DAY 1 - Trip start in Buenos Aires

Arrive in Buenos Aires, Argentina's capital, located on the southern shores of the Rio de la Plata. Since its founding by Pedro de Mendoza in 1536 the city has thrived on trade and its vibrant streets are filled with an eclectic mix of European architectural styles, with Spanish, French and Italian classicism rubbing shoulders with remnants of Victorian grandeur. After gaining independence from the Spanish in 1816 the city grew to rival the great cities of Europe, its wide avenues and elegant squares earning it the title of the Paris of the South.

For those arriving on time our Leader plans to meet you in the hotel reception at 6pm for the welcome meeting and for those that wish, there is the chance to go out for dinner. There are no other activities planned today, so you are free to arrive in Buenos Aires at any time. If you would like to receive a complimentary airport transfer today, you'll need to arrive into Aeroparque Internacional Jorge Newbery (AEP), which is around 20 minutes' drive. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up.

If your flight arrives earlier in the day, you could explore this lively city by wandering the city streets, admiring the impressive architecture and relaxing parks, or enjoy the traditional Porteno pastime of people watching from the many sidewalk cafes.

After checking in to our hotel you may wish to explore some of the nearby short trails to local sites and viewpoints, such as Chorrillo del Salto Waterfall and Condor or Eagle lookouts.

DAY 3 - Trek to Laguna de los Tres. Overnight at Poincenot Camp

After an early breakfast we drive to El Pilar, the starting point for the classic trek to Laguna de los Tres. Taking just what we need overnight we ascend for two hours up a gentle slope with fantastic views over the Fitzroy Massif and Piedras Blancas glacier. On reaching the Poincenot area we stop briefly at our campsite (750m) before continuing to Rio Blanco Base Camp. An hour of steep ascent takes us to De Los Tres Lagoon (1180m), the emerald small lagoon at the foot of Mount Fitzroy, where we will have the opportunity to appreciate the enormous granite walls of Fitzroy and its nearby peaks, Poincenot, Saint Exupery and Guillaumet. After exploring the area around the lagoon, we descend back to our campsite to spend the evening inside the forest. An additional hike to Capri Lagoon is available for those wanting to do more walking.

Today's 10 kilometre trek is expected to take around six hours with 700 metres of ascent and descent. The additional optional walk takes three hours and covers another six kilometres.
DAY 4 - Hike to Torre Lagoon and on to El Chalten

After a camp breakfast we set out for another day's hiking through the unique landscape of Los Glaciares National Park - taking the Madre e Hija Trail which links the Fitzroy and Torre Valleys. We walk past two clear lagoons and through 'Lenga' forest on our way to Torre Lagoon, from where weather allowing, we will be rewarded with stunning views to Torre Massif and the surrounding glaciers as we have our picnic lunch. Later we continue our trek along Torre Trail back to El Chalten.

Today’s 18 kilometre trek is expected to take around seven hours with 300 metres of ascent and descent.

DAY 5 - Free day; Optional boat trip and hike to the Vespignani Glacier lookout.

This morning there is an optional excursion to Lago Del Desierto, where you will enjoy a scenic drive to the lake, followed by a short sail across the lake and a hike up to the Vespignani Glacier lookout. In the afternoon we travel back to El Calafate, where we spend the night.

Please note: If the group is six people or less the bus journey to El Calafate will be by public bus.
Today we travel for approximately six hours by public bus south to Puerto Natales, crossing the border into Chile en route. Puerto Natales is a small fishing port with a rich history as a meeting point for merchants and Patagonian pioneers. Later that day we have briefing with the Tour Leader and the local trekking guide on the ‘W’ Trek, and have the rest of the day to prepare for the trek and explore the town.

After breakfast we drive from Puerto Natales to Torres del Paine National Park (approximately an hour and a half). We continue along the winding roads of the park to the Grey Lake area, with great views to ‘Cuernos del Paine’ en route. Arriving to the lake we start our hike to Ferrier viewpoint. This can feel a demanding ascent but the views over Torres del Paine National Park - of the mountains and glaciers of
Paine Grande and Los Cuernos Massif, are stunning. Later we take the ferry across Grey Lake to Grey refuge campsite (approximately one hour). The campsite is magnificently located between the lake and forest, close to Grey Glacier, we can make the short hike (two kilometres) to the glacier viewpoint.

Today's six kilometre trek is expected to take around four hours with 350 metres of ascent and descent.

DAY 11 - Trek to the Base of Las Torres. Return to Calafate

Our final day of trekking takes us to the foot of what has inspired us over the last week - the impressive granite towers of Torres del Paine. Climbing steeply, high above the scattered blue lakes, we hike along the Asencio river, and up towards the Torres. After a final clamber over steep terminal moraine deposited by a glacier centuries ago, we reach a panoramic point from where we admire one of the best known sights of Patagonia, the Paine Towers, rising very close, above a green lagoon. The famous Torres del Paine (2900m) consist of three gigantic granite monoliths, overlooking a landscape shaped by the forces of glacial ice and the elements. Again this is an iconic walking area so we will see other trekkers here.

On returning to Las Torres we travel by charter bus via Cerro Castillo pass back into Argentina and to El Calafate.

Today's 15 kilometre trek is expected to take around six hours with 600 metres of ascent and 800 metres of descent.

