Why book this trip?

Arctic Wilderness

- A cruise around Spitsbergen gives you ample opportunity to explore all the aspects of this fascinating arctic island. See the great eastern nature reserves and some of the most spectacular highlights of the Arctic. We aim to take you well above the 80th parallel and placing you closer than 600 nautical miles from the Geographical North Pole. The eastern part of Svalbard is more barren and characteristically High Arctic, compared to other places that we visit with the M Spitsbergen
- During this extended voyage, you will see some of the most spectacular fjords of Spitsbergen. The eastern part of Svalbard is mainly divided into two large nature reserves and combined, they represent one of the largest and mainly untouched, wildernesses in Europe. Traversing the large fjord east of Spitsbergen will

give you spectacular views of the island's east coast, with hundreds of glaciers and mountains. If we are lucky, we'll meet some of Svalbard's marine mammals like seal and walrus and wherever there is ice, there is a great chance of spotting polar bears !

Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Oslo to Longyearbyen

Your Arctic adventure starts with an evening flight from Norway's capital, Oslo. Before departure, you can spend some time exploring this fjord-side city surrounded by forests, lakes and hills. Oslo offers a varied architecture, top-notch restaurants and endless shopping possibilities. The contrast will be significant when you arrive in Longyearbyen a couple of hours later. On arrival, you will be transferred to your hotel.

ACCOMMODATION:
Hotel in Longyearbyen (or similar)

Grade: Premium Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: NONE

DAY 2 - Longyearbyen

Spend the morning exploring Longyearbyen and its surroundings, before embarkation in the afternoon. Longyearbyen is a Norwegian settlement often referred to as the capital of Svalbard. This is a lively small town, situated amid some incredible Arctic landscape. Barentsburg is a Russian settlement with an exotic collection of Russian artefacts and architecture and is very different to Longyearbyen. The museum, library and newly opened brewery function as meeting points and a research station is under construction. See a colourful folklore show and visit the hotel and museum. Experience a different side of Svalbard - a little piece of Russia in the Arctic. You will board your expedition vessel in the late afternoon.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 3 - Northwest Spitsbergen National Park

The North West Corner is scattered with islands, fjords and beaches. The ocean here is full of drifting ice and the frozen landscape constantly changes. Due to strong winds and currents, the Captain monitors conditions closely before deciding where we can land or sail. This is why all of our itineraries are flexible; we work with the elements, not against them, and safety is our first priority.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 4 - Northwest Spitsbergen National Park

Landings enable us to not only enjoy the Arctic scenery and wildlife, but also allow us to explore Svalbard's history. As we sail north, we hope to visit Kongsfjorden, the largest fjord on the northwest coast of Spitsbergen, considered to be one of the most beautiful fjord areas in Spitsbergen with mighty glaciers calving icebergs into the sea - all delightfully framed by the characteristic mountain formations found in these parts. On the shore of Kongsfjorden is the former mining settlement of Ny-Ålesund, now an international centre for research, with a picturesque mix of old and new buildings. On our landings, we might also visit Krossfjorden and Mitrahavøya, where you can see remnants of the old whaling huts. Beautiful alpine flora, bird cliffs and quite often Svalbard reindeer, can also be found here. If conditions allow, why not try crossing a glacier with the Expedition team ?

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 5 - Northwest Spitsbergen National Park

Cruising in the north west corner of Spitsbergen, we hope to stop at Raudfjorden, which offers fantastic hiking opportunities. Later, we continue deep inside the giant Woodfjord system to visit the enormous and fast moving Monaco Glacier. In front of this dramatic glacier, the mixing of fresh and saline water creates an excellent feeding ground for sea birds including kittiwakes, fulmars and glaucous gulls. The icy-blue colours of the glacier, make this an excellent site for photography.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 6 - Eastern Svalbard Nature Reserves and South Spitsbergen National Park

Eastern Svalbard boasts the highest population of polar bears on the archipelago - we really hope that we'll get the chance to see one on this journey! Today, we aim to explore Sorgfjorden, which borders the North East Spitsbergen Nature Reserve and was the location of a famous 17th-century battle between whalers. Enjoy the view from the deck as we pass the spectacular bird cliff of Alkefjellet, one of the

largest of its kind. Storfjorden will offer us spectacular views of the east coast of Spitsbergen, with hundreds of glaciers and mountains in the distance. If we are lucky, we might meet some of the marine mammals of Svalbard, such as walrus and seals.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 7 - Eastern Svalbard Nature Reserves and South Spitsbergen National Park

