Clothing

Parkas

You should look for a lightweight, roomy, wind and water-resistant parka with some insulation. Bright colors are more visible - and thus safer - in polar environments.

Gloves

Keeping your hands warm and dry can be a challenge. Thin polypropylene gloves can be worn underneath warm outergloves. This allows you some protection from the cold when removing your gloves to operate your camera etc. We strongly recommend that you bring more than one pair of gloves, in case one gets wet (or lost).

Hat/Cap

Warm, woollen hat/cap to protect your ears, as well as a scarf, neck gaiter or other face protection, such as a balaclava.

Trousers

Water-resistant trousers of coated nylon or, even better, Gore-Tex® are essential for your comfort. They can be worn over your regular clothes to keep you warm and dry. We suggest that you purchase trousers a few sizes larger than you normally wear as you will be wearing them over other clothing. Gore-Tex® or similar fabrics are excellent for keeping out wind and water without trapping excess heat. Rain gear and Gore-Tex® products can be found in any outdoor sport clothing store. In addition to your waterproof trousers, warm ski pants are suggested if you have them. Warm trousers such as jeans, corduroys etc are also good.

Socks

Warm wool socks worn over a thin pair of silk, polypropylene socks should provide enough warmth and insulation for your feet. Bring several pairs of socks, since you will inevitably get your feet wet.

Outer Clothing Woollen, knit or cotton sweaters/tops, polar fleece tops (medium weight), several cotton turtlenecks and T-shirts for layering on and off the ship.

Underclothing

Thermal underwear is highly recommended as it will keep you warm without adding bulk. Most polar travellers prefer a lightweight version.

Footwear

Complimentary waterproof boots will be supplied on-board. However, if you have extra small or large feet, you are advised to bring your own.

Also ensure you take good walking boots and trainers for relaxing.

Luggage

15Kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Please note that a 15kgs luggage weight limit is sporadically enforced on the internal flight to Ushuaia, occasionally charges may be levied against passengers taking luggage in excess of 15kgs.

Equipment

Sunglasses and sun cream

Insect repellent

Personal toiletries

A refillable water bottle

Books/reading material

Camera and memory cards

Seasickness remedy

Walking poles

Tipping

Local crew

Tipping is of considerable significance to the people who will take care of you during your travels. It is an expression of satisfaction. The suggested amount is USD \$10 - 12 per person per day spent on board. Of course, tipping is a personal choice and the suggested amount is set only as a guideline.

Argentina

Foreign Exchange

Peso

Recommended Currency For Exchange

Carry all your funds in US cash NOT Sterling or Travellers Cheques which are more difficult to exchange. We recommend to take a minimum of US\$400-\$500 of your total spending money in cash, in mixed denominations. Notes should be in good condition otherwise they might be difficult to exchange. You may wish to take extra cash as most optional excursions need to be paid in USD cash (not dispensed by ATMs in Argentina or Chile).

Where To Exchange

Your Tour Leader will advise you on arrival.

ATM Availability

Available in Buenos Aires. In Patagonia some cards with Chip and Pin do not work in the ATM machines. Always have some cash as back-up as they are not always reliable

Credit Card Acceptance

Credit cards are useful and can be used in some places, but may be subject to a 10% service charge

Travellers Cheques

experts will ensure you learn about how a polar expedition runs, your unique surroundings and the wildlife; Zodiacs will take you to shore for close encounters.
