### Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may

depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

#### Moscow:

On day three you could visit the Kremlin Armoury Museum. It is 2,450 RUB (Russian Rubles) per person for 11 or more people or 2,840 RUB per person for groups of under 10 people for a guided tour.

Entrance only with audio guides available in English is 700 RUB per person.

Opera or ballet £45-£135 depending on the show and seats you choose. If you would like to visit the opera or the ballet during the evenings of days one, two or three then we strongly recommend booking tickets before your arrival, as the shows are very popular and sell out quickly. You can book your tickets online directly with the theatre production company before leaving the UK. As we have limited time in Moscow, you may wish to extend your trip to see the opera or ballet if this a must for you. To get to the Bolshoi Theatre, you will need to take the metro from Partizanskaya Metro Station, travelling west on the dark blue line for five stops to Ploshchad Revolyutsii. From here it is a short walk to the theatre (less than 10 minutes) and is very clearly signposted.

Concert of Maestro Borodiansky which usually held at Glazunov Museum on day three 1780-2140 RUB per person. Please note this optional is subject to availability and your Explore Leader will advise of this on arrival. The cost shown here is just for the ticket to the concert and museum/gallery entrance fee, transport will be paid for separately and locally.

#### St. Petersburg:

On day eight you could choose to visit Saint Peter and Paul Fortress, entrance is 1,775 RUB per person.

On day nine you could choose to visit Yusupov Palace entrance is 1,990 RUB per person.

Prices for the above optional trips include a guide, entrance fee to the site and necessary transport.

Opera or ballet £35-£160 depending on the show and seats you choose. If you would like to visit the opera or the ballet during the evenings of days seven, eight or nine then we'd strongly recommend booking tickets before your arrival, as the shows are very popular and sell out quickly. You can book your tickets online directly with the theatre production company before leaving the UK. As we have limited time in St. Petersburg, you may wish to extend your trip to see the opera or ballet if this a must for you.

Other entrance fees in St. Petersburg for attraction you may like to visit on days seven, eight or nine:

Saint Isaacs Cathedral entrance is 250 RUB person.

Church of the Saviour of the Spilled Blood entrance is 250 RUB person.

Cruiser Aurora Museum entrance is 450 RUB person.

Alexander Nevsky Lavra Monastery entrance is 355 RUB per person.

## Clothing

July and August are the hottest months and lightweight cotton clothing is best. During spring and autumn temperatures can be lower or drop during the evenings and there is also a stronger possibility of rain, although light rainwear may be needed at any time of year. A warm fleece/jacket is recommended for cooler evenings.

Ladies should take a headscarf and ensure their shoulders are covered when entering churches.

## Footwear

We recommend taking comfortable walking shoes for exploring and trainers or sandals for relaxing.

## Luggage

20kg

### Luggage: On tour

One main piece of baggage and a daysac for personal items. Remember that you'll have to carry your own luggage, so don't overload yourself.

## Equipment

Take some insect repellent for the Golden Ring and St. Petersburg. A money belt is essential, especially in Russia. A swimsuit for saunas may also be taken.

## Tipping

### Explore leader

At your discretion you might also consider tipping your Explore Leader in appreciation of the efficiency and service you receive.

### Local crew

Although entirely voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided.

Accordingly you should allow approximately 30 Euros for tips. In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.

## Russia

### Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Dinner price	Beer price	Water price
£12.00 - 16.00	£2.00 - 4.00	£1

### Foreign Exchange

#### Local currency

Rouble.

### **Recommended Currency For Exchange**

We recommend that you take your money in Euros or US Dollars cash. For US Dollars notes should be in good condition (not torn or marked), issued after 1990 (pre-1990 are often refused) and ideally in small denominations. Euros and Dollars are easily transferable into the local currency, Roubles.

### **Where To Exchange**

Most major towns - your Tour Leader will advise you on arrival.

### **ATM Availability**

Cash can be withdrawn both in Moscow and St. Petersburg

### **Credit Card Acceptance**

Local currency (Russian Roubles) can also be drawn on credit cards from ATM's in both Moscow and St Petersburg.

### **Travellers Cheques**

Travellers cheques are accepted in Moscow and St Petersburg but are very time-consuming to change and attract unfavourable exchange rates

## **Transport, Accommodation & Meals**

### **Transport Information**

Bus, Boat, Train

### **Accommodation notes**

For the overnight train journey we will use sleeper carriages with four bunk beds with bedding provided (two beds on floor level and two above) per compartment and with a shared toilet and washbasin in each carriage. There are no shower facilities on board. Luggage is stored under the bottom bunk beds and above the cabin door for the top bunks. There is the possibility that you will be sharing a cabin with non-Explore passengers and they cabins are mixed gender. You can experience authentic rail travel with the local people and it's a great way of getting from place to place during the night, so you maximise on the amount of time you have in each city during the day to explore. Take snacks, drinks, toilet roll, hand sanitiser and an open mind with you for maximum enjoyment.

In Russia the majority of buildings including the hotels still use the old Soviet District Heating System. Large power plants supply both electricity and hot water and from autumn to spring the central heating provided is at a set temperature, which can't be individually adjusted. So this means that it can be hotter inside the hotel bedrooms than you'd expect, but this can't be turned down, so it's best to open a window if you are too warm.

Most of the hotels in the main cities were constructed during Soviet times and so tend to be large and can have ostentatious decor. The hotel we use in Moscow is in this style.