Edgeøya is the third-largest island in the Svalbard archipelago. On its western shores, the landscape is largely un-glaciated, unlike most other places on the east side of Spitsbergen. Kapp Lee is a wonderful site where you will find cultural heritage from all eras of human exploration of Svalbard.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 8 - Eastern Svalbard Nature Reserves and South Spitsbergen National Park

There are seven small islands situated in the far north of the Svalbard Archipelago. Rossøya is the northernmost of these islands, less than 620 miles from the North Pole. From here, you can be certain that there are no other humans between yourself and 90 degrees North. The barren landscape is referred to as the high Arctic, with very little vegetation due to the extreme weather conditions suffered here for most of the year. If we are lucky, we may meet some of the marine mammals of Svalbard as we head towards the South Cape Land.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 9 - Eastern Svalbard Nature Reserves and South Spitsbergen National Park

We continue to the southern cape and the southernmost tip of Spitsbergen, where within a relatively short distance, Hornsund has large variations in its landscape and geology. This is a great place for spotting bears, as ice being pushed into the fjord early in the season, attracts polar bears that hunt on the ice.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 10 - The Fjords of Southwest Spitsbergen

We will spend the next few days exploring the Isfjord, the most extensive fjord system in Svalbard. We will explore both the outer and the inner parts of the fjord. One of the most striking features of the outer part is the Alkehornet peak, where thousands of Brunnich's guillemots nest during the summer season. In the inner parts of Isfjorden, the landscape changes constantly.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 11 - The Fjords of Southwest Spitsbergen

The immense U-shaped valleys, carved out of the mountains by the giant glaciers that covered the area some ten thousand years ago, are home to large populations of the endemic Svalbard Reindeer. In the late afternoon, our Expedition team will search for a scenic bay for our farewell dinner - an on-board barbecue in the most beautiful Arctic surroundings.

ACCOMMODATION:
M/S Spitsbergen (or similar)

Grade: Premium Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 12 - Longyearbyen to Oslo

We call at Longyearbyen after midnight, where our voyage comes to an end. You will be transferred to the airport in the early morning for your onward flight to Oslo.

Budgeting and packing

Clothing

Pack comfortable, casual clothing for all activities. Wind and waterproof outer layers are essential, and a jacket is provided in the cost of the cruise. Beware of tight clothing that leaves no room for trapped air, which is an excellent insulator. Wool, silk and some of the new synthetic fibres, like polar fleece, retain heat better than cotton.

Parkas

A wind and waterproof jacket is provided as part of the cost of your holiday.

Gloves

Keeping your hands warm and dry can be a challenge. Thin polypropylene gloves can be worn underneath warm outergloves. This allows you some protection from the cold when removing your gloves to operate your camera etc. We strongly recommend that you bring more than one pair of gloves, in case one gets wet (or lost).

Hat/Cap

Warm, woollen hat/cap to protect your ears, as well as a scarf, neck gaiter or other face protection, such as a balaclava.

Trousers

Water-resistant trousers of coated nylon or, even better, Gore-Tex® are essential for your comfort. They can be worn over your regular clothes to keep you warm and dry. We suggest that you purchase trousers a few sizes larger than you normally wear as you will be wearing them over other clothing. Gore-Tex® or similar fabrics are excellent for keeping out wind and water without trapping excess heat. Rain gear and Gore-Tex® products can be found in any outdoor sport clothing store. In addition to your waterproof trousers, warm ski pants are suggested if you have them. Warm trousers such as jeans, corduroys etc are also good.

Socks

Warm wool socks worn over a thin pair of silk, polypropylene socks should provide enough warmth and insulation for your feet. Bring several pairs of socks, since you will inevitably get your feet wet.

Outer Clothing

Woollen, knit or cotton sweaters/tops, polar fleece tops (medium weight), several cotton turtlenecks and T-shirts for layering on and off the ship.

Underclothing

Thermal underwear is highly recommended as it will keep you warm without adding bulk. Most polar travellers prefer a lightweight version.

Footwear

Waterproof boots are available on-board, free of charge. Ensure that you take good walking boots with you and comfortable trainers or grip-type shoes, for relaxing on the ship and for when out on deck.

Luggage

20kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Equipment

Sunglasses and sun cream

Personal toiletries

A refillable water bottle

Books/reading material

Camera and memory cards (and something to protect the camera when out in the elements)

Seasickness remedy

Walking poles

Tipping

Tipping is collected at the end of the voyage and is divided among the crew. Tipping is a very personal matter and the amount you wish to give is at your discretion, but as a generally guideline, we suggest US\$12 per person per day.
