Climate and country information

France

Climate

Across France, from April - August, weather conditions are generally warm and pleasant with moderate rainfall; Autumn temperatures are a bit lower and the winter months (though colder) remain mild. The summer months on the Mediterranean Coast in the south tend to be warmer than the rest of France and have less rainfall, and also more mild winters; freezing conditions are nearly unheard of. The mountainous areas of the Alps, Juros and Pyrenees can be quite different. During summer the morning and evening temperatures are considerably cooler and it becomes much colder in winter with heavy snowfall. Western France, along the English Channel, there can be very strong winds and frequent rain during the winter months Nov - Apr. Wine harvesting takes place in late August/early September.

Clothing

In general pack for warm weather. However, you must bring a warm sweater or jacket for cycling on cool days and for wearing during the evenings. In case of rain, waterproofs are essential. Also, a pair of long trousers or tracksuit bottoms are useful for cycling along hedgerow-lined footpaths. There are some opportunities to swim in the rivers or local swimming pools. Please note that French health regulations require men to wear \ proper\ Lycra trunks rather than shorts in the pool.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to trips that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage

20kg

Luggage: On tour

We recommend you bring a daypack and one main piece of luggage in a soft rucksack or holdall (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. We are unable to carry excess luggage above this allowance. Any excess luggage should either be left in storage or forwarded by you to the hotel in Chinon. Suitcases are not recommended. Check the bike details section to see if a pannier or handlebar bag is provided on the bike.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where

a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per person per week as a guideline.

Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £20 of local currency for tipping. In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.

France

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide.
