Walking in Newfoundland

Newfoundland, an island on the edge of wilderness, jutting into the North Atlantic - famed for its coastal scenery, icebergs, sea stacks, prolific birdlife and whales. Known as 'the Rock' to the locals, we explore the East Coast Trail on foot, linking isolated communities who still speak with an Irish accent. Stay in two bases, St John's - perched on a fjord and famous for its old fashioned bars, and Trinity where depending on the season we take a zodiac to see icebergs or whales. Pack your walking boots and head to Canada's best kept secret.

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Additional Puffin tour on part of the Klondike Trail - \$60 per person 2 to 2.5 hours

All optional excursion costs are subject to change at the discretion of the local supplier.

Clothing

Weather is changeable, so bring a warm jacket/fleece and a waterproof jacket and trousers. Think 'layers' to enable you to be comfortable no matter what the temperature as this could easily fluctuate throughout the day.

Footwear

We recommend you bring lightweight walking/hiking boots with good ankle support. We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

Luggage

20kg

Luggage: On tour

Bring one main piece of luggage and a 20-30 litre day sack is recommended. You will need to carry what you need for the day which may include a raincoat, jumper, camera, sun-cream and picnic lunch.

If travelling with Westjet your check-in baggage is not included and has to be paid at check in. The current costs for baggage are approx. GBP 25.00 per person per piece. Please check the Westjet website for the most up-to-date prices and information.

Equipment

You may also find walking poles useful. Binoculars are also recommended.

Tipping

Explore leader

At your discretion you might also consider tipping your Explore Leader in appreciation of the efficiency and service you receive.

Local crew

In North America tipping 15%-20% is a recognised part of life across the service industry, including restaurants, activity suppliers, taxis and guides. Local staff will look to you for personal recognition of particular services provided.

Unlike other Explore trips, during our trips in North America our Explore leaders will not operate a tips kitty. However, they will be more than happy to provide guidance throughout the trip on who to tip when and to suggest appropriate amounts.

Please ensure your policy includes medical emergency helicopter evacuation in the event of illness or injury and covers the entire duration of your holiday. If you are trekking at altitude please ensure that there is no upper altitude limit which may limit or exclude cover for your trip. The cost of many of our Polar Voyages will exceed the capped amount covered by standard insurance premiums and you will be required to pay an additional premium to cover the full value of your trip.
