## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Join tour in Delhi. Optional afternoon sightseeing tour

Arrive Delhi and check-in at the hotel. Delhi is a fascinating mixture of old and new. Steeped in history and at the same time buzzing with the comings and goings of modern life.

For those arriving on time today our Leader plans to meet you in the hotel reception at 12pm for the welcome meeting. After the welcome meeting there is an optional sightseeing tour of Old Delhi, visiting Jama Masjid mosque which is one of the largest and most well known in India and Chandni Chowk market place, built by Shah Jahan who also created the Taj Mahal. Drive through India Gate and see the government buildings, before returning to the hotel.

If you would like to receive a complimentary airport transfer today, you'll need to arrive Indira Gandhi International Airport (DEL), which is a one hour drive from the city centre.

Please note that if you wish to join the optional Delhi sightseeing tour today, you must arrive at the hotel by 12pm. If you are booking your own flights, we recommend giving yourself at least one and a half hours to clear the airport. From the airport to the hotel is around 30 minutes' drive, so therefore the latest your flight can arrive is 10am. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up.

We will begin our cycle journey tomorrow and over the coming days we will be covering on average some 56 kilometres a day, spending up to six hours in the saddle.

## **DAY 2 - Drive to Agra. Visit Agra Fort, sunset at the Taj Mahal**

This morning we leave Delhi behind and drive for about four hours heading south to Agra. Once the capital of the mighty Moghul Empire, the city is littered with some of the country's most opulent and spectacular buildings and one particularly fine example is its imposing fort, whose grandeur and importance has seen it inscribed on the UNESCO World Heritage List. Built by Emperor Akbar and then embellished by his grandson, Shah Jahan, this was once a great city, with palaces, mosques and halls all lying behind the protective embrace of 20m high walls. After visiting Agra Fort we will watch the sunset over the Taj Mahal, surely one of India's most beautiful and most revered monuments. Certainly one of the most universally recognised buildings on earth, the Taj Mahal was built by the emperor Shah Jahan to honour the memory of his beloved wife Mumtaz.

No cycling today.

After our visit we jump on our bikes for the first time and begin our cycling adventure. Today's almost flat ride will be on back roads passing through picturesque rural India, with its fascinating villages, waving children, and colourful traffic. On reaching Bharatpur we will check in at the hotel depending on your energy levels you may wish to take a walk round the city centre and refuel on a Rajasthani Thali filled with tasty and colorful dishes like Chicken Tikka and Paneer Tikka. ## Climate and country information

### India

#### Climate

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

## Budgeting and packing

### Clothing

Bear in mind that the area is tropical with high humidity. Lightweights are needed all year round with some warmer clothes (ie fleece and long trousers) for the cooler winter evenings (November to March). Bring cycling gear such as gloves and padded shorts. Whilst cycling in shorts is acceptable and expected, please note that for visits to temples and city sightseeing, tight fitting sleeveless t-shirts, brief or tight shorts and miniskirts should be avoided, since they attract unwelcome attention.

### Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

### Luggage

20kg

### Luggage: On tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike. Remember you are expected to carry your own luggage so don't overload yourself.

## Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

## Tipping

### Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline

### Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow GBP45, approx. 3'800 Indian Rupees for group tipping.

For all non-included services and meals on your trip please tip independently at your discretion.

## India

### Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price
£8	£10	£3	£0.5

### Foreign Exchange

**Local currency**

Indian Rupee Recently new 500 and 2000 rupee notes have been bought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

**Recommended Currency For Exchange**

GBP/US\$ are the best currency to change into local currency.

**Where To Exchange**

The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

**ATM Availability**

ATMs are available in most large cities in India but they are very limited elsewhere so please do not rely on this.

**Credit Card Acceptance**

Very rarely, only in the larger outlets.

**Travellers Cheques**

Opportunities to exchange are limited.

**Transport, Accommodation & Meals****Transport Information**

Bus, 4WD, Bicycle

**Accommodation notes**

Comfortable - Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

We will purchase seats for all passengers as soon as permits become available, usually 4 months prior, after this point it is not always possible to secure additional spaces.

We cannot guarantee the operation of any game drives until the necessary permits have been purchased.

We aim to purchase the permits as soon as they are put on sale, whilst this is usually at 120 days before the date of the game drive on going changes to the booking system means that we cannot guarantee this.
