## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Join trip in Kochi (Cochin)

Kochi (Cochin) has been a gathering place of merchants since antiquity and is still full of bustling traders. The Fort Kochi area is the oldest European settlement in India (dating from 1500) and has a mixture of English, Dutch and Portuguese influences, much of which survives in the remaining architecture. Built on several islands and criss-crossed with waterways, the city has a very cosmopolitan feel today and attracts artists and artisans from around the region.

For those arriving on time our Leader plans to meet you in the hotel reception at 5.00 pm for the welcome meeting and for those that wish, there is the chance to go out for dinner. There are no other activities planned today, so you are free to arrive in Kochi at any time. If you would like to receive a complimentary airport transfer today, you'll need to arrive into Cochin International Airport (COK), which is 40km/1.5 hours from the airport. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up.

### DAY 2 - Explore the fort and Jewish Quarter of Kochi

Today we delve in to Kochi's eclectic past with a visit to the Mattancherry Palace which was built by the Portuguese in the 16th century. Extensive renovations by the Dutch some hundred years later earned it the name the Dutch Palace. It houses some of the best murals in India, depicting scenes from the Ramayana and other great legends. On our tour around the city by boat and on foot, we also visit the Jew town synagogue where Kochi's surviving Jewish community come to worship. Nearby are the famous cantilevered Chinese Fishing nets, and in the early evening we see a performance of Kathakali, which is thought by some to be the very essence of the culture of Kerala. Its origins may have come from traditional temple rituals and from an art form known as Koodiyattam. It is the face make up which makes this dancing so unique and the dancers can take up to three hours painting their faces - the features are heavily emphasised as it is the facial expressions and co-ordinated eye movements which are important in the dance. The dances usually portray events from the Ramayana and Mahabharata, great Indian epics.

### DAY 3 - Drive through spice and tea plantations to Munnar and enjoy free time in the town

This morning we have a drive to Munnar of around 5 hours through an area of spice and tea plantations. Kerala has been renowned for its spices for at least 2000 years, the coast had been known by the Phoenicians, Romans, Arabs and Chinese for its sandalwood and spices. There was also a flourishing trade in 'black gold' - pepper - which, along with the spices, was sent to Europe by the Jewish and Arab traders. In return, copper, brass and gold coins came to Kerala. It was this trading link which brought Christianity and Islam into Kerala - the first place in India to host these two faiths. Munnar is a pleasant place to spend time, with its green tropical forests, fresh mountain air and neat tea plantations. It is hardly surprising it has become a favourite for Indian honeymooners. The afternoon is free to explore this beautiful town.

#### **DAY 4 - Visit tea and spice plantations; drive to Thekkady**

Our day starts with a fascinating visit to a tea museum where we can learn how it is processed. It is the women who usually pick the tea because of their nimble fingers, their brightly coloured clothes contrast sharply with the greenery of the plantations. Leaving the tea museum, we drive for around 4 hours to Thekkady where we'll take a nature walk through delightful countryside and visit a spice garden, learning about how the spices are grown and processed.

#### **DAY 5 - Take a walk in Periyar National Park**

Our route this morning takes us past rubber plantations and varied spice gardens to Periyar wildlife

sanctuary, close to the border with Tamil Nadu. One of 16 tiger reserves in India, Periyar is it is perhaps better known for its elephants. There are about 40 tigers living in the 777 sq km park but, as they are solitary creatures, the chances of seeing them are very slim. We go for a walk in search of other wildlife such as the wild boar, giant malabar, porcupine and the flying squirrel. The Park itself is made up of a variety of habitats, open grasslands, deciduous, semi-evergreen and tropical forests all of which have different animal species. The ecosystem of the tropical evergreen jungle is very interesting as the trees grow up to 40m, and the dense canopy only allows in limited sunlight. Therefore at ground level, there are abundant ferns, orchid and airplants- plants which need little light to survive.

Leaving the park we head back towards the coast and our homestay for the next two nights. We stay with local families within a village, and your tour leader will brief you on local customs and traditions. It is a great opportunity to spend time learning about the real life of Keralans as well as an opportunity to sample some delicious home cooking - perhaps a spicy coconut curry. The rooms are in the same style as a traditional Keralan home with mattresses made locally using coir fibres, a material taken from coconut husks which allows air to flow naturally - ideal in this humid region. All rooms are twin share and the majority of them have their own attached bathrooms, although there are some rooms with a private bathroom located in a corridor next to the room. Bathrooms are basic with a toilet and a simple shower, and hot water can be limited at times. All bedding and towels are provided.