Climate
The best time to visit is spring (Sept-Nov) and autumn (March- April). Between June and September the heat in the northern part of the country is less intense. Remember rain can fall at any time of the year and the weather is changeable in the mountains. Easter Island has a tropical climate so is likely to be quite hot and humid. It can also rain there in the evenings and become chilly.

Budgeting and packing

Optional activities
The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

A selection of optional activities are listed below to help you budget for your adventure. Whilst the basic tour price you pay before you travel includes a great selection of highlights, we have also built in free time to allow you the flexibility to choose from a carefully selected range of additional excursions and activities, or take time to relax, the choice is yours.

Buenos Aires - Tango show US$70 and US$120 with dinner; Fiesta Gaucha Don Silvano - US$190, Tigre Delta cruise US$95
El Calafate - Perito Moreno Ice trek - (ages 65 and under due to Glaciares National Park regulations)
Argentina is undeniably an expensive destination to visit, and the costs of these optional excursions do show that. However, please remember that at certain destinations along the way there may be several options to choose from and it may not be possible to fit all the activities in.

In Torres del Paine hotel they charge 19% interest on the use of Chilean Pesos.

**Clothing**

Bring light and comfortable clothing that can be layered according to the temperature. The weather conditions in the mountains can be changeable, and it can become cold, especially at night, so bring warmer layers. Tops made from wicking materials which keep you drier and are recommended as a base layer, and walking trousers are preferable to trousers of heavier material such as jeans. A waterproof jacket is essential at all times in case of rain and wind.

- Breathable wind and waterproof jacket (you may also wish to bring waterproof trousers)
- T-shirts
- Long sleeved tops
- Midlayer Fleece/pullover
- Thick sweater/fleece jacket: A thick sweater or fleece jacket is necessary as nights can be cold. Make sure that your waterproof jacket is loose enough to wear over your sweater or fleece
- Insulated jacket
- Sunhat
- Long trousers
- Shorts (if you prefer to walk in them)
- Thermal underwear: Comfortable around camp and much more practical (and warmer) to sleep in than pyjamas.
- Gaiters: especially in November and December but due to unpredictability of weather any time of year could be necessary
- Swimwear and towel
- Socks (liner and thicker pair)
- Gloves, scarf & hat: Especially useful around camp in the morning and in the evening. Worth bringing two pairs - one fleecy for warmth and one pair that is waterproof and windproof

**Footwear**

We recommend you bring walking boots with ankle support - leather or fabric are both fine. Make sure that your boots are worn-in and comfortable before the start of the trip. Also trainers or sandals for relaxing and general wear. We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

**Luggage**

20kg

**Luggage: On tour**

You will need to take one main piece of baggage and a daypack.
Main Baggage
Recommend that this is lockable

Daypack
Your daypack should be at least 30 litres capacity. During the course of a trekking day, you will not have access to your trek kit bag, which is being carried for you by the porters. In any mountain region the weather can change rapidly and you must be equipped for this eventuality. Your daypack should be large enough to carry your day things including: waterproofs, fleece, long trousers (if walking in shorts), warm hat and gloves, sun hat, suncream, water bottle (at least 1 litre bottle), tissues and your packed lunch. Camera equipment can be heavy so think carefully when deciding what to take. Please note that in the Fitzroy area you will also be carrying your overnight things for two days / one night.

Trek Kit Bag (provided at the hotel in Puerto Natales)
In Torres del Paine your main bag will stay at with our local ground suppliers and you will be given a trek kit bag in which to put your kit for the W circuit. Your trekking clothing and equipment should be packed into the kit bag which is to be carried by local porters. In Puerto Natales there is time to re-organise your luggage, the weight limit for this is 5kg and advice on how to pack will be given at the trek briefing.

Internal flights
The baggage limit for the internal flight between Buenos Aires and El Calafate is 15kg. If you exceed the limit you are able to pay for the excess locally at the airport, this is approximately $20.

Equipment
- Sunglasses
- Sunhat
- High factor sun cream: Patagonia is very near the ozone layer hole. A combination sunblock/lipsalve is ideal for facial protection.
- Small Torch (with spare batteries and bulb). Often a head torch is the most practical option as it allows you to have both hands free
- Camera
- Sleeping bag liner (fleece will add warmth)
- Walking poles (recommended)
- Personal toiletries: Essentials are toothbrush/paste, biological soap and a small towel. 'Wet Wipes' and hand sanitiser gel are recommended
- Personal first aid kit - On each walk a first aid kit is carried but you should have your own blister kit, supply of plasters, aspirin and other essentials.
- Insect repellent
- Small waterproof dry bag (for items such as your mobile phone)
- Dry/plastic bags: Useful for separating things out in your kitbag and keeping things dry in both your kitbag and day sack
- Waterproof Cover for Rucksacks: Can be useful to offer extra protection for your bags against rain.
- Reusable water bottle (minimum 1 litre). The camp staff will provide plenty of water each day with which to fill your own bottle. Get 15% discount on a Water-to-Go bottle www.explore.co.uk/about-us/responsible-travel/water-to-go-discount-with-explore
- It's worth bringing a portable power pack or a solar charged device

Tipping
Explore leader
Tipping isn’t compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We’re often asked about the recommended amount. It’s a tricky one, and down to personal preference, but we’d recommend between £15 to £20 per person per week as a guideline.

Local crew
Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow US$ 60, approx. 2’650 Argentine Pesos for group tipping.

For all non-included services and meals on your trip please tip independently at your discretion.
