#### Climate

Day time temperatures are remarkably consistent throughout the year ranging from 30°C to 32°C dropping to between 25°C and 26°C at night. Although rain is heaviest in June, July and August, heavy rain can fall at any time of year - even in February and March when statistically only 50mm usually falls during those months combined. The south-west monsoon lasts from May to November and not only brings the rains but also stronger winds and storms, although the transitional periods of early May and late November are supposed to be calm with exceptionally clear water.

## Budgeting and packing

### Clothing

Only lightweight clothing is needed. Local people in Male and in villages on the islands can find western styles of dress offensive. Brief shorts, tight fitting clothing etc. should be avoided by both men and women. A sarong and something to cover shoulders (for women) is recommended. Don't forget swimming gear and clothes to protect you from the sun including a wide brimmed hat. You may consider wearing a tee-shirt whilst snorkelling to avoid sunburn on the back and shoulders.

### Footwear

Comfortable shoes and sandals.

### Luggage

20kg

### Equipment

You may like to bring your own snorkel and mask although they will be provided on the snorkelling trip. Also high factor sun protection and a hat. We recommend Factor 30 plus for snorkelling as the water intensifies the sun's strength.