MEALS PROVIDED: BREAKFAST & DINNER

---

#### **DAY 6 - Take an optional cooking class or village walk**

We spend today exploring the village and getting to know our host families. There will be a chance to take a cooking lesson, take gentle walks through the surrounding villages or just kick back and relax for the day.

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

---

#### **DAY 7 - Board a houseboat and float through the backwaters**

This morning we board our houseboats and begin our journey into the network of the Kerala backwaters. The traditional houseboats are simple vessels, with en-suite twin rooms. The pace is relaxed - enabling us to see riverside village life in its entirety. The industrious villagers survive on narrow spits of land, keeping cows, chickens and cultivating vegetable gardens. Even the shells from the fresh water mussels are burnt to make building lime, and the fibre from the coconut palm has many uses including coir products made from coconut fibre. The gardens are generally well tended often with brightly coloured flowers, such as hibiscus, contrasting sharply with the tropical greenery.

### Country information

#### India

##### Climate

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

## **Clothing**

Kerala is a tropical region with high humidity. Lightweights are needed all year round with some warmer clothes for the cooler winter evenings (November to March) in Munnar and Periyar. Casual clothes are the most practical: tight fitting garments, brief shorts and skirts should be avoided, since they attract unwelcome attention. A beach towel is also recommended.

## **Footwear**

Walking shoes or trainers are required for the nature walk in Periyar and sandals are recommended for the rest of the trip.

## **Luggage**

20kg

## **Luggage: On tour**

One main piece of baggage and a daysac. Remember - hotel porters are not always available, so don't overload yourself.

## **Equipment**

Binoculars, torch, insect repellent and water bottle.

## **Tipping**

### **Explore leader**

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

### **Local crew**

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow £30 for tipping. Your tour leader will account to you for any organised tipping.

## **India**

### **Food and drink**

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

<b>Lunch price</b>	<b>Dinner price</b>	<b>Beer price</b>	<b>Water price</b>

## Foreign Exchange

### Local currency

Indian Rupee Recently new 500 and 2000 rupee notes have been bought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

### Recommended Currency For Exchange

GBP/US\$ are the best currency to change into local currency.

### Where To Exchange

The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

### ATM Availability

ATMs are available in most large cities in India but they are very limited elsewhere so please do not rely on this.

### Credit Card Acceptance

Very rarely, only in the larger outlets.

### Travellers Cheques

Opportunities to exchange are limited.

## Transport, Accommodation & Meals

### Transport Information

Bus, Boat

### Accommodation notes

Accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties, camp sites and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

## Transport Information

Travelling on an Indian train is a fantastic experience, with millions using the rail network every day it is the perfect opportunity to meet local families.

For all the train journeys on our trips, we will reserve your seats/berths in advance in 2nd class with air conditioning. Whilst we'll try to ensure the group is all together, due to overwhelming demand and the system for booking train tickets in India, it may not always be possible to have everyone in the same carriage and some reservations may be in 3rd class. In such cases our Tour Leaders will help everyone to find their seats and ensure you get the most out of your journey. For overnight trains, each berth is separated by curtains and has 4/6 bunk beds. Bedding (sheet, blanket and pillow) is provided but you may wish to bring your own sleeping liner for added comfort. Train travel in India is safe and civilised but for added security whilst you sleep it may be a good idea to bring a bike lock for your bags. If you do not wish to carry one with you, your tour leader can help you to purchase one locally before your train journey.

Please note that in January train journeys can sometimes be affected by fog. This may result in some last minute changes to the itinerary. In this eventuality we will endeavour to stick to the itinerary as closely as possible and will cover any extra costs incurred.

In order to make reservations on Indian trains and guarantee the smooth operation of your trip, we require your full passport details. It is important that we receive these details as soon as possible so we are ready to make the arrangements as soon as train tickets are available to buy.

## Why book this trip

This tour will suit anyone looking for a relaxed introduction to south India. It offers a chance to fully experience life in Kerala's beautiful backwaters by spending two nights in a family home. With a slightly more relaxed vibe than India's northern states you can get a taste of Indian culture, and learn a little of the spices and tea that are exported from what is known as Gods own country.
