wild. The Reserve is home to the most spectacular of South Africa's wildlife, including lion, elephant, rhino, hippo and even the elusive leopard and cheetah.

This afternoon we will go on our first game drive in the hope of spotting the Big 5.

ACCOMMODATION:
Tshukudu Bush Camp (or similar)

Grade: Standard Lodge

MEALS PROVIDED: BREAKFAST, LUNCH AND DINNER

DAY 3 - Full day in Tshukudu Game Reserve, game drives

Today we do some more game spotting from the back of our vehicles and there is even a chance to do some walking in the reserve with experienced rangers. They are all acknowledged experts in the bush and are happy to pass on their knowledge of animals great and small, so ask as many questions as you can! Tshukudu contains a wealth of big and small game, as well as many species of birds. We will take the chance to see some of these stunning animals from our vehicle and also enjoying a walking safari through the reserve. We retire back to our lodge where there is a pool to relax around and soak up the late afternoon South African sun.

ACCOMMODATION:
Tshukudu Bush Camp (or similar)

Grade: Standard Lodge

MEALS PROVIDED: BREAKFAST

DAY 4 - Drive to Kruger National Park; afternoon game drive

After a hearty breakfast we bid farewell to Tshukudu driving two hours to the southern gate of Kruger National Park. We stop for lunch and a swim at one of the national park camps before continuing further into the park.

The Kruger National Park is one of the world's premier game reserves, what we do not see in Tshukudu, we may well see here.

Covering an area larger than Israel, the park was established in 1898 to protect big game that had almost been hunted to extinction. The park is now one of the most prolific animal habitats in South Africa, committed to animal conservation and patrolled by armed rangers to prevent illegal poaching. A large number of species are present, including elephant, lion, black and white rhino, leopard, cheetah, giraffe, zebra, wild dog, hyena, wildebeest and almost all of South Africa's species of antelope. Bird life is just as impressive with crowned cranes, bee-eaters, sunbirds and vultures.

We retire to the sounds of the African bush this evening.

ACCOMMODATION:
Pretoriuskop Rest Camp (or similar)

Grade: Simple Bungalow

SWIMMING POOL AVAILABLE

MEALS PROVIDED: BREAKFAST

DAY 5 - Full day game viewing in Kruger National Park

Leaving our camp shortly after sunrise, head out for our morning game drive searching for sightings of the extensive wildlife that make this national park their home. We stop at various watering holes where we may see buffalo or antelope taking an early morning drink and hopefully a pride of lions nearby. We finish the morning drive by having lunch at one of the park's restaurants. Continue game viewing in the afternoon.

DAY 6 - Drive to Mlilwane in Swaziland; optional activities

After a morning of game spotting we continue south passing through rural townships and mountain scenery of the Blyde River Canyon escarpment to the small kingdom of Swaziland, a tiny and independent land inhabited by the Swazi people who revere their king and retain their age-old culture and traditions. Our journey takes us through some spectacular scenery in the Ezulwini Valley and past numerous traditional homesteads, curio stalls and the old mining settlement of Piggs Peak. This afternoon we enter one of Swaziland's best wildlife reserves, Mlilwane Wildlife Sanctuary.

This secluded and beautiful sanctuary is a haven of tranquillity, located in a natural bowl beneath the Nyonyane Mountains. The accommodation we use is always popular with families, being a combination of traditional dome-shaped beehive huts, rondavels and traditional huts. Though the camp has all the mod cons - showers, toilets, outdoor swimming pool and restaurant/bar - it is rustic in the best sense of the word. Warthogs and ostrich share the camp with us and the restaurant overlooks a lake populated by water birds and a resident hippo.

Due to the high demand in Mlilwane, accommodation is subject to change without notice and can vary in style. We'll endeavour to stay within the park when possible, however, some departures may be staying up to a 15 minute drive from the sanctuary in a hotel with excellent facilities and a large open air swimming pool.

ACCOMMODATION:
Beehive/Rondavels (or similar)

Grade: Standard Lodge

SWIMMING POOL AVAILABLE

MEALS PROVIDED: BREAKFAST

DAY 7 - Morning game walk in Mlilwane; free afternoon for optional activities

This morning we begin with a walk in search of zebra, wildebeest, impala, nyala and warthog. Mlilwane has a large area of open grasslands, so game viewing is relatively easy. The afternoon is left free for you to

choose one of the many optional activities on offer. The great advantage of Mlilwane is that the absence of big cats allows for a very different game viewing experience. You can opt to set out with a guide on mountain bike and take a game-spotting ride through the superb scenery. Alternatively, you may like to follow one of the self-guided mountain walking trails following the historic aqueduct around the Nyonyane Mountains; or one of the riverside trails in search of birdlife and hippo. The choice is very much yours.

ACCOMMODATION:
Beehive/Rondavels (or similar)

Grade: Standard Lodge

SWIMMING POOL AVAILABLE

MEALS PROVIDED: BREAKFAST

DAY 8 - Drive to Kosi Bay where we stay close to the shores of the Indian Ocean

Crossing through Swaziland we head for the southern border point at Golela, passing back in to South Africa and continuing through KwaZulu Natal to the northern settlement of Kosi Bay, close to the Mozambique border. The next two nights see us staying close to the shores of the Indian Ocean, with accommodation set amidst a wetland area of lakes and forest that is home to a rich diversity of birds and animals including hippos and crocs. On the afternoon of our arrival there is some free time to explore and enjoy this protected area which was declared a nature reserve back in 1950 and considered one of the most pristine lake systems along the South African coast.

ACCOMMODATION:
Utshewayelo Lodge (or similar)

Grade: Standard Lodge

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow £20.00 per family member for group tipping.

For all non-included services and meals on your trip please tip independently at your discretion.
