Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Moldova's capital Chisinau

Our trip begins in Chisinau, which is located in the very heart of Moldova and is the country's capital city. Moldova has a chequered history, which includes the nationalist movement and power struggles of the 1990s, which led to its freedom from the Soviet Union. Most of the city was destroyed during World War II and by an earthquake in 1940, so the architecture is mainly in the 1950s striking Soviet style, but there are also two large parks, which give the city a much greener feel. Moldovans are known to be some of the friendliest people in Eastern Europe, and nowhere is that more obvious than in Chisinau.

For those arriving on time our Leader plans to meet you in the hotel reception at 6pm and for those that wish, there is the chance to go out for dinner. There are no other activities planned today, so you are free to arrive in Chisinau at any time. If you would like to receive a complimentary airport transfer today, you'll need to arrive into Chisinau International Airport (KIV), which is about 30 minutes' drive from the city centre.

Due to a number of flights arriving into Chisinau later in the evening, our welcome meeting will take place on the morning of day two at 8.30am. If you have free time on arrival then the parks are a great place to take a stroll and to relax.

DAY 2 - Visit Bendery Fort; walking tour of Tiraspol and brandy tasting

After our Leader does an initial welcome meeting, we leave Chisinau and cross the border to experience one of the most unique places in Europe - Tiraspol, the capital of the breakaway state of Trans-Dniester. Unlike the rest of Moldova, Trans-Dniester hadn't wanted to separate from the Soviet Union, so back in 1992 after a short conflict they declared their independence. However, it's not recognised by any of the United Nations as an independent state even though it has its own government, military, postal service, currency, flag and national anthem.

Once the border formalities are complete, our next stop will be the 16th century Ottoman fort at Bendery. After some time to look around and take in the views from the turrets, we set off for Tiraspol. We'll explore on foot to view the numerous war memorials including those commemorating the 1992 Civil War and Trans-Dniester War, and the Supreme Court, Statue of Lenin, De Voln Park and Arch of Bendery.

After a little free time for lunch, it's time to visit the Kvint Brandy Factory for a tour and tasting. Kvint is considered by the locals to be a national symbol of Trans-Dniester and even appears on one of their banknotes. It was founded in 1897, making it the oldest operating commercial enterprise in the region and as well as brandy the factory produces wine and vodka.

After checking in to the hotel, dinner will be at the home of a local family where there is the opportunity to ask them questions and learn about their lives in this special hidden part of Europe.

DAY 3 - See the Victory Day parades and the ancient churches at Orheiul Vechi

This morning we have the chance to witness one of the most unusual events in Europe - today is when those living in Trans-Dniester celebrate their Victory Day. The celebration marks the end of the Great Patriotic War and includes military parades where flags fly and the locals come out to watch and pay their respects to their fallen heroes.

After seeing the parade, there will be some free time to see the local people placing their flowers by the memorial statues, soak up the atmosphere and perhaps buy lunch from one of the food stalls and barbeques that are setup for the event.

We leave Tiraspol at around 1.30pm for Orheiul Vechi in rural Moldova.

The visit to the Orheiul Vechi Complex is undoubtedly one of the highlights of the trip. This site is of great historical and archaeological importance and is home to one of the most unusual church complexes in Eastern Europe. Set in a ruggedly beautiful valley gorge, shaped by the Raut River, there are several ancient monuments amongst and carved into the huge limestone outcrops that date from 10th century BC up to 14th century AD. The Cave Monastery was dug into the cliff by Orthodox monks. Above ground there's a church dedicated to the Ascension of Saint Mary and a museum providing a further insight into the area. We take an easy graded walk around the site, which takes around two to three hours and covers five to six kilometres.

Before returning to Chisinau, we will have a traditional Moldovan dinner such as zeama - a tasty chicken soup and mamaliga - a type of polenta with fried meat and fresh seasonal vegetables washed down with homemade wine. During dinner, there's the chance to see and join in with traditional folk songs and dancing.

Please note that if the weather is too poor to do the walk then a visit will be made to the Curchi Monastery instead.

DAY 4 - Chisinau walking tour; visit to Cricova or Milestii Mici Cellar and wine tasting dinner

Explore the city's main sights on foot. We'll see the Orthodox Cathedral of Christ's Nativity, the exterior facade of the Presidential Palace and the Parliament building and the Holy Gates, which is known as Moldova's 'Arc de Triomphe'. There's the chance to haggle in the local food market and bazaar. Join the

locals promenading in the park along the Avenue of the Classics of Moldovan Literature, which is lined with statues and busts of Romanian and Moldovan authors and social figures.

There's the opportunity to visit the emotive Army Museum in the Centre of Culture and Military History. The exhibits here document Soviet-era repression and the crimes perpetrated by Lenin and Stalin. They tell the story of mass deportation, gulag labour camps, manmade famines and other harrowing tales.

After free time for lunch, we will drive to the Cricova or Milestii Mici Wine Cellar, where we discover the extensive cellars and sample their sparkling wine. Moldova is recognised for its good wine and back in the Soviet era the country was known as the 'the vineyard of the USSR'. Cricova and Milestii Mici Wine Cellars make use of tunnels constructed in the building of Chisinau in the 15th century to store their wine. They've been producing wine since the 1950s and have a number that have won prestigious awards.

Returning to Chisinau this evening, dinner, coupled with a variety of excellent local wines, will take place in the Carpe Diem Wine Bar.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per person per week as a guideline.

Local crew

Although entirely voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly please allow £10.00 of local currency for tipping.

In order to make things easier for you, the Explore Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.

Moldova

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide.
