Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Delhi and afternoon tour of New Delhi

Our trip begins in the Indian capital today, where later this afternoon there will be a briefing outlining the plans and itinerary for the coming days ahead. This afternoon we include a city tour of the sights of New Delhi. This part of the Indian capital was the creation of the British Raj of the 30's and includes the Lok Sabha (Parliament) and India Gate which we will view on our way to explore the Qutub Minar and Humayun's Tomb.

Hotel Jivitesh (or similar)

Grade: Premium Hotel

DAY 2 - Morning sightseeing Old Delhi and evening flight to Bhopal

This morning we will take a tour of fascinatingly chaotic Old Delhi. Compared to New Delhi it is much closer to the image conjured up by Rudyard Kipling. We will discover Old Delhi by metro and on foot, culminating with a jamboree of deafening barter at Chandni Chowk Bazaar. A short cycle rickshaw ride then takes us to the Jama Masjid mosque.

In the evening we will fly to Bhopal in central India and check in to our hotel. Known as the City of Lakes for its various natural and artificial lakes, it is one of the greenest cities in India and the capital of Madhya Pradesh.

ACCOMMODATION:

Hotel Atishay Bhopal (or similar)

Grade: Comfortable Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

DAY 3 - Drive to Satpura via the temples of Bhojpur

After breakfast we leave Bhopal and make our way to Bhojpur, famous for the incomplete Bhojesvar temple dedicated to Shiva. The temple consists of the inner sanctum which houses one of the largest lingas (a phallic symbol that represents the god Shiva) in India, crafted from a single rock. It is topped with an elegant dome supported by massive pillars as the outer walls and superstructure of the temple were never built.

We continue on our journey, stopping to visit the Stone Age Rock Shelters of Bhimbetka, named after the mythological hero Bhima. The shelters are the site of the earliest traces of human life on the Indian subcontinent, and mark the beginning of the South Asian Stone Age. At least some of the shelters were inhabited by Homo Erectus more than 100,000 years ago and the oldest rock paintings are around 30,000 years old. A short drives brings us in to Satpura National Park, our base for the next two days.

ACCOMMODATION:

Denwa Backwater Retreat (or similar)

Grade: Premium Lodge

SWIMMING POOL AVAILABLE

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 4 - Take a jeep and walking safari in Satpura National Park

Today we begin our search for wildlife with a visit to Satpura National Park with its rugged hills, sandstone peaks and deep gorges. The park is visited less than many in India and gives us a real sense of being out in the wilderness. We'll take a jeep safari in the morning seeking Bengal tigers, Sloth bears, Leopards and Malabar giant squirrels, amongst the many types of deer that inhabit the park. In the afternoon we will go on a guided walk in the park's buffer zone. Being on foot offers us the chance to take in the smaller residents of the park, from butterflies to ants, and gives us time to stop and smell wildflowers or appreciate the knarly trees of the native sal and teak forests.

ACCOMMODATION:

Denwa Backwater Retreat (or similar)

Grade: Premium Lodge

SWIMMING POOL AVAILABLE

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 5 - Morning boat ride and afternoon jeep safari

This morning we head out by boat on Tewa Lake which has some delightful coves and bays. We glide silently along the lake, scanning the shore for leopards and the large Muggers crocodiles that bask alongside the lake. In the afternoon we take to jeeps and head in to the park in the hope of spotting a Bengal tiger, leopard or perhaps a pack of wild dogs.

ACCOMMODATION:
Denwa Backwater Retreat (or similar)

Grade: Premium Lodge

SWIMMING POOL AVAILABLE

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 6 - Drive to Kanha National Park

DAY 7 - Morning and afternoon safaris in Kanha National Park

Kanha is one of India's larger parks and offers a very high chance of spotting tigers and their favourite prey, Chital and Sambar deer -The park is very different to Satpura, consisting of open grassland areas, meadows, bamboo forests and some hills covered with tropical forests. We take jeep safaris both in the early morning and late afternoon - the best times for seeing wildlife. While we hope to spot tigers many other species can be spotted including gaur, barking deer, sloth bear, jackal, macaques, mongoose and leopard.

DAY 9 - Take two jeep safaris in Pench National Park

Named after the River Pench which flows through the park, this beautiful area is generally considered to be the inspiration and setting for Kipling's 'Jungle Book'. Although Kipling himself never actually visited the area, he was an avid reader of the works of the British explorers that did. The park's teak forests have an unusually high density of wildlife including a good number of tigers and wild dogs known as Dholes. Pench sees quite a low number of visitors and offers a very good chance of spotting tigers.

DAY 10 - Final safari in Pench and drive to Tadoba

Grade: Comfortable Lodge

MEALS PROVIDED: BREAKFAST & DINNER

DAY 11 - Morning and afternoon jeep safaris in Tadoba National Park

Tadoba is off the beaten track for most visitors to India, yet it is well worth visiting as tigers, honey badgers and leopards all thrive in the park. Predominantly teak and bamboo forest with a large lake lying to the south west, the park's densely forested hills are interspersed with meadows which are the favourite hunting grounds of the park's tiger population. We take an early morning jeep safari and a second afternoon safari to increase our chances of spotting the park's famous inhabitants.

