Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Ukraine's capital Kiev

Our eight day adventure through three unique countries begins in Kiev, Ukraine's capital city, which is situated on the banks of the Dnipro River. The city has been inhabited for almost 2000 years and was once the capital of the Kievan Rus State, from which all later Russian states were descended. Although Ukrainian nationalism is stronger than ever, you will still hear Russian spoken here today.

You'll find a selection of good restaurants and bars to choose from this evening. Ukraine is well known for its dumplings, called 'varenky' that come with a range of different fillings such as cabbage or cheese or sweeter varieties like cherry. You should also try 'nastoyanka', which is a Ukrainian liqueur made from honey and herbs and comes in a selection of fruit flavours and even horse radish! Potential dining spots include Spotykach Restaurant, which is a retro Soviet style canteen cellar or for something quicker you could try the local fast food at Kyivska Perepichka, which specialises in fried dough incased sausages.

DAY 2 - Orientation walking tour of Kiev; night train to Minsk, Belarus

This morning our Explore Leader will take us on an orientation walking tour to familiarise us with the main sights. During our tour we will see the onion domed exterior of Santa Sophia Cathedral, the Golden Gate which was once the main entrance to the city, Saint Andrews Baroque Church and Mother Motherland, an over 100 metre high statue to honour the heroes of the Soviet Union.

This afternoon is free to further explore the city. You might choose to take the metro to the Lavra Historical and Cultural Reserve. Here you can discover a monastic city of gold onion domed churches and visit the remarkable 'Monastery of the Caves' where the labyrinth of catacombs provide all the natural conditions needed for mummification. Here you can also visit the Belfry Tower, Museum of Miniatures and the Museum Of Historical Treasures and the Holy Trinity Church.

A short distance from the Cultural Reserve you may want to go to the Museum of the Great Patriotic War, which is one of the largest museums in Ukraine and tells the story of the German-Soviet War in iconic and Brutalist style. It has over 300,000 items on display and the memorials here are spread over 25 acres.

Later this evening we will transfer to Kiev Railway Station and board the overnight train to Minsk, Belarus. Our accommodation will be in four-berth compartments with bedding provided. You'll need to keep your passport handy for when we cross the border.

DAY 3 - Walking tour of Minsk; chance to visit Stalin Line Military Museum

Our train arrives this morning in Belarus's capital city of Minsk. On arrival we head to a local restaurant where we have breakfast before taking a guided walking tour. Set on the banks of the Svislach River, the city was first settled by the Early East Slavs back in the 9th century AD. Trinity Suburb is one of oldest and most picturesque areas, which is perfect for strolling in, and Victory Square is the most famous part of the city and features a memorial to the fallen heroes of World War II. During our tour we will see the oldest building in the city, the Orthodox Cathedral of the Holy Spirit, the Catholic Cathedral, and Trinity Suburb before heading to the more modern part. Here we stroll down Independence Avenue and the Avenue Winners and see Minsk's unusual Central Library building. There'll be the option for you to go inside, as it's the tallest building in the city, it affords good views.

This afternoon is free for you to further explore the city or you might like to join an excursion to the Stalin Line Open-Air Military Museum, which is a short drive from the city. The Stalin Line was a chain of fortified defences consisting of over 4,000 pill boxes that covered around 1,200 kilometres to form a barrier against the Germans during World War II. The idea behind the museum is to absorb the visitor into the history of the times and as well as displaying many of the pill boxes there is a range of military

equipment dating from World War II up to the start of the 1990's.

This evening you are free for dinner and popular dishes in Belarus include 'machanka' a hearty pork stew and 'draniki' which are thick potato pancakes. 'Krambambula' is a traditional Belarusian liquor, which is similar to mead and flavoured with spices and honey. At the Food Republic Restaurant Complex in Minsk's old town you'll find food shops and 10 different restaurants to choose from or there a number of Stolle Restaurants in the city, which are famous for their variety of savoury and sweet pies that you can either eat in or take away. Pie fillings include meat and egg, salmon, lemon, cabbage and many more.

Our hotel in Minsk is conveniently located just a few minutes' walk from the Partyzanskaya Metro Station and it's then a 15-20 minutes journey into the very centre of the city. Close to our hotel is the Belarus Department Store where you may like to browse for local products such as textiles. The area around the hotel is dominated by locals including a very large tractor manufacturing base which employs an astonishing 17,000 people. The hotel and the surrounding area have a very Soviet layout and give us a glimpse into what normal local life is like in the city. The hotel is tall and offers great views from the higher floors.

