### Budgeting and packing

#### Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may

depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

A selection of optional activities are listed below to help you budget for your Family adventure. Whilst the basic tour price you pay before you travel includes a great selection of highlights, we have also built in free time to allow you the flexibility to choose from a carefully selected range of additional excursions and activities or take time to relax, the choice is yours. At certain destinations along the way there may be several options to choose from and it may not be possible to fit all the activities in; your Explore Leader will be able to give advice on which are the most suitable for your family.

## Luggage: On tour

Bring a water bottle, insect repellent, sunscreen, a sunhat and a torch. Binoculars are useful for wildlife spotting in Apuseni Natural Park. Only small face towels are provided in some of the hotels, so if you prefer a larger bath towel it is advised that you take your own. We recommend also taking a personal first aid kit.

## Tipping

### Explore leader

At your discretion you might also consider tipping your Explore Leader in appreciation of the efficiency and service you receive.

### Local crew

In this region, tipping is a recognised part of life across the service industry. Local staff will look to

members of the group for personal recognition of particular services provided.

To assist with this your Explore Leader may organise a group tips kitty for included activities and meals, they will then account for kitty use throughout the tour.

For this we suggest €15 per family member.

For all non-included services and meals on your trip please tip independently at your discretion.

## Transport, Accommodation & Meals

### Accommodation notes

Our first hotel in Bucharest is well located for all the main sights of the capital; 300 metres away from Romana and Victorei Squares. Originally opened in 1937, this six story neoclassical hotel in a

predominantly residential area of the city offers spacious rooms with free wi-fi throughout the hotel and a spa and wellness centre.

From the bright lights of Bucharest, our next stop is a complete contrast set in rural Moieciu. Our base for the night is the delightful Casa Zada guesthouse where you can be sure of a warm welcome. We have been welcoming Explore guests here for a number of years. The guesthouse offers simple accommodation, we enjoy a home cooked meal in the evening and on cold nights sit round the fire.

Moving onto Sighisoara, our hotel blends modern facilities in a traditional building bursting with character. Its location is very central ideal for exploring the town and many rooms offering fine views of the ancient citadel. The hotel features free wi-fi and offers a laundry service.

The next three days are located in Apuseni Natural Park. Our hotel, which is subject to change, offers a tennis court, indoor swimming pool, sauna, Jacuzzi, table tennis table and a darts board. Mountain bikes are available for hire.

The final stop is Cluj where we stay in a recently opened hotel a little way out of town (we head into town by bus once we have checked in). The hotel features free wi-fi and modern bedrooms.