Tiger Village Resort (or similar)

Grade: Comfortable Lodge

DAY 12 - Morning safari in Tadoba; fly to Mumbai

DAY 13 - Discover the incredible city of Mumbai

This morning we experience the vibrant, bustling and chaotic city of Mumbai. We'll explore the narrow alleys and ramshackle houses of the Dharavi slums, a thriving community made famous by the film

'Slumdog Millionaire' and the Mahatma Gandhi Museum where we'll discover fascinating remnants from the great man's life. We'll also visit the eerie Towers of Silence where the Parsis laid out their dead for birds to dispose of, thereby returning them to nature in line with their Zoroastrian belief, and the Dhobi Ghats, the world's largest outdoor laundry where clothes are cleaned by beating them on a huge stone. Finally we'll see the impressive Prince of Wales Museum which will take us through the natural and archeological history of India, and the nearby Gateway of India arch, built to commemorate the visit of King George V and Queen Mary's visit in 1911 but not completed until 1924, and famously the exit point for the final British troops from the sub-continent after independence.

Our trip ends in the early evening after our city tour.

Trip information

Country information

India

Climate

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

Budgeting and packing

Clothing

In general only lightweight clothing is needed during the day, but bring a warm jumper for early morning game drives and during winter evenings November to mid March, (especially December and January) when a windproof jacket, several warm layers, gloves and hat are also recommended. Hotel heating

arrangements are not on a par with UK standards and from December to February thermals are also recommended. Natural coloured clothing is required for the game drives, avoid wearing bright colours. Local people may be offended by western styles of dress. Brief shorts, tight fitting clothing etc, should be avoided by both men and women.

Footwear

Comfortable shoes and sandals.

Luggage

15Kg

Luggage: On tour

One main piece of baggage and a daysac. Please note on internal flights luggage limit is 15kg.

Equipment

A torch, water bottle, good quality sunglasses, insect repellent and high factor sunscreen are all essential. You may also find binoculars a bonus for the game viewing.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow GBP40, approx. 3'400 Indian Rupees for group tipping.

For all non-included services and meals on your trip please tip independently at your discretion.

India

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price
£8	£10	£3	£0.5

Foreign Exchange

Local currency

Indian Rupee Recently new 500 and 2000 rupee notes have been bought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

Recommended Currency For Exchange

GBP/US\$ are the best currency to change into local currency.

Where To Exchange

The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

ATM Availability

ATMs are available in most large cities in India but they are very limited elsewhere so please do not rely on this.

Credit Card Acceptance

Very rarely, only in the larger outlets.

Travellers Cheques

Opportunities to exchange are limited.

Accommodation notes

Accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties, camp sites and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

Included activities

Tiger Safari permit requirements

National Parks and Tiger Reserves are closely managed by the Indian Authorities. The number of vehicles permitted to enter the park at any one time is restricted and all game drives must be booked and paid for well in advance. We recommend you book as early as possible in order to have the best chance of securing a space on a game drive.

In order to secure a booking we must provide your passport copy and full payment for the safari at the time of booking.

Once a game drive has been booked no changes are permitted and the payment is non-refundable. In order to proceed with bookings we require the following: A scanned copy of your passport - you must carry your passport during the game drive and if you renew your passport before travelling then you will need to take both passports with you.

We book all of our game drives in shared jeeps, with a maximum of 6 passengers per jeep with a driver and naturalist guide. On occasion we will be sharing jeeps with non-Explore passengers.

We will purchase seats for all passengers as soon as permits become available, usually 4 months prior, after this point it is not always possible to secure additional spaces.

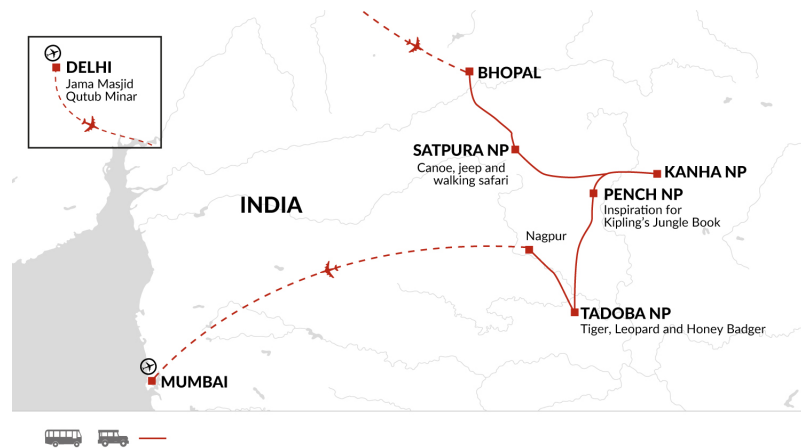

We cannot guarantee the operation of any game drives until the necessary permits have been purchased. We aim to purchase the permits as soon as they are put on sale, whilst this is usually at 120 days before the date of the game drive on going changes to the booking system means that we cannot guarantee this.
