## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Join tour in Amman

We join our tour in Amman, the capital of Jordan and one of the oldest continuously inhabited cities in the world. Now home to almost half of the country's population, it is a fascinating city of contrasts, where the very ancient and the brand new collide. Depending on the schedule of your flights, you may wish to explore the city independently. Our accommodation is a good 3 star hotel and it is centrally located.

## DAY 2 - Visit Roman Jerash and mosaic-clad Madaba

This morning we drive the short 30 mile journey north of the capital to the ancient Jerash. Populated for over 6,500 years, the city's golden age was in Roman times when it was conquered by General Pompey and became one of a confederation of ten important Middle Eastern cities, known as the Decapolis League. Now, because of the way it has been preserved in sand before its excavation last century, it is widely acknowledged as one of the best-preserved Roman provincial towns in the world. Walking around the colonnaded streets, soaring hilltop temples, handsome theatres and the chariot-racing stadium, it is easy to imagine Roman life carrying on around you. All this is just the tip of the iceberg - it is estimated that only about 10% of city has been uncovered.

This afternoon we head south to Madaba - a town with a strong Christian heritage and aptly dubbed the 'City of Mosaics'. Home to hundreds of Byzantine-era mosaics, the most famous of these is the 6th century map of Jerusalem and the Holy Land. Created with two million pieces of vividly coloured local stone, it is believed to be the oldest surviving map of the holy land.

Before heading back to Amman, we stop off at Mount Nebo - a site of Christian significance due to its reference in the Old Testament as being from where Moses saw the Promised Land. On a clear day, you too can see out across the border to Israel from its summit.

## DAY 3 - To Petra; explore Shobak and Kerak Castles en route

This morning, just as traders, armies and pilgrims have done before us, we journey south along the impressive 5,000 year-old King's Highway to Kerak. Imposingly situated on a rocky outcrop next to the road and containing a maze of stone-vaulted halls and passageways, this ancient Crusader stronghold is

the most famous of a chain of fortresses built for the Holy War against Islam. We continue south to Shobak Castle. Lesser known than its sister fortification, Shobak dominates the rugged surroundings and its visit is truly evocative as we are among the few visitors to venture into this stronghold.

Our day of exploring Crusader castles ends with a short drive to Petra - without doubt Jordan's most valuable treasure. We can look forward to a couple of days spent here to really get under the skin of this awe-inspiring site. We arrive in time to take an optional candlelight tour of the ancient city. Abandoned centuries ago, this other-worldly place is enhanced by the play of light and shadow to create an altogether magical experience.

#### **DAY 4 - Explore the magnificent 'rose-red city' of Petra**

Over the next two days we get the opportunity to discover Petra and to soak up this mysterious city. Our entrance fee for both days is included, giving us the chance to truly do justice to this jewel with an in depth visit. Our hotel, a good three star accommodation in the centre of town, is very conveniently located, just a few minutes walk away from the action, so we can visit the town or come back to and from the archaeological site as we wish.

Defined by John Burgon with the illustrious words 'A Rose Red City half as old as time', Petra is a UNESCO World Heritage Site as well as one of the new wonders of the world. Often named as one of the places that you should see before you die, this ancient city carved in the rocks has retained its grandeur throughout the centuries and although much has been written about it, nothing really prepares you for the impact of this unique site.

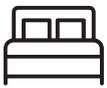

After a guided orientation tour which will take us to some of the key areas, we have the rest of the day to explore in our own time. Most of what can be seen today was built by the Nabataeans - an industrious Arab people who settled here more than 2,500 years ago, growing wealthy on tax proceeds from passing silk and spice trade.

Petra's spectacular setting deep inside a narrow desert gorge adds to its majesty. The site is accessed by walking through a kilometre-long chasm (known as the Siq), the walls of which soar to a height of 200m.

Petra's most famous monument, the Treasury, appears dramatically at the end of the Siq, carved out of the sheer, dusky-pink rock face. Miraculously well preserved, this massive 43 metre-high façade dwarfs everything around it and perfectly represents the engineering genius of these people.

