Our trip begins in the Arrivals Hall at Venice Marco Polo Airport (VCE) at 15.45pm. If you would like to join the complimentary airport transfer today, the latest your flight can arrive is 15.15 pm. We will travel together as a group (around three hours' drive) to our hotel in Dobbiaco (1217m). Located in the far north of Italy, we are close to the border with Austria. There are great views of the mountains from our hotel and it is well-located for all the shops, restaurants and other facilities in the town. There will be a short briefing on arrival by our tripLeader about the week ahead.

We have lunch and explore further around the lake before taking the public bus back to our hotel.

#### **DAY 5 - Free day: optional visits to Cortina, Leinz and Bolzano**

Today is an opportunity to rest your legs and explore the cultural side of the region. There are various

possibilities including making a trip to Cortina - arguably Italy's premier ski resort with smart shops and craft stores; Lienz in Austria with beautiful architecture, museums and cafes; or Bolzano (you can use your free bus pass) which is home to the remarkable Ice Man, discovered in the Schnalstal Glacier in the Otztal Alps in 1991. At over 5000 years old, he is Europe's oldest natural human mummy and the discovery of his body, along with the remnants of his weapons and clothing has helped to throw some light on the life and times of the region's Chalcolithic (Copper Age) Europeans. All of these excursions can be made using public transport. You can also take a jeep ride up to Monte Piana and Monte Piano to see the WWI remains and trenches. The walk across the plateau here is beautiful and poignant. A further option is to visit Brunico and the Reinhold Messner (mountaineering) museum. Alternatively you can take further walks or stay at the hotel and make use of the indoor pool and spa.

We traverse around the mountain and then on to the Locatelli hut at 2405m where we are rewarded with wonderful views of the striking cliffs of the north face of the Tre Cime, arguably one of the most iconic mountain views in the whole of Italy. Our descent takes us east, past a waterfall, and along a path by the river. We arrive at the Dolomitenhof for a well-earned drink.

Today's 13 kilometre walk is expected to take around seven hours with a total ascent of 500 metres and a descent of 1190 metres.

### Budgeting and packing

#### Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Cortina: one of Italy's premier ski resorts: public transport, 1 hour each way, €8 return journey.

Lienz: charming medieval town in Austria with churches & museums: public transport, 1 hour each way, €10 return journey.

Bolzano: 5000 year old ice man: public transport, 2 hours each way (covered by your free weekly travel pass), 9 euros ice man museum entrance.

Monte Piana - WWI remains. Jeep from Misurina €12 both ways

Brunico - Messner's museum €9.00

#### Clothing

We recommend taking lightweight and breathable clothing that can be layered according to the temperature and your level of activity. This should include a good quality waterproof jacket and trousers (e.g. Goretex / e-Vent), fleece jacket, comfortable walking trousers, shorts, warm hat and gloves, sunhat

and sunglasses. Temperatures can change dramatically at altitude and at night. For around-town wear in Dobbiaco, you may like to bring some slightly smarter clothes.

## Footwear

We recommend you bring walking boots with ankle support- leather or fabric are both fine. Make sure that your boots are worn-in and comfortable before the start of the trip. Also trainers or sandals for relaxing and general wear. We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

## Luggage

20kg

### Luggage: On tour

One main piece of baggage and a waterproof daysac (25-40 litres recommended).

## Equipment

You will need a reusable water bottle (preferably 2 litres), and high factor sun cream. You may like to bring trekking poles. It is a good idea to line your daysac with a good quality plastic bag. This will go a long way in protecting your gear from any rainstorms we encounter.

Tap water is safe to drink at the hotel, but water sources along the trail may not always be drinkable. Using tap or purified water rather than bottled water will help avoid creating plastic bottle waste. Energy snacks including chocolate and sweets are recommended whilst on trek as well as a lunch box/Tupperwear for picnic lunches.

## Tipping

### Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per person per week as a guideline.

## Italy

### Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price
£10.00 - 15.00	£20.00 - 25.00	£2.00 - 4.00	£1.00 - 2.00

### Foreign Exchange

**Local currency**      **Recommended Currency For Exchange**
