Climate and country information

India

Climate

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

Budgeting and packing

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

On your free morning in Chambal you can choose from the following:

Jeep Safari to Sarus Crane Wetlands - 2,900 Rs per person

Jeep Safari to spot Blackbuck - 2,900 Rs per person

Etawah and Quila Pratap village tour - 2,900 Rs per person

Clothing

From March through to November the weather will be warm and lightweight clothing is recommended. Conditions in December through to February will be cooler, and will require warm clothing mainly for early morning and evenings although please note that midwinter does see occasionally very cold spells and hotels rarely have heating arrangements compatible with UK standards so a thick fleece is necessary. Local people may be offended by western styles of dress. Brief shorts, tight fitting clothing etc. should be avoided by both men and women. Neutral coloured clothing is best for the game drives in Ranthambore.

Footwear

Comfortable shoes and sandals.

Luggage

20kg

Luggage: On tour

One main piece of baggage and a daypack. Remember you are expected to carry your own baggage - so don't overload yourself. There are porters available for a small cost at train stations if you wish to use them.

Equipment

A torch is useful in case of powercuts/ emergencies. Binoculars are needed for game/ bird watching in Ranthambore and Chambal. We advise taking a water bottle for day to day use.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow GBP40, approx. 3'400 Indian Rupees for group tipping.

For all non-included services and meals on your trip please tip independently at your discretion.

India

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price
£8	£10	£3	£0.5

Foreign Exchange

Local currency

Indian Rupee Recently new 500 and 2000 rupee notes have been bought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

Recommended Currency For Exchange

GBP/US\$ are the best currency to change into local currency.

Where To Exchange

The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

ATM Availability

ATMs are available in most large cities in India but they are very limited elsewhere so please do not rely on this.

Credit Card Acceptance

Very rarely, only in the larger outlets.

Travellers Cheques

Opportunities to exchange are limited.

Accommodation notes

The Chambal Sanctuary is a wonderful natural location in an area rich with wildlife, but has very limited accommodation. For the majority of the year we will be staying in cottages at the Chambal Safari Lodge. However, there is a particularly busy period for the area around the time of the Bateshwar Festival which usually takes place at the end of October or early November. During this period the lodge supplements its rooms with tented accommodation. They have proper full sized beds, en suite facilities, hot and cold running water and carpeted floors. Please note that at this time of year we may be allocated this type of room.

Included activities

Tiger Safari permit requirements

Ranthambore National Park is closely managed by the Indian Authorities. The number of vehicles permitted to enter the park at any one time is restricted and all game drives must now be booked and paid for well in advance. We recommend you book as early as possible in order to have the best chance of securing a space on a game drive.

In order to secure a booking we must provide your passport copy and full payment for the safari at the time of booking.

Once a game drive has been booked no changes are permitted and the payment is non-refundable. In order to proceed with bookings we require the following: A scanned copy of your passport - you must carry your passport during the game drive and if you renew your passport before travelling then you will need to take both passports with you.

We book all of our game drives in shared jeeps, with a maximum of 6 passengers per jeep with a driver and naturalist guide. On occasion we will be sharing jeeps with non-Explore passengers.

We will purchase seats for all passengers as soon as permits become available, usually 4 months prior, after this point it is not always possible to secure additional spaces.

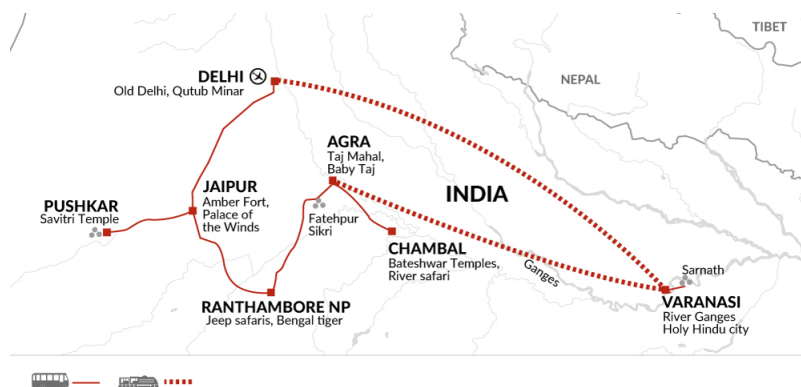

We cannot guarantee the operation of any game drives until the necessary permits have been purchased. We aim to purchase the permits as soon as they are put on sale, whilst this is usually at 120 days before the date of the game drive on going changes to the booking system means that we cannot guarantee this.

Transport Information

Travelling on an Indian train is a fantastic experience, with millions using the rail network every day it is the perfect opportunity to meet local families.

For all the train journeys on our trips, we will reserve your seats/berths in advance in 2nd class with air conditioning. Whilst we'll try to ensure the group is all together, due to overwhelming demand and the system for booking train tickets in India, it may not always be possible to have everyone in the same carriage and some reservations may be in 3rd class. In such cases our Tour Leaders will help everyone to find their seats and ensure you get the most out of your journey. For overnight trains, each berth is separated by curtains and has 4/6 bunk beds. Bedding (sheet, blanket and pillow) is provided but you may wish to bring your own sleeping liner for added comfort. Train travel in India is safe and civilised but for added security whilst you sleep it may be a good idea to bring a bike lock for your bags. If you do not wish to carry one with you, your tour leader can help you to purchase one locally before your train journey.

Please note that in January train journeys can sometimes be affected by fog. This may result in some last minute changes to the itinerary. In this eventuality we will endeavour to stick to the itinerary as closely as possible and will cover any extra costs incurred.

In order to make reservations on Indian trains and guarantee the smooth operation of your trip, we require your full passport details. It is important that we receive these details as soon as possible so we are ready to make the arrangements as soon as train tickets are available to buy.
