Patagonia to Antarctica Expedition - M/S Fram

ARGENTINA - TRIP CODE FRPA

POLAR

Why book this trip?

Starting in the colourful city of Valparaiso, we sail along the Chilean Pacific coastline, filled with snow-tipped volcanoes reflected in beautiful lakes, raging rivers and lush vegetation. The vastness and untouched beauty of this rugged and mountainous landscape, will surely make a great impression.

- **We continue onto one of the most scenic national parks in the world and into the fjords of Chile. This wild and remote area seems almost untouched by humans, with mountains plunging into icy waters. The steep valleys with snow - capped mountains, make a striking contrast to an otherwise green area that is so rich in wildlife. Cape Horn is a mystical place where two oceans meet and we will attempt to go ashore if conditions allow.**
- Continuing on through the Drake Passage to the mighty frozen wastes of the south, we arrive in Antarctica. Here we will attempt to do landings at several places. Penguins, seals, whales and large flocks of sea birds give life to this surrealistic and beautiful landscape. We will bring you on shore to experience

some of the most unique wildlife viewing while setting foot on the Antarctic continent.

- This expedition takes you to the most intriguing spots along the South American coast and to Antarctica, visiting areas rich in wildlife and impeccable scenery that will not disappoint.

Budgeting and packing

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Whilst landings are included in the cost of your trip, as per the outline itinerary, there are many optional excursions available on your voyage that can be pre-booked with the ship operator directly. These will be charged at an additional fee, depending on the excursion, and we recommend booking these in advance to ensure availability. Please speak to a member of our Polar team who will advise you on the booking process.

Clothing

Pack comfortable, casual clothing for all activities. Wind and waterproof outer layers are essential, and a jacket is provided in the cost of the cruise. Beware of tight clothing that leaves no room for trapped air, which is an excellent insulator. Wool, silk and some of the new synthetic fibres, like polar fleece, retain heat better than cotton.

Parkas

A wind and waterproof jacket is provided as part of the cost of your holiday.

Gloves

Keeping your hands warm and dry can be a challenge. Thin polypropylene gloves can be worn underneath warm outergloves. This allows you some protection from the cold when removing your gloves to operate your camera etc. We strongly recommend that you bring more than one pair of gloves, in case one gets wet (or lost).

Hat/Cap

Warm, woollen hat/cap to protect your ears, as well as a scarf, neck gaiter or other face protection, such as a balaclava.

Trousers

Water-resistant trousers of coated nylon or, even better, Gore-Tex® are essential for your comfort. They can be worn over your regular clothes to keep you warm and dry. We suggest that you purchase trousers a few sizes larger than you normally wear as you will be wearing them over other clothing. Gore-Tex® or similar fabrics are excellent for keeping out wind and water without trapping excess heat. Rain gear and Gore-Tex® products can be found in any outdoor sport clothing store. In addition to your waterproof trousers, warm ski pants are suggested if you have them. Warm trousers such as jeans, corduroys etc are also good.

Socks

Warm wool socks worn over a thin pair of silk, polypropylene socks should provide enough warmth and insulation for your feet. Bring several pairs of socks, since you will inevitably get your feet wet.

Outer Clothing

Woollen, knit or cotton sweaters/tops, polar fleece tops (medium weight), several cotton turtlenecks and T-shirts for layering on and off the ship.

Underclothing

Thermal underwear is highly recommended as it will keep you warm without adding bulk. Most polar travellers prefer a lightweight version.

Footwear

Waterproof boots are available on-board, free of charge. Ensure that you take good walking boots with you and comfortable trainers or grip-type shoes, for relaxing on the ship and for when out on deck.

Luggage

15Kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Please note that a 15kgs luggage weight limit is sporadically enforced on the internal flight to Ushuaia, occasionally charges may be levied against passengers taking luggage in excess of 15kgs.

Equipment

Sunglasses and sun cream

Personal toiletries

A refillable water bottle

Books/reading material

Camera and memory cards (and something to protect the camera when out in the elements)

Seasickness remedy

Walking poles

Tipping

Local crew

Tipping is collected at the end of the voyage and is divided among the crew. Tipping is a very personal matter and the amount you wish to give is at your discretion, but as a generally guideline, we suggest US\$12 per person per day.

Argentina

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price

Foreign Exchange

Local currency

Peso

Recommended Currency For Exchange

Carry all your funds in US cash NOT Sterling or Travellers Cheques which are more difficult to exchange. We recommend to take a minimum of US\$400-\$500 of your total spending money in cash, in mixed denominations. Notes should be in good condition otherwise they might be difficult to exchange. You may wish to take extra cash as most optional excursions need to be paid in USD cash (not dispensed by ATMs in Argentina or Chile).

Where To Exchange

Your Tour Leader will advise you on arrival.

ATM Availability

Available in Buenos Aires. In Patagonia some cards with Chip and Pin do not work in the ATM machines. Always have some cash as back-up as they are not always reliable

Credit Card Acceptance

Credit cards are useful and can be used in some places, but may be subject to a 10% service charge

Travellers Cheques

Travellers Cheques can be awkward or expensive to change
