Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Bucharest, capital of Romania

Arrive in Bucharest, drive 16km to our centrally located hotel.. Situated on the Danube Plain and set amid a series of lakes and gardens, Bucharest has often been referred to as 'Little Paris of the Balkans.' The city has shaken off its drab recent past; undergoing radical modernisation, it's now a bustling city at the centre of Romanian culture, art and media. The cities scale is grand, characterised by the 'Ceausima', Bucharest's 12-storey Palace of Parliament is the second largest building in the world (after the Pentagon) dominating the central plaza. Depending on your arrival time walk out and enjoy the cafes and people watch.

DAY 2 - Explore Bucharest, treasure hunt on foot in the old town. Visit Dracula's Bran Castle

After breakfast head out for a tour of Bucharest blending turn of the century elegance and Communist excess including Revolution Square, the Royal Palace and Victory Street. Leaving our bus behind us, we head to the old town on foot for a treasure hunt ending up at the ruins of Dracula Palace.

Heading north, we bid farewell to the capital, stopping briefly at Snagov Monastery, where it is supposed that Vlad the Impaler is buried. Situated on an island at the northern end of Snagov Lake, Vlad the Impaler has strong connections to Snagov building fortifications around the monastery including an escape tunnel and a prison and torture chamber.

Continuing our journey we drive two to three hours to Brasov famed for its charming tangle of narrow streets and multi-coloured houses. Stopping for lunch, we also visit the first Romanian school dating from 1495. Children can experience a sense of life for past generations; sitting in the old school benches with the museum curator taking a brief lesson.

The final stop of the day is the imposing castle at Bran. The truth behind Dracula's Castle is even more fascinating than its myths. In the early 20th century it was the home of the remarkable British born Queen Marie of Romania, granddaughter of Queen Victoria. Vlad the Impaler, the infamous 15th century ruler of Wallachia, never actually lived here and Bram Stoker never came near Transylvania! Perched on a crag in a valley between two high mountain ranges, the castle controlled an international trade route, but is now a rural backwater. Exploring the village, the castle and the museum gives us a chance to unravel fact from fiction.

From here it's a short drive to the Transylvanian village of Moieciu, where we stay in a local guesthouse. Sit around the campfire after dark roasting marshmallows after a wholesome home cooked dinner.

This morning we make our way to the Libearty Bear Sanctuary, a home for rescued bears. Set in a forest; the sanctuary has assisted in rescuing countless bears from zoos and captivity; the bears can now roam free in a natural environment of forested enclosures containing hibernation dens and large freshwater pools.

Driving north for two hours towards the charming Saxon village of Viscri. Break for a delicious lunch at a host family's house after which we continue to the Viscri, taking a horse and cart ride around the village reminiscent of a bygone age. We visit the local baker, blacksmith and fortified church. Continue to Sighisoara.

Arriving in Sighisoara is a bit like stepping back in time. This tiny medieval city of winding cobbled alleys, pastel-coloured buildings, steep stairways and secluded squares now harbouring cafes, craft shops and hotels. Take a short tour along Sighisoara's alleys and medieval towers finishing at the house Vlad the Impaler was born. The evening is left free to sample the regions hearty cuisine including beef goulash with dumplings, tarragon chicken or warming spicy soups washed down with craft regional beer or a glass of local wine.

For those not wishing to take part in the guided walk there is plenty to enjoy in this spectacular region, steeped in myth, folklore and superb wildlife. Butterflies are abundant, and there are numerous other birds and plants to enjoy on walks from our hotel. Your Explore leader will be on hand to recommend activities to try today including hiking and rowing on the lake.

This underground wonderland has been fitted out with bright lights and pedestrian walkways, not to mention an amphitheatre, ferris wheel and underground lake. The vast salt mine has had a colourful history over the years, including cheese storage centre and during the second world war, an anti-aircraft shelter. Later, in 1992, it was opened to the public, and has been a unique attraction ever since.

After lunch we continue to Romania's second largest city, Cluj-Napoca. After checking into our hotel, we drive into the town centre. Blending a rich cultural infusion of Saxon, Hungarian and Roma influences, we stroll through the Baroque city centre stopping to hear the stories behind landmarks like the Banffy Palace and the Gothic Cathedral of St. Michael, which has changed its religious denomination a total of five times since its initial construction and still dominates the downtown market area.

For those wishing to explore the city further consider the National History Museum for an enchanting reminder of what natural history museums used to be, alternatively head to the Botanical Gardens to relax among the fragrant blooms and native flowers.