The existence of this site had been kept secret for centuries by the local Bedouins and only revealed to the West by the Swiss explorer Johann Ludwig Burckhardt in 1812. After the decline of the City, due to shifting trading routes and a series of earthquakes, the Bedouins had continued to use the sophisticated water system created by the Nabateans to make the most of the water coming from the perennial stream and the flash floods; a precious oasis in the middle of an inhospitable desert. It's easy to imagine how overwhelming the rediscovery of the site must have been for him!

While you wander through literally hundreds of tombs, temples and colonnaded streets, your mind finds it easy to picture caravans loaded with frankincense, spices and textiles travelling through the Siq. The site is excellent for photography and the best time to take pictures is either early to mid-morning or late afternoon, as this is when the angled sun highlights and enhances the natural red, pink and orange colours of the rocks.

## **DAY 5 - In Petra; chance to trek up the Royal Tombs**

Today is free for you to discover more of Petra's beautiful and awe-inspiring buildings and scenery. You may choose to climb the steep path to the 'High Place of Sacrifice' for a stunning view over Wadi Araba and the Negev Desert, or trek up to the impressive 'Monastery' - Petra's largest monument. This evening we enjoy a Bedouin cookery demonstration and meal at a nearby restaurant, learning how to make a traditional Makloubah (upside down) dish, with meat, rice and fried vegetables, followed by Um Ali, a creamy Arabic dessert with croissant pieces, raisins and nuts.

### **DAY 6 - Four wheel drive adventure in the Wadi Rum desert**

Today is all about embracing the Wadi Rum desert experience in its authenticity, as we have the once in a lifetime opportunity to live the lifestyle of the nomadic Bedouin people. This morning we will leave Petra by bus and head to Wadi Rum Visitor Centre where we will transfer into 4WD jeeps for an exhilarating 2 hour jeep drive through the desert. This is a great chance to see the most spectacular and untouched parts of Wadi Rum.

Wadi Rum occupies a region of 74,000 acres and as described by T.E. Lawrence, is 'vast, echoing and God-like...'. Monolithic outcrops of granite rock and sandstone rise out of the desert with a drifting blanket of sand between them. It is at its most impressive at the beginning and end of the day when the soft light and blue sky create a coppery effect on the sand. The Bedouins learnt to live with this hostile environment 3000 years ago, choosing the partnership with the camel for their survival. They understood the importance of keeping on the move and interpreting the elements, in order to find food and water. This afternoon we have the chance to experience a camel ride and learn about this precious alliance between the dromedary and the nomads.

After sunset, we enjoy the Bedouin hospitality around the campfire under a blanket of stars; a great setting to share stories while sipping mint and sage tea. A traditional zarb, which consists of a chicken or a goat meal cooked under the desert sand, is served as well as a delicious selection of mezze.

The campsite we use presents the opportunity to experience traditional Bedouin living arrangements in a large communal style goat hair tent, which provides the best protection against typical desert extremes of hot and cold weather. The tent is laid out with rugs, mattresses, pillows and sleeping bags and is where each tribe would commune to eat, sleep and socialise, as well as a fire pit to sit around and enjoy some local sweet tea. Far away from the tourist centre, roads and within the Wadi Rum protected area, the camp is intimate and provides great views over the desert. A toilet and wash block with limited washing facilities is also available during our stay. Private tents can be paid for locally should you wish, subject to availability.

**DAY 8 - Float on the Dead Sea before heading back to Amman**

Today you have the opportunity to swim in the Dead Sea. Officially the lowest point on the earth's surface, this unique water body has an amazingly high salt content (33%) which means that no animal life survives and it is almost impossible to sink. The experience of floating naturally is unique and relaxing on the calm sea. There is also the opportunity for mud pack treatments, renowned for their precious mineral contents and their health and beauty benefits. We stay at a private beach and include the use of showers and washing facilities.

Finally, we drive on to Amman and spend our last night in the bustling capital with free time to do some last-minute shopping and sightseeing. To mark the end of your trip, you may choose to enjoy a traditional or cosmopolitan meal, washed down with some excellent Jordanian wine, in one of the capital's exceptional restaurants. Your Leader will be able to provide suggestions.

## **Budgeting and packing**

### **Optional activities**

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Petra - Petra by night JD17.00 pp; Ottoman bath JD25.00 pp;

Little Petra JD17.50 pp for return transportation from Petra.

