Country information

Argentina

Climate

Argentina has a climate that ranges from subtropical in the north to cold in the temperate south. The Andes has erratic rainfall and flash floods from December to May. From June to September spring like sunny days temper the cold nights.

-3                           3 Pin Flat   Predominantly Roman Catholic.

Language

Spanish is the main language throughout this region, along with a number of indigenous dialects, of

Chile

Climate

The best time to visit is spring (Sept-Nov) and autumn (March- April). Between June and September the heat in the northern part of the country is less intense. Remember rain can fall at any time of the year and the weather is changeable in the mountains. Easter Island has a tropical climate so is likely to be quite hot and humid. It can also rain there in the evenings and become chilly.
Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

A selection of optional activities are listed below to help you budget for your adventure. Whilst the basic tour price you pay before you travel includes a great selection of highlights, we have also built in free time to allow you the flexibility to choose from a carefully selected range of additional excursions and activities, or take time to relax, the choice is yours.

Buenos Aires - Tango show US$70 and US$120 with dinner; Fiesta Gaucha Don Silvano - US$190, Tigre Delta cruise US$95
Chalten - Visit Lago del Desierto US$70; Half day rafting Rio de Las Vueltas US$110
El Calafate - Perito Moreno Ice trek - (ages 65 and under due to Glaciares National Park regulations) US$133 without transfers, US$150 inc. transfers ; Perito Moreno boat trip US$22

Argentina is undeniably an expensive destination to visit, and the costs of these optional excursions do show that. However, please remember that at certain destinations along the way there may be several options to choose from and it may not be possible to fit all the activities in.

In Torres del Paine hotel they charge 19% interest on the use of Chilean Pesos.

Clothing

Bring light and comfortable clothing that can be layered according to the temperature. The weather conditions in the mountains can be changeable, and it can become cold, especially at night, so bring warmer layers. Tops made from wicking materials which keep you drier and are recommended as a base layer, and walking trousers are preferable to trousers of heavier material such as jeans. A waterproof jacket is essential at all times in case of rain and wind.

- Breathable wind and waterproof jacket (you may also wish to bring waterproof trousers)
- T-shirts
- Long sleeved tops
- Midlayer Fleece/pullover
- Thick sweater/fleece jacket: A thick sweater or fleece jacket is necessary as nights can be cold. Make sure that your waterproof jacket is loose enough to wear over your sweater or fleece
- Insulated jacket
- Sunhat
- Long trousers
- Shorts (if you prefer to walk in them)
- Thermal underwear: Comfortable around camp and much more practical (and warmer) to sleep in than pyjamas.
- Gaiters: especially in November and December but due to unpredictability of weather any time of year could be necessary
- Swimwear and towel
- Socks (liner and thicker pair)
- Gloves, scarf & hat: Especially useful around camp in the morning and in the evening. Worth bringing two pairs - one fleecy for warmth and one pair that is waterproof and windproof

**Footwear**

We recommend you bring walking boots with ankle support - leather or fabric are both fine. Make sure that your boots are worn-in and comfortable before the start of the trip. Also trainers or sandals for relaxing and general wear. We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

**Luggage**

20kg

**Luggage: On tour**

You will need to take one main piece of baggage and a daypack.

**Main Baggage**
Recommend that this is lockable

**Daypack**
Your daypack should be at least 30 litres capacity. During the course of a trekking day, you will not have access to your trek kit bag, which is being carried for you by the porters. In any mountain region the weather can change rapidly and you must be equipped for this eventuality. Your daypack should be large enough to carry your day things including: waterproofs, fleece, long trousers (if walking in shorts), warm hat and gloves, sun hat, suncream, water bottle (at least 1 litre bottle), tissues and your packed lunch. Camera equipment can be heavy so think carefully when deciding what to take. Please note that in the Fitzroy area you will also be carrying your overnight things for two days / one night.

**Trek Kit Bag (provided at the hotel in Puerto Natales)**
In Torres del Paine your main bag will stay at with our local ground suppliers and you will be given a trek kit bag in which to put your kit for the W circuit. Your trekking clothing and equipment should be packed into the kit bag which is to be carried by local porters. In Puerto Natales there is time to re-organise your luggage, the weight limit for this is 5kg and advice on how to pack will be given at the trek briefing.

**Internal flights**
The baggage limit for the internal flight between Buenos Aires and El Calafate is 15kg. If you exceed the limit you are able to pay for the excess locally at the airport, this is approximately $20.
**Equipment**

- Sunglasses
- Sunhat
- High factor sun cream: Patagonia is very near the ozone layer hole. A combination sunblock/lipsalve is ideal for facial protection.
- Small Torch (with spare batteries and bulb). Often a head torch is the most practical option as it allows you to have both hands free
- Camera
- Sleeping bag liner (fleece will add warmth)
- Walking poles (recommended)
- Personal toiletries: Essentials are toothbrush/paste, biological soap and a small towel. 'Wet Wipes' and hand sanitiser gel are recommended
- Personal first aid kit - On each walk a first aid kit is carried but you should have your own blister kit, supply of plasters, aspirin and other essentials.
- Insect repellent
- Small waterproof dry bag (for items such as your mobile phone)
- Dry/plastic bags: Useful for separating things out in your kitbag and keeping things dry in both your kitbag and day sack
- Waterproof Cover for Rucksacks: Can be useful to offer extra protection for your bags against rain.
- Reusable water bottle (minimum 1 litre). The camp staff will provide plenty of water each day with which to fill your own bottle. Get 15% discount on a Water-to-Go bottle [www.explore.co.uk/about-us/responsible-travel/water-to-go-discount-with-explore](http://www.explore.co.uk/about-us/responsible-travel/water-to-go-discount-with-explore)
- It's worth bringing a portable power pack or a solar charged device

**Tipping**

**Explore leader**

Tipping isn’t compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that’s done a great job or really added to your trip by giving them a tip. We’re often asked about the recommended amount. It’s a tricky one, and down to personal preference, but we’d recommend between £15 to £20 per person per week as a guideline.

**Local crew**

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group’s tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow US$ 60, approx. 2’650 Argentine Pesos for group tipping

For all non-included services and meals on your trip please tip independently at your discretion.

**Argentina**

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track.