In Moscow our hotel is by Partizanskaya Metro Station and is approximately 15 minutes metro journey from the Red Square. Within walking distance of our hotel is the Kremlin in Izmailovo where you can visit

a number of museums and see different Russian architectural styles. Here you'll find the Russian Toys Museum, Russian Fleet Museum and the Russian Vodka History Museum. Next door to here is a flea market and the Vernissage where folk crafts and antiques are on sale. Nearby there's also Izmailovsky Island surrounded by the Serebryano-Vinogradnye ponds. The island contains 18-19th centuries architectural monuments and was created by the second Tsar of the Romanov family. One of the largest city parks in Europe, Izmailovo Park, is also close by.

In St. Petersburg, our hotel is a short walk from Kazan Cathedral. It's around 20 minutes' walk from the city centre or 5 minutes' walk from Tekhnologichesky Institut Metro Station. Our hotel is in the Admiralteyskiy District where you'll find the Mariinsky Theatre and a number of restaurants, bars and cafes nearby.

## **Essential Information**

### **FCO Advice**

We strongly recommend that you check your government's travel advisory for up-to-date information and advice about your destination: safety and security, entry requirements, health, local laws and customs. For UK Foreign and Commonwealth Office advice click [here](#).

For more information from Explore about travel advice, click [here](#)

### **Under 18 immigration guidance**

Please note that some countries require proof of parental consent when travelling overseas with under 18s. Please check requirements with the relevant embassy or consular office well in advance of travel if this applies to your party.

### **Price Guarantee**

Once your booking has been confirmed we guarantee the price will not increase, whatever the circumstances. Before booking please ensure you have read our important tour pricing information.[Booking Conditions](#)

### **Visa and Passport Information**

Russia: All nationalities require a single entry visa in order to enter Russia. As part of the visa requirements you will need to obtain a Russian Travel Voucher and Authorisation from the local Russian authorities. Explore will request this on your behalf approximately 8 weeks prior to departure. Please allow a minimum of 5 working days for the travel voucher and authorisation to be processed. Due to the visa processing times, Explore are unable to accept bookings within one month of travel.

For British passport holders: All applicants must present themselves in person to the Russia Visa Processing Centre in London, Manchester or Edinburgh, on the day of application, to provide biometric information (fingerprints). There is currently no appointment system in place for this new process, so applicants will be seen on a first come, first serve basis. It is likely this will mean lengthy queues and waiting times. The biometric process is not optional, and any applicant who refuses to provide their fingerprints will automatically be refused a visa. This information is not stored and applicants will

therefore need to travel to the Processing Centre each time a visa is required. In the event an application is rejected due to inaccurate or incomplete information, fingerprints must be resubmitted as part of the revised application. For more information regarding this process - we recommend contacting the Russian Embassy direct, their website is <http://rusemb.org.uk/visa/>

It is essential that you provide Explore with the correct passport information at the time of booking, as this will be required in order to request the travel voucher and letter of invite, as well as pre-book any applicable train tickets. Corrections and amendments will incur additional charges, so please double check that the information we have for you is up to date and correct, this includes your passport number, full name as per passport (including middle names), date of birth and place of birth; if customers renew or reissue their passports from the details initially given to Explore, train tickets must be cancelled and purchased again, which involves extra costs and may result in customers being in differing train carriages to the rest of the group. If you intend to renew your passport please let Explore know at the point of booking and please ensure that you have the new passport no later than 8 weeks prior to travel.

You will be required to enter a reference number and a confirmation number on your visa application. These can be found at the top of your authorisation letter under the heading 'Voucher Number'. The 6 digit long number is the reference and the 4 digit number is the confirmation number.

In order for Explore to provide the necessary documentation to support your visa application (i.e. your visa authorisation), all pre and post tour accommodation must be booked through Explore and not booked independently.

Please ensure that your passport has a minimum of 6 months validity from the date of return to your home country.

All visa information is subject to change regularly, so please check with your local consulate for the most up to date advice for the countries you are visiting. All other nationalities should check with the Russian embassy.

For nationalities that require proof of their travel insurance through Explore as part of their visa application, please contact us for a copy of this.

If you do require assistance in obtaining a visa then you may be able to apply through Explore's recommended visa service in the UK, Travcour. See [www.travcour.com](http://www.travcour.com) to download the relevant visa application for your trip, if applicable (UK citizens only), along with details of how to apply for your visa through Travcour. The Team at Travcour will be happy to answer specific questions relating to visa applications, please call them directly on 0208 5431846.

It is your responsibility to ensure that you are in possession of a full passport, with the correct validity for your chosen destination.

## **Insurance**

It is a condition of booking with Explore that you have adequate valid travel insurance. It is your responsibility to arrange appropriate travel insurance and ensure you have read and understood the full terms and conditions of your travel insurance policy to ensure that you are covered for all activities you intend to undertake whilst on the tour, including all optional activities. Your Insurance Policy must fully cover you for medical expenses and emergency repatriation to your home country. Please ensure your policy includes medical emergency helicopter evacuation in the event of illness or injury and covers the entire duration of your holiday. If you are trekking at altitude please ensure that there is no upper altitude limit which may limit or exclude cover for your trip. The cost of many of our Polar Voyages will exceed the capped amount covered by standard insurance premiums and you will be required to pay an additional premium to cover the full value of your trip. Please ensure that you are covered for the full amount of your holiday cost, as insufficient cover could invalidate a claim under the policy. Medical and repatriation insurance cover is not mandatory for UK residents who are travelling on trips within the United Kingdom.