DAY 4 - Excursion to the beautiful UNESCO listed Nesvizh and Mir Castles

Today we drive out of the city and head for two of Belarus's best known attractions. Firstly we visit the impressive UNESCO World Heritage Site of Nesvizh Castle, which has been home to the Radswill Family for over 400 years. The fortresses construction began in 1584, but it's been extended and changed over the years and now features a mix of Renaissance, Baroque, Rococo, Classicism and Neo-Gothic architecture. The estate also contains the largest landscape gardens in Europe and a number of ornamental lakes.

After some free time to have lunch and explore Nesvizh we drive on to the beautiful Mir Castle, which is also UNESCO-Listed. Creation of the fort began at the end of the 15th century and again a number of different architectural styles can be seen. The castle is one of the most splendid in Europe and was reopened to the public in 2010 after being extensively restored to its former glories.

Later this afternoon we return to Minsk where you have the evening free.

DAY 5 - Visit Hrodna en route to the Lithuanian spa town of Druskininkai

This morning we leave Minsk and start our journey towards the border with Lithuania. Along the way we will visit Hrodna, which is home to one of the largest Catholic populations in Belarus. The city is filled with a wonderful collection of Medieval and Baroque architecture, including the impressive Cathedral of Saint Francis Xavier and the unique Church of Saints Boris and Gleb; the only surviving example of Black Ruthenian architecture left in the area. Our Explore Leader will take us on a walking tour to see these sights and also the Corpus Christi Church, Choral Synagogue, German Lutheran Church, old and new castles and the Soviet area.

Following our visit we drive on to Druskininkai where we have the rest of the day free. Druskininkai is a spa town on the Nemunas River in the south of Lithuania. It's been a popular spa resort since the 19th century and this afternoon you have the chance to visit the Druskininku Gydykla Spa where there are a number of mud and herbal baths and mineral water treatments available to try. Or you may prefer to enjoy one of the lakeside walks or hire a bike to discover more. The town is also home to a cable car and an aqua park where you can experience 20 different bath houses, which are each equipped according to different worldwide traditions, such as Russian and Japanese baths.

DAY 6 - See unique wooden carvings at Antanas Cesnulis Sculpture Park; arrive in Vilnius

We have some free time this morning to enjoy the facilities at Druskininkai, before we begin our drive at around 11am to Lithuania's capital city, Vilnius. Our first stop along the way is at the Antanas Cesnulis Sculpture Park where the sculptor himself and his wife will take us on a guided tour to see his unique wood-carved creations set within a park that runs alongside the Ratnycele River. We'll see a traditional Lithuanian windmill, carved crucifixes and among many others his sculptures of the Life of a Man and Tree, Egle - the Queen of Grass Snakes and the Most Important Moment in Life.

Our next stop will be in Trakai where we can admire the view of the red brick Trakai Castle set on an island in Lake Galve. Trakai is the former capital of the Grand Duchy of Lithuania and this splendid castle dates back to the 14th century. Whilst here there'll be time for you to buy lunch at a Kibinai restaurant. Kibinai is a traditional type of Lithuania pasty which were created by the Karaite ethnic minority that made Trakai their home. They're very tasty and usually filled with mutton and onion.

We drive on to Vilnius where we have the rest of the evening free to relax.

DAY 7 - Walking tour of Vilnius; chance to visit the KGB Museum

The Catholic influence on Vilnius is very evident from the numerous Baroque churches. By the turn of the last century, Vilnius also had an 80,000-strong Jewish community. However, at the end of World War II, it had been completely decimated. During our morning guided walking tour of the capital, we visit the ancient university founded by the Jesuits - a centre of the Counter Reformation and a source of Lithuanian culture. We also see the cathedral and Church of the Dawn. In the newer part of Vilnius lies the main shopping street with the opera, cafes and parliament building. We will visit the self-proclaimed Republic of Uzupis which is a unique bohemian and artistic district in the city. It's one of the oldest areas, dating back to the 16th century and used to be one of the poorest. During Soviet times it quickly gained notoriety as the roughest part of the city, but when Lithuania became independent again in 1991 the artists moved in and now it regularly hosts fashion festivals, poetry readings, art exhibits and concerts. Lastly we will take a short drive up the Hill of Three Crosses to admire the view. Whilst here you will also have the opportunity to visit the Gediminas Castle Tower.

This afternoon is free for you to relax and further explore the city or perhaps to visit the KGB Museum. The museum is located in the former KGB Headquarters and features exhibits documenting the crimes

that were planned and committed from this very spot during Soviet rule. The displays also show you how the Lithuanians fought back to re-claim their independence. You'll be able to see the inner prison cells and solitary confinement rooms that were kept hidden by the KGB offices that surround them. They have been preserved in the same condition as when the headquarters closed in 1991.
