Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Krakow. Explore the city on foot.

Arrive in Krakow. Dating from the 13th century, Krakow is a picture-postcard maze of narrow streets, grand buildings and al-fresco cafes.

For those arriving on time today our Leader plans to meet you in the hotel reception at 5pm for the welcome meeting and to take us on an orientation walk of the city.

If you would like to receive a complimentary airport transfer today, you'll need to arrive into Krakow's John Paul II International Airport (airport code KRK), which is 18km, around 30 minutes from the hotel.

Please note that if you wish to join the orientation walk today, you must arrive at the hotel by 5pm. If you are booking your own flights, we recommend giving yourself at least 1 hour to clear the airport. From the airport to the hotel is around 30 minutes' drive, so therefore the latest your flight can arrive is 3.30pm. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up.

On this evenings walk we will visit Rynek Glowny, Europe's largest medieval square with its quirky town houses and historic buildings that surround the area including Sukiennice which is the most famous and still in use today as a covered market. We also explore the delightful Old Town; a UNESCO World Heritage Site and the only major Polish district to escape the war unscathed.

Overlooking all this is the fairy-tale Wawel Castle, where past kings and queens are buried and is the home of many treasures that have been collected by the Polish monarchy. There is also the opportunity this evening to explore the former Jewish Kazimierz District, which was the Jewish Ghetto in World War II and the setting for the film Schindler's List. Nowadays this area is probably the most vibrant part of the city with unique cafes, bars and restaurants and it offers an interesting insight into how the Krakow Jews lived during the war years.

DAY 2 - Drive to our base in the village of Novy Smokovec, Slovakia. Afternoon head out on a snowshoe trail through the forests.

We travel this morning crossing the border from Poland into Slovakia, a journey of around three hours. Our destination is Novy Smokovec. This village with Stary Smokovec, Tatranska Lomnica and Strbske Pleso are the most frequently visited tourist places in the High Tatras. Novy Smokovec was also a spa centre which continues up to the present times. It is known for its skiing in winter and hiking and mountaineering in the summer and is located in the heart of the mountain range with stunning views of the Tatras Basin below. The Tatras Mountain range is strictly protected, and despite the area's popularity, the town still has many traditional wooden buildings and its alpine culture still strongly evident.

On arrival, we'll enjoy a gentle walk around the town to get our bearings, before donning snowshoes for an introductory walk close to our hotel. The trails provide the opportunity to enjoy the tranquil splendour of mountain scenery and beech trees that are covered in layers of blanketing snow. Snowshoeing is fairly easily mastered and we should need just a few minutes to feel confident enough before heading off on our afternoon's exploration which should last around 2 ½ hours. Your trip Leader will adjust the duration and distance to match the requirements of the group. Snowshoes and hiking poles are provided. Please note, the order of the itinerary may vary depending upon the weather conditions.

From here we take a half hour's walk to Velka Studena dolina. During our walk, an unexpected event happens! We are challenged to find hidden objects under piles of snow - we receive a special device to search for the object as well as shovels and detectors. We all have to work together as a team to discover what lies beneath. Hot refreshments are provided.

There is time to relax for a few hours back at the hotel before venturing out for our night sledging activity. We take the funicular train up the mountain to reach the start of the 2.6km sledge track which leads from Hrebienok down the mountain to Stary Smokovec. The route is flood lit and it's a race to the bottom!

This morning we drive to Strbske Pleso further up the valley where we try out cross country skiing. Strbske Pleso is the highest village in the High Tatras with the nearby Tschirmer Lake an ideal location to learn to cross country ski, offering flat terrain with a stunning mountain backdrop.

The group may be divided according to physical ability with an initial 0.7km loop to get aquatinted. Proficient skiers can try the medium loops of up to 2 km with an instructor and there is a more technical loop of 5 km also available, for experienced skiers only.

The whole group will reunite at the nearby Koliba Pleso hut to enjoy a typical Slovak lunch typically bean, cabbage or garlic soup followed by sheep cheese gnocchi (halushky) or pierogi, goulash and schnitzel washed down with local beer or wine or soft drink.

This afternoon we try out a range of activities back in Stary Smokovec. First, snowtubing - these are fast inflatable tubes that you sit on and enjoy the ride back down the ski slope. All you have to do is sit into a rubber wheel, tie yourself to a ski-tow, let yourself be pulled a few meters upwards and slide downhill. No experience is necessary and you enjoy five rides. We then try Funtools which is like a bicycle with mini skis instead of wheels that you sit on to manoeuvre along the snow - a perfect activity for non-skiers.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 per family member as a guideline.

Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £10 of local currency per family member.

In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.

For all non-included services and meals on your trip please tip independently at your discretion.