Wadi Rum - Camel trek JD20.00 pp.

Aqaba - Snorkelling on coral reef including lunch and snorkelling kit JD35.00 pp; Snorkelling from Boat (snorkelling equipment included) JD35.00 pp

### **Clothing**

Lightweight clothing is essential in mid- summer, with a sun-hat and neck protection, though a sweater and light jacket are advisable for Wadi Rum. Early mornings can be very cold when camping in the desert. Winters in Jordan can be cold, so please bring suitable warm clothing. We recommend a waterproof jacket in winter.

Women are advised not to wear shorts or dresses that are too revealing as this can attract unwelcome attention in the streets of Moslem towns - loose fitting trousers or slacks are ideal. Women should also cover their head and shoulders when entering a mosque and men should wear long trousers.

### **Footwear**

Comfortable walking shoes or boots, trainers and sandals (good grip is vital for Petra).

### **Luggage**

20kg

### **Luggage: On tour**

One main piece of baggage and a day sack. Hotel porters are not always available, so don't overload yourself. Please note you will only carry what you need to the camp in Wadi Rum and main luggage will be transported directly from Petra to Aqaba.

### **Equipment**

Sleeping bags, blankets and mattresses are provided, but we suggest you bring your own sleeping sheet. A personal water bottle, small torch and towel are useful for the night in Wadi Rum.

Camping at Wadi Rum is wild in a communal tent. Privacy and facilities are thus limited but more than compensated for by the location.

### **Tipping**

Explore leader

Tour Leader: At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

### **Local crew**

Local Crew: Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour. Accordingly, you should allow JD20 (Jordanian Dinar) for tipping.

### **International Departure Taxes**

The Jordanian government levies on all travellers a departure tax of JD10.00 per person. For travellers departing by air this is usually included in the taxes on the airline ticket and thus nothing will be collected from you at the point of departure. For those travellers departing by land, this will be collected by the immigration authorities at the port of departure from Jordan.

## **Jordan**

### **Food and drink**

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

<b>Lunch price</b>	<b>Dinner price</b>	<b>Beer price</b>	<b>Water price</b>
£10	£15	£4	£1.5

### **Foreign Exchange**

#### **Local currency**

Jordanian Dinar

#### **Recommended Currency For Exchange**

Sterling and US\$ are widely accepted though exchange rates tend to favour the US\$. It is worth taking some money in cash. You may be able to order Dinars from your bank although the rate will usually be lower than purchasing currency in country.

#### **Where To Exchange**

Banks or 'Forex' offices in main towns/cities.

#### **ATM Availability**

ATMs are widely available, but do not always work.

#### **Credit Card Acceptance**

In hotels and some larger shops/restaurants.

#### **Travellers Cheques**

Travellers Cheques, although still the safest way of carrying money, are difficult to cash in Jordan. There are high commission charges on Travellers Cheques on a per cheque basis so if using them we suggest you take high denomination cheques. Proof of purchase may be necessary for encashment of Travellers Cheques.

## **Transport, Accommodation & Meals**

### **Transport Information**

Bus, 4WD

### **Accommodation notes**

Jordan's tourism infrastructure is well developed and standards are generally good. However, due to the recent considerable rise in tourism in Jordan, hotels are experiencing very high demand for rooms', particularly in and around Petra. This high demand can lead to lower levels of service and quality, as well as occurrences of overbookings, which are often notified to us at a late stage. For this reason, we would like to emphasise that hotel accommodation, including the standard of, is subject to change and facilities are often simple. However, we are confident that these issues are vastly outweighed by our close proximity to historical Petra perfect for exploring.

A desert camp in Wadi Rum boasts a stunning and little visited part of the Wadi. We camp in a communal Bedouin tent and all bedding is provided. There is even a proper toilet! This campsite also has a handful of separate tents, and if availability allows there may be the option to upgrade to your own twingle tent if you wish. The cost for this should be paid in cash to your Tour Leader and is \$40 per twin tent and \$30 for a single.

Our final hotel in Petra enjoys a good location, close to the entrance to the site so perfect for exploring.

Please note that some hotel swimming pools in Jordan may operate separate timetables for men and women.
